Section #	C	NC	R	Narrative	To Be Corrected
195		X		Observed the establishment using reduced oxygen packaging without approval. There were 2 sauces, Red and Goldilocks and a jalapeno Jam in sealed mason jars. Establishment must discontinue selling reduced oxygen packaging products until a HACCP plan has been submitted and approved. Establishment will also need to have products biologically tested by a food lab to determine they are not potentially hazardous (a TCS food). Details of what is required in a HACCP plan is outlined in section 115 of food code.	before resuming
192	X			Observed a jar of the jap jam, a pickle jalapeno producted in ROP packaging and dated 12-10-22. Establishment will need a HACCP if they wish to continue selling this product.	discarded
146		X		Observed the 3 reduced oxygen products without proper labels. Labeling must comply with section 146 of the indiana food code.	before resuming
