Certification Prerequisite Validation

You are about to take a **Swift Water Rescuer-Operations Written Examination**. In order to be eligible to receive certification in this category you must meet the prerequisites listed in 655 IAC 1-2.1 adopted by the Board of Firefighting Personnel Standards and Education.

Please indicate below by checking the appropriate box that you meet the prerequisites:

Certification Prerequisite	Yes	No
Are you at least 18 years of age?		
Are you an Indiana resident or engaged in the delivery of emergency services?		
Are you certified at least at the Indiana Medical First Responder level?		
Are you certified at the Rope Rescuer-Operations level?		
Are you certified at the Water Rescue-Awareness level?		
Are you certified at the Hazardous Materials Awareness level?		

If you place a mark in any of the "yes" boxes above and it is later found out to not be an accurate statement of fact – the written test will be invalidated.

If you have checked the box marked "NO" to either of these questions STOP.

By checking "NO" you are not eligible to take the written examination.

Do not proceed with taking this test as it will be invalidated.

"By placing my signature below, I attest, under penalty of perjury that my answers above are true and accurate.

Student Signature	Date

This form shall be completed and signed by the student and returned to the proctor with the written examination.

The proctor shall collect these forms and return them to the Certification section with the written examinations.
