SEPTEMBER 2026

INDIANA CORRECTIONAL INDUSTRIES' GOVERNING STATUTE

The Indiana Department of Correction (IDOC/the Department) established Indiana Correctional Industries (ICI) as a division within the Department and is responsible for the management of the industries programs, commissary, and joint venture operations at designated facilities throughout the Department.

Indiana Code 1998, 5-22-11, mandates that all state agencies and political subdivisions of the state **SHALL** purchase from the Department goods produced or manufactured by the Department as listed in the department's printed catalogue, providing those goods meet the specifications and needs of the purchasing governmental body and can be purchased at a fair market price.

Acts 1917, Chapter 83, Sec. 1, Page 237, authorizes prisons in the State of Indiana to manufacture "articles and products as may be found practical" for use by the state, its institutions and political divisions and to sell the surplus upon the market. Indiana Department of Correction was established in Acts 1961, Chapter 343, Sec. 3, Page 1051. Under this Act, the Division of Industries and Farms was created to administer the operation of offenders who produce goods and services for sale to state agencies and residents of Indiana.

Indiana Code 1991, 11-10-6-2 Sec. 2. (a) The Department shall establish, maintain, and operate industry and farm programs for offenders assigned to equip the participant with a marketable skill which will provide to participant a means of earning a livelihood upon the participant's return to the community...

The Division of Industries and Farms changed its name to PEN Products in November of 1993.

PEN Products changed its name to Indiana Correctional Industries in September of 2018.

Indiana Code 2021, 5-22-11-1, Requirement to Purchase from the Department of Correction
Sec. 1. Subject to section 2 of this chapter, a governmental body shall purchase from the Department of Correction supplies and services produced or manufactured by the Department under Indiana Code 11-10-6 as listed in the Department's printed catalog unless the supplies and services cannot be furnished in a timely manner. As added by P.L.49-1997, SEC.1.

Indiana Code 2021, 5-22-11-2, Specifications for Supplies and Services
Sec. 2. Supplies and services purchased under this chapter must: (1) meet the specifications and needs of the purchasing governmental body; and (2) be purchased at a fair market price.
As added by P.L.49-1997, SEC.1.

Indiana Code 2021, 5-22-11-3, Catalog
Sec. 3. The department of correction shall furnish each governmental body a catalog with the following information: (1) Supplies and services available for sale. (2) Prices of supplies and services available for sale. As added by P.L.49-1997, SEC.1.

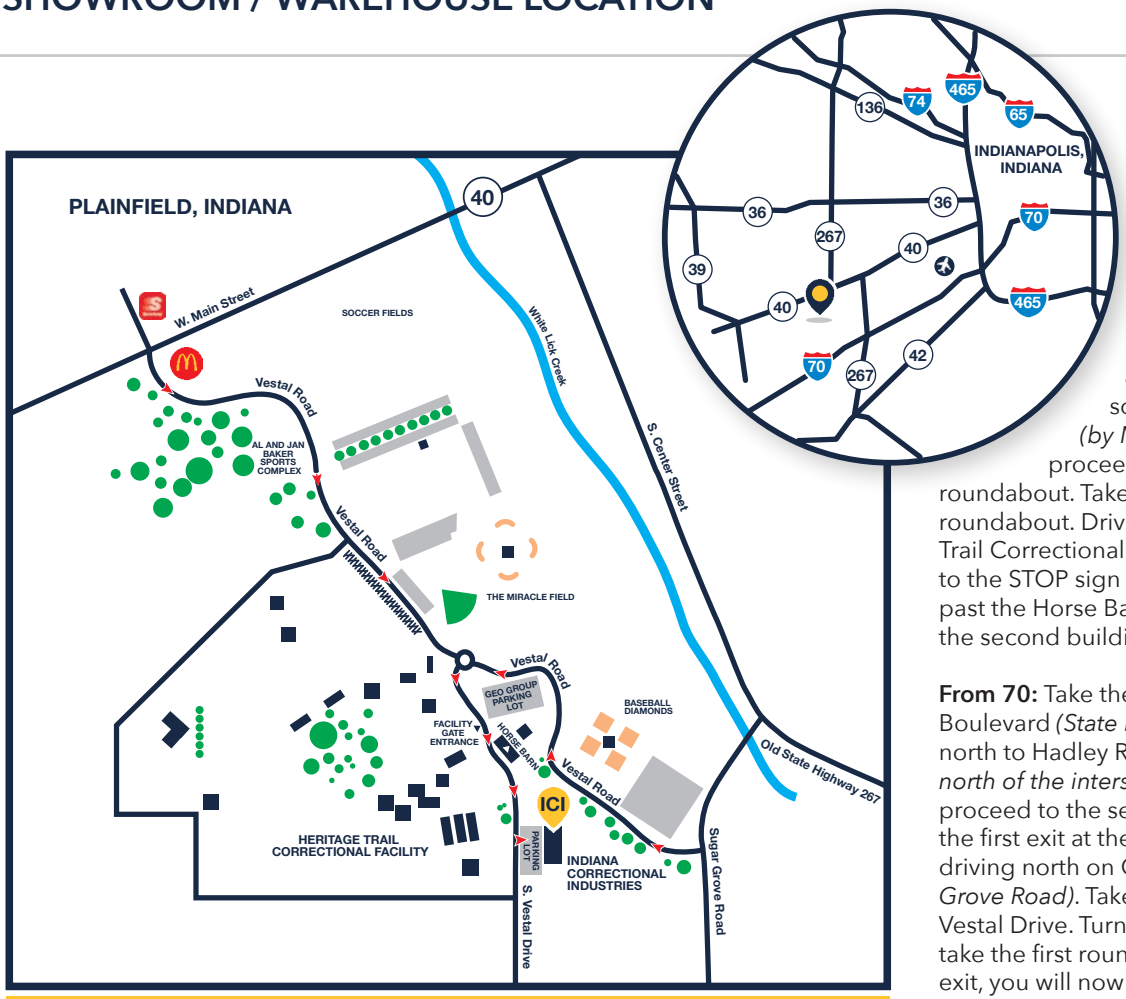
Indiana Department of Correction Mission
We promote public safety by providing meaningful, effective opportunities for successful re-entry to the incarcerated individuals in our care.

SHOWROOM / WAREHOUSE LOCATION



1110 South Vestal Drive • P.O. Box 840 • Plainfield, Indiana 46168

Contact us!

Toll Free: (800) 736.2550

Direct: (317) 955.6800

PLAINFIELD, INDIANA

DIRECTIONS:
From State Road 40 in Plainfield: Turn south on Vestal Drive *(by McDonald's)* and proceed down the hill to the roundabout. Take the first exit at the roundabout. Drive next to the Heritage Trail Correctional Facility's fence. Proceed to the STOP sign by the Horse Barn. Drive past the Horse Barn up the hill, and ICI is the second building on the left.

From 70: Take the exit onto Quaker Boulevard *(State Road 267)* and head north to Hadley Road *(the first stop light north of the interstate)*. Turn west and proceed to the second roundabout. Take the first exit at the roundabout. Keep driving north on County Road 700 *(Sugar Grove Road)*. Take County Road 700 to Vestal Drive. Turn north on Vestal Drive, take the first roundabout. Take second exit, you will now be driving next to the Heritage Trail's fence. Proceed to the STOP sign at the Horse Barn, and drive past the Horse Barn up the hill. ICI is the second building on the left.

NOTE: If you are using Google Maps or Waze, the map takes you to the Baseball Diamonds.
Google will not drive on or enter State property.

INDIANA DEPARTMENT OF CORRECTION
CORRECTIONAL INDUSTRIES

OUR MISSION:
Empowering people through job training for success during and after incarceration.

OUR CORE VALUES:

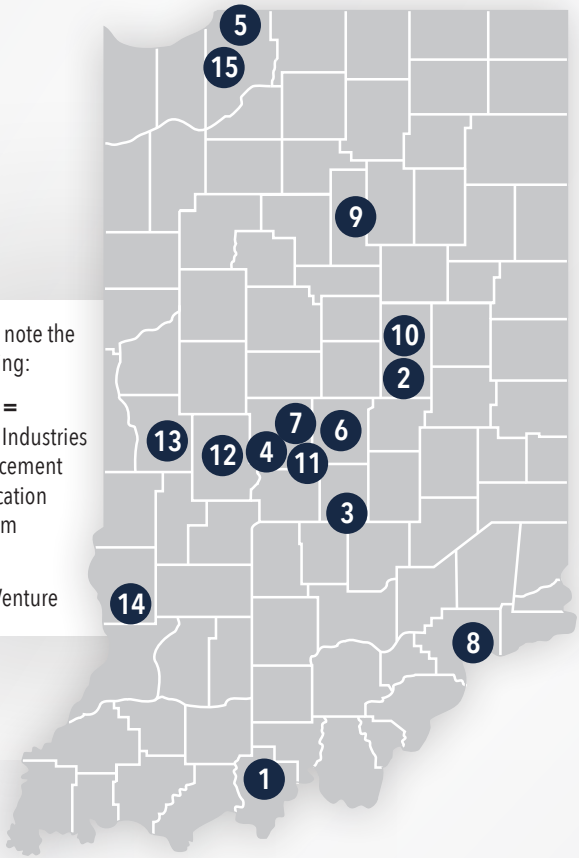
- Provide as many work opportunities as possible.
- Provide value to Indiana taxpayers.
- Partner with private sector companies who support our mission and hire post-release.
- Provide opportunities for growth to private sector companies/partners.

ABOUT INDUSTRIES

Indiana Correctional Industries operates the correctional industries division of the Indiana Department of Correction and provides work opportunities in adult correctional facilities, teaching incarcerated individuals a strong work ethic and job skills, and positively impacting their re-entry.

Indiana Correctional Industries prepares incarcerated adults for successful re-entry by providing work assignments in manufacturing environments. Indiana Correctional Industries' workers learn valuable skills while on the job: production, quality control, teamwork, respect for authority and the value of work. Indiana Correctional Industries' workers, when released, are less likely to recidivate than individuals that did not experience a work assignment.

In addition to learning the value of work, Indiana Correctional Industries workers are also provided opportunities to learn and build upon various soft skills including communication, critical thinking, leadership, team work and work ethic.



Please note the following:

PIECP = Prison Industries Enhancement Certification Program

JV = Joint Venture

Indiana Correctional Industries provides work assignment opportunities for 2,000 incarcerated adults annually.

IDEA / REQUEST
If you have an idea or request for a new product, not yet offered by Indiana Correctional Industries, we would be happy to discuss with you. Please contact the Deputy Director of Business Development & External Affairs at **317.754.4184.**

TERMS & CONDITIONS

CANCELLATIONS
Cancellations of orders/items must be delivered in writing to the attention of Indiana Correctional Industries Customer Service.

CHANGES
All changes must be communicated in writing to the attention of Indiana Correctional Industries Customer Service.

CUSTOMER ITEMS
Once a signed order has been received and processed, changes or cancellations of custom items will not be accepted.

SHIPPING INFORMATION
All orders may be subject to delay due to causes beyond the control of Indiana Correctional Industries. Shipping charges are calculated on your location and the total purchase amount. (Shipping fee is waived to all governmental agencies.)

DOCK DELIVERY
State agency orders and all other orders over $500.00 are F.O.B. destination within the State of Indiana. Prepaid delivery includes tailgate and/or dock delivery.

RETURN POLICY
Returns will be handled on a case-by-case basis. Any product returns after 90 days will be subject to a 15% restocking fee. Incorrect items shipped or items damaged in shipping will be replaced at no charge.

Inside Delivery & Installation of Office & Metal Furniture Request for these services must accompany the original sales order. Inside delivery and installation services include the following:

- Delivery, unloading and installation of items as specified on the original sales order.
- Removal of all wrapping, crates and debris from the premises.
- Inside delivery and installation does not include Indiana Correctional Industries personnel moving existing furniture, rearranging furniture or performing any work not related to the delivery of items as specified on the original sales order.

DAMAGED MERCHANDISE
Damages should be reported to Indiana Correctional Industries Customer Service as soon as possible.

SHORTAGES
All customers are advised to inspect quantities and items before signing shipping documents.

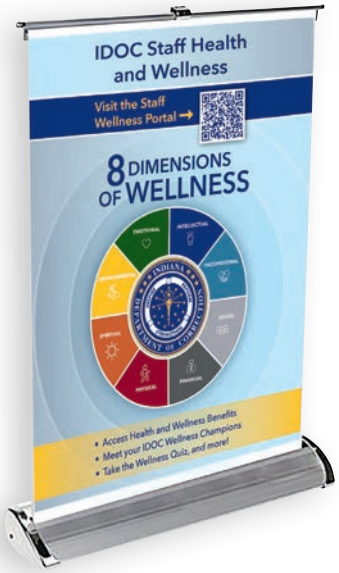
LARGE FORMAT PRINTING

Our print shop operation produces eye popping, crisp, vibrant colors with the UCJV 300 Mimaki. Great ink adhesion to vinyl/paper; ink dries almost instantly.

We have the ability to print on a variety of substrates for example: floor graphics, signs, posters, banners, indoor wall graphics, window displays, vehicle vinyl, canvas, and a myriad of different papers.

Indiana Correctional Industries has recently expanded its product line capabilities to design and wrap vehicles, walls, and windows of all shapes and sizes. We use premium Avery vehicle vinyl for its conformability to surfaces and its unique air release application properties.

We also laminate our graphics to ensure long life, making them weather resistant, and prevent color fade.



Please contact our Sales Department for a quote or questions.

EMBROIDERY

Please contact our Sales Department for a quote or questions.

(317) 955.6800

iciwebsales@idoc.in.gov

The Wabash Valley Correctional Facility print shop has the capability to provide embroidered textiles such as apparel decoration, logos, corporate branding, sports teams, name drops and more.

TYPE OF EQUIPMENT AND CAPABILITIES:

ARTWORK

A digitized file is required for embroidery. Industries has the ability to digitize files for you. If we are digitizing your file, vector art is ideal. However, any file type will work. The better the clarity of the file supplied, the better your embroidery results will be. Embroidery doesn't work well with small, detailed designs and images with gradients.

FILE TYPES

Corel Draw (.cdr), Adobe Illustrator, (.ai; .eps, .svg, .pdf). We can also use good quality (.jpg, .gif, .psd, .png, and other raster file types). We can create something for you or convert raster images to vector art.

DECORATION LOCATIONS & SIZES

We have hoops large enough to sew designs up to approximate 12" x 18".
For hats, we recommend the following height limits: 2.5" x 5"

Hundreds of embroidery thread color options are available.
If we can't stock a color you require, one can be ordered. Pricing will apply.

GARMENT CARE

Proper care for your garment is necessary to achieve a normal garment and decoration life. For all garments, we recommend cold-water washing inside out and hang drying. You may tumble dry on fluff (no heat). Never iron over the decoration. Following these steps will help you achieve the maximum amount of life for your garment.

EMBROIDERY FONTS

We have 100+ in stock and ready to go. Additional fonts can be digitized for embroidery use.

MEN'S PORT AUTHORITY® SHORT SLEEVE SNAG-PROOF TACTICAL POLO

Moisture-wicking and odor-fighting, this durable powerhouse of a polo is a lighter weight than our standard snag-proof tactical polo. 4.4 oz. snag-proof polyester, tag-free label, flat knit collar, 3-button placket, dyed-to-match buttons, mic clips at center placket and shoulders, raglan sleeves, reinforced dual pen pockets on left sleeve, drop tail hem, side vents.

FIT GUIDE INFORMATION & INSTRUCTIONS:

STEP #1: MEASURE

- Measure over undergarments, but without other clothing. If you fall between sizes, order the smaller size for a tighter fit or the larger size for a looser fit.
- Waist: Measure around your waist, at either the narrowest point or where you wear your pants.
- Hips: Stand with heels together and measure around the fullest point of your hips.
- Inseam: Measure from your crotch to your ankle bone.

STEP #2: DETERMINE SIZE & STYLE

- Expandable waist bands stretch up to 1"
- If you fall between sizes, order the smaller size for a snugger fit or the larger size for a looser fit
- Choose regular or relaxed fit; relaxed fit adds approximate ##" to hip measurement

You have the option to pick up your order, in person, at our ICI Plainfield Office, Headquarters
Monday - Friday, 8:00 AM - 3:00 PM
Must have ID to show for identification.

Orders less than $75.00 = $17.99

Orders more than $75.00 = FREE Shipping

Made strong and versatile. The Tactix Series System Parka is a waterproof, breathable, fully seam-sealed outer shell and zip-in Soft Shell Jacket liner that will withstand the most volatile weather conditions. Protect yourself from the elements and organize tactical gear in its multiple zip pockets, while maintaining the ability to move freely in this essential piece of tactical clothing.

SPECIFICATIONS:
Outer Shell: 100% Nylon, fully seam-sealed, waterproof, breathable, bloodborne pathogen resistant fabric; YKK® zippers; Prym® snaps; Duraflex® hardware.
SoftShell Parka (included): 85% nylon, 15% spandex blend with 4-way stretch, fleece lined; YKK® zippers; Prym® snaps; Duraflex® hardware.
SoftShell Zip Out: An additional layer of protection and comfort with water and wind resistant exterior and warm, soft brushed fleece interior. Perfect for solo wear in light conditions or zipped into the shell for double security.
Triple Adjustment Hood: First Tactical Rain Gutter Design™ keeps water from dripping on your face, while 3-way adjustment and molding memory wire let you shape your hood ideally for you and trust it to keep your vision clear. Remove easily and stow in special lumbar pocket when not in use.

MENS BLACK TACTICAL PANTS

The V2 Pant is the culmination of two decades of improvement and modifications to the industry standard. This tactical pant is performance-ready and purpose-built to handle any mission that arises while maintaining the neat, clean and professional look required for public safety. This product is intended to be used as personal protective equipment aimed at minimizing workplace exposure to biological, chemical, physical and other law enforcement professional hazards.

SPECIFICATION: V2 Fabric Technology with two-way mechanical stretch; 6.4 oz. 65% polyester / 35% cotton; double dyed fabric; micro ripstop; DWR water repellent finish; YKK® zippers; Prym® snaps; and internal knee pad access with articulated knee. **NOTE: Unhemmed lengths do not include internal knee pad access.**

DETERMINING YOUR SIZE:

Using a measuring tape, measure your body (over your undergarments) and refer to chart below to determine the best size. Measurements refer to body size, not garment dimension, unless otherwise noted. If you fall between sizes, we recommend ordering the larger size.

- Waist: Take measurement around your waistline, where your belt typically sits.
- Inseam: Measure the inseam of pants that fit you well. Place them in a flat position, ensuring both front and back are neatly pressed. Measure from the crotch down to the leg hem along the inseam.

Men's sizes: 28" – 60" waist Length: 30" | 32" | 34" | 36" | Unhemmed – 39"

MEN'S SIZE CHART *(Select size dimensions below)*

WOMENS BLACK TACTICAL PANTS

The V2 Pant is the culmination of two decades of improvement and modifications to the industry standard. The V2 Pant is performance-ready and purpose-built to handle any mission that arises while maintaining the neat, clean and professional look required for public safety.

SPECIFICATION: Proprietary V2 Fabric with two-way mechanical stretch; 6.4 oz. 65% polyester / 35% cotton; double dyed fabric; micro ripstop; DWR water repellent finish; YKK® zippers; and Prym® snap.

DETERMINING YOUR SIZE:

Using a measuring tape, measure your body (over your undergarments) and refer to chart below to determine the best size. Measurements refer to body size, not garment dimension, unless otherwise noted. If you fall between sizes, we recommend ordering the larger size.

- Natural Waist: Measure around the smallest part of your waist (where it bends).
- Hips: Stand with your feet together and measure around the fullest part of your hip with the measuring tape parallel to the floor.
- Inseam: Measure the inseam of pants that fit you well. Place them in a flat position, ensuring both front and back are neatly pressed. Measure from the crotch down to the leg hem along the inseam.

Women's sizes: 2" – 28" waist Inseam: regular = 31" | tall = 35"

ROAD & HIGHWAY

Indiana Correctional Industries manufactures highway signs used to regulate and direct vehicle movement on the thousands of miles of Indiana highways. All signs made by Industries are in strict accordance with the specifications set by the Indiana Department of Transportation using their Manual on Uniform Traffic Control Devices. Our sign data is continually updated.

Industries provides a complete selection of road and highway signs and related materials for state, county and municipal requirements. This includes all those meeting INDOT and Federal Highway Administration specifications.

All highway signs are made according to specifications for grade of aluminum with either high intensity or engineering grade reflective sheeting. Neither grade will crack or peel in cold weather and both have a life expectancy of seven years.

Please contact our Sales Department for a quote or questions.

COLOR OPTIONS

PIPER CHAIR WITH POLY SEAT & BACK

With Piper simple becomes smart and stylish. Subtle curves in the back and seat as well as the waterfall seat edge prevent fatigue and provide comfortable support.

The most obvious design feature is the integrated handle, which is also contoured to make the chairs easy to move and stack. A bent-wire frame and polypropylene construction also keep them light on their feet and more maneuverable during reconfigurations in multi-purpose spaces.

Color-through polypropylene minimizes the appearance of scratches, while the powder-coated or chromed steel frames resist wear from the start.

All of this durability and the ease with which they can be cleaned and sanitized, make Piper Poly Guest Chairs an ideal choice for environments like classrooms and dining rooms where they see vigorous daily use, in addition to more typical guest seating environments.

Armless Poly Back and Seat

STOCK CODE	DIMENSIONS	WEIGHT RATING	PRICE
FPIPNA-_ _	Seat: 18"W X 18"D Seat Height: 18" – 23"	300 lbs.	$67.00

Poly Color Options: Black (BL), Cool Grey (CG), Misty Brown (MY), Nordic (ND), and Sand (SA)

PIPER CHAIR WITH PADDED SEAT & POLY BACK

Upholstered seat and poly back options bring Piper's contemporary style to more refined settings. Its steel and polypropylene components contain recycled content and are recyclable at the end of the furniture's life.

Accessible fasteners for the upholstered pad also allow facilities management staff to remove and replace them in the field if they become worn or damaged.

Piper's non-marring glides may be its most overlooked feature, but even they contribute to the line's environmental mission. Available in clear polycarbonate, black PVC and stainless steel they help protect the flooring. Ganging glides can also be used to keep the seating in perfect alignment.

Armless Padded Seat and Back

CLASSROOM FURNISHINGS

The difference between sitting in a classroom and learning is student engagement. FaceTime Wave encourages that engagement by providing learners with safe and comfortable seating and desk options.

Not only do FaceTime Wave chairs promote an alert neutral posture, their unique one-piece design provides back support without relying on an external frame or ribs, allowing them to flex and adjust to users. They are also available with cushioned, upholstered back and seat pads for even greater comfort.

Like the chairs, desks are available in two finishes. High-pressure laminate tops offer a variety of surface and edge options, while hard plastic tops provide a scratch-resistant writing surface that will look new for years to come.

CANTILEVER DESKS & CHAIRS

DOUBLE ENTRY DESKS

Plastic Book Box - provides ample storage for a variety of materials.

Desk Book Basket - provides open storage for unused materials, so they won't be left behind.

Back-Tilt - is allowed by our unique injection molding method that provides support without requiring an external frame or ribs.

FLOOR CARE

HEAVY-DUTY FLOOR STRIPPER

Specially formulated for removal of finishes subjected to repeated high speed burnishing. Super strength, heavy-duty stripper can take off most finishes in one pass. Low foaming, nonammoniated, biodegradable and phosphate-free.

STOCK CODE	SIZE	SELLING UNIT	PRICE
FL-2100-C	1 gallon (Dilution Rate 1:4)	4 jugs/case	$40.00
FL-2100-D	5 gallon (Dilution Rate 1:4)	1 pail	$51.00
FL-2100-E	30 gallon (Dilution Rate 1:4)	1 drum	$305.00

HIGH PERFORMANCE FLOOR FINISH

High Performance Floor Finish–Most resilient finish with immediate high gloss that's easily repaired. Developed for semi-frequent maintenance programs, creating and maintaining desired "wet look" is easy with simple cleaning and burnishing. For UHS programs that burnish 2-5 times a week. Meets Slip Resistance Requirements per ASTM D-2047.

STOCK CODE	SIZE	SELLING UNIT	PRICE
FL-2106-C	1 gallon	4 jugs/case	$69.00
FL-2106-D	5 gallon	1 pail	$86.00
FL-2106-E	30 gallon	1 drum	$440.00

DAILY FLOOR CLEANER & MAINTAINER

Revolutionary UHS cleaner maintainer that extends recoat frequency 2-3 times compared to conventional restore/maintainers. Combines two maintenance steps into one. A low foaming cleaner/maintainer formulated for use in high and low speed maintenance programs. Builds gloss and reduces powdering. Contains a thermoplastic polishing agent which adheres to the floor and is not removed in the cleaning process. Does not discolor or build up. Cleans and builds shine. Does not require burnishing on a daily basis.

STOCK CODE	SIZE	SELLING UNIT	PRICE
FL-21187-C	1 gallon (Dilution Rate 1:128)	4 jugs/case	$23.00

ENVIROSEAL ACRYLIC SEALER

Removable, water-based acrylic seal for concrete, quarry tile, ceramic tile and synthetic marble.

STOCK CODE	SIZE	SELLING UNIT	PRICE

PROPERTY BOXES

BARRACUDA STORAGE BOX

FEATURES OF THE BOX: "Stack and Nest" Design. Individually numbered for ID and property control. Durable, one piece, injection molded design. Radius design for maximum impact dispersion and resistance. Vertical radiused structural columns for maximum strength and impact resistance. Constructed with high impact "no break" polypropylene. Flame retardant; Locking hasp on both sides of the box allow the lid to be installed in either direction. Stacks with most other commercially available boxes with the lid on, and many boxes with the lid off. Manufactured to ISO Quality Standards.

FEATURES OF THE LID: Sold separately. Molded in handles. Individually numbered for ID and property control. Locking hasp hold placement prevents tampering. Slides open on the short side allowing access to more contents without removing lid. Full perimeter stacking groove for secure stacking. Full engagement edges to prevent prying or unauthorized entry when locked.

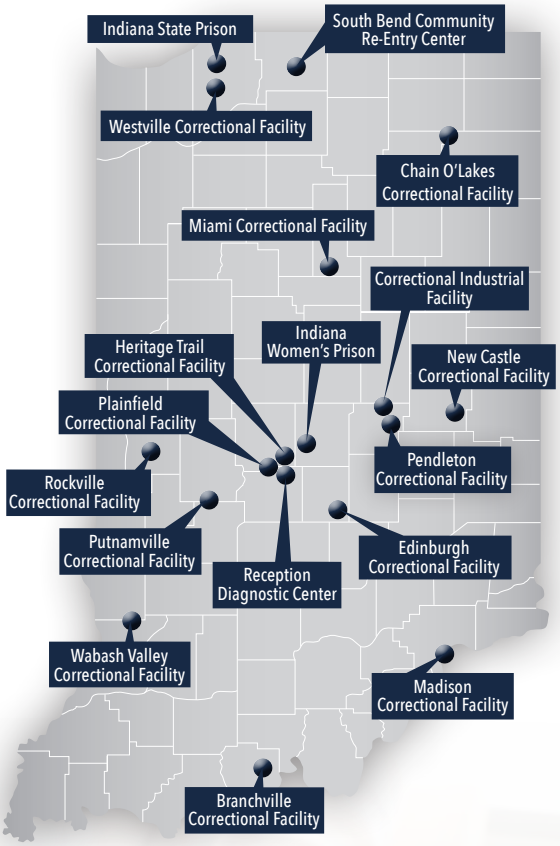
PRIVATE SECTOR PARTNERSHIP

Why it works for your business!

Top 10 Reasons to Partner with Indiana Correctional Industries

1. Provide for business start-up and expansion
2. Build-to-suit operation space
3. Increased productivity–decreased lost hours
4. Consistent and skilled workforce
5. Prepares incarcerated workers to enter partner's private sector workforce upon release
6. Solves labor intensive challenges
7. Create real-world work environments "behind the wall"
8. Provide incarcerated individuals with marketable job skills and work experience
9. Reduced turnover
10. "Made in the U.S.A."–Smart sourcing vs. outsourcing

Partnership Opportunities & Locations



Indiana Correctional Industries is committed to building Private Sector Partnership and supporting the State of Indiana initiative to **"Develop a 21st Century and Ready Workforce"**.
