SAFE DRIVING IS EVERYONE'S RESPONSIBILITY

Work Zone Safety Awareness

Work Zone Safety Awareness

Motorists have a responsibility to be alert, obey traffic laws and signs, and use common sense to safely navigate roadway work zones. Drivers who injure or kill a highway worker can face up to six years behind bars and up to a $10,000 fine.

Don't Text and Drive

While operating a motor vehicle, Indiana law prohibits drivers from using a telecommunications device, such as a cellphone, from:

- Typing a text message or email;
- Transmitting a text message or email; or
- Reading a text message or email

Violation of this law is a Class C infraction and is punishable by up to a $500 fine.

No text message or email is worth your life or that of someone else's.

Move over Slow down

Watch Out for Workers

INDOT maintains the medians and roadsides along interstate highways, U.S. routes and state roads in Indiana. We balance safety, costs, environmental protection, and aesthetics when cleaning up litter and maintaining roadsides. Motorists should be aware of our crews and **move over and slow down** to give workers the time and space to do their jobs safely.
