Resolution to Approve the Use of Funds Under the American Recovery and Reinvestment Act for Workforce Investment Act—Adult and Dislocated Worker Programs
June 9, 2009

WHEREAS, the State Workforce Innovation Council (SWIC), in its role as the Balance of State Workforce Investment Board, is empowered to define, establish and implement programs to support the educational and training purposes of adult learners throughout the Balance of State Workforce Service Area; and

WHEREAS, the American Recovery and Reinvestment Act (ARRA) of 2009 provides funding to each state for the purposes of establishing and sustaining educational and training programs for individuals eligible under the Workforce Investment Act—Adult and Dislocated Worker programs; and

WHEREAS, the SWIC, in its role as the Balance of State Workforce Investment Board, having heard the proposal, "DWD-SSACI Partnership," to use all or a portion of the Workforce Investment Act—Adult and Dislocated Worker funds provided under ARRA for the purposes of supplementing grants-in-aid awarded to eligible adult learners by the Indiana State Student Assistance Commission.

IT IS THEREFORE RESOLVED, that the SWIC, in its role as the Balance of State Workforce Investment Board, authorizes the Indiana Department of Workforce Development and the eleven Economic Growth Regions comprising the Balance of State Workforce Service Area to undertake the purposes and actions required for the successful implementation of the "DWD-SSACI Partnership" during Program Years 2009 and 2010.
