OUR Heroes' Tree℠

Honoring and Supporting Veterans

The **Indiana State Library** with support from the **Military Family Research Institute** at Purdue University is partnering with libraries around the state to present the *Our Heroes' Tree℠* initiative. Through this program, libraries are able to honor the contributions of past and present service members while also creating an awareness of military families affected by current military deployments.

OUR Heroes' Tree℠

Honoring and Supporting Veterans

To participate, create a handmade ornament honoring the service member in your family or community from past and present wars, conflicts or peacetime operations. Take the ornament along with a brief story about your hero to a participating library where it will be placed on the tree.

For a listing of participating libraries or more information, please visit www.in.gov/library/oht.htm
