Bargaining Status Form: Pre-Impasse

IMPORTANT, PLEASE READ:

The process for completing the Bargaining Status Form has changed. All parties who bargain pursuant to Indiana Code 20-29, even if not currently bargaining, must complete this Pre-Impasse section of the Bargaining Status Form to give IEERB updated information on the parties' bargaining status.

Steps:
The School Corporation starts this process by submitting answers to the questions below.
The Exclusive Representative will receive an email once the School has submitted the information.
The Exclusive Representative will then be able to review the School's submission and indicate agreement or disagreement, and the details of any disagreement.

Although parties may agree on the submitted information, each party must separately submit this form.
This process must be completed by OCTOBER 3.
Therefore, Schools should submit the information below in a timely manner to ensure sufficient time for the Exclusive Representative to complete their part by the deadline. If the parties are declared at impasse, they will receive the Impasse section of the Bargaining Status Form via email.
