Mr. David Presby
Presby Environmental, Inc.
143 Airport Road
Whitefield, NH 03598

Dear Mr. Presby:

Re: Approval of the *Indiana Design and Installation Manual, Presby Advanced Enviro-Septic®, Enviro-Septic®, and Simple Septic® Wastewater Treatment Systems, August 3, 2015*

The *Indiana Design and Installation Manual for the Presby Advanced Enviro-Septic®, Enviro-Septic®, and Simple Septic® Wastewater Treatment Systems, August 3, 2015,* is hereby approved as the current design and installation manual for the systems listed above. This approval of the design and installation manual is for use in commercial on-site sewage systems and individual residential on-site sewage systems. Approval is effective this 3rd day of August, 2015.

I. Presby Environmental, Inc. is required to:
   a) Certify manufacturers, distributors, designers, installers and service providers;
   b) Submit to the department a list of all certified installers, distributors, service providers and manufacturers for the State of Indiana annually; and notify the department immediately of the removal of any certified installer, distributor, service providers or manufacturer;
   c) Submit for review and approval of the department any proposed changes to any system component or the *Indiana Design and Installation Manual for the Presby Advanced Enviro-Septic®, Enviro-Septic®, and Simple Septic® Wastewater Treatment Systems, August 3, 2015* prior to implementation of the changes;
   d) Notify the department of any scheduled training event at least 10 working days prior to the event;
   e) Provide on-going consultation to health department staffs, designers, installers, and service providers;
   f) Submit to the department on an annual basis the installation of any on-site sewage system installed that includes a Presby Advanced Enviro-Septic®, Enviro-Septic®, or Simple Septic® Wastewater Treatment System using a data format provided by the department.

II. The Presby Advanced Enviro-Septic®, Enviro-Septic®, or Simple Septic® Wastewater Treatment Systems are subject to:
   a) The applicable provisions of ISDH Rule 410 IAC 6-8.3, or ISDH Rule 41O IAC 6-10.1, whichever is applicable;
   b) Receiving and dispersing only domestic and/or residential strength wastewater;

c) The *Indiana Design and Installation Manual for the Presby Advanced Enviro-Septic®, Enviro-Septic®, and Simple Septic® Wastewater Treatment Systems, August 3, 2015.*

III. The Presby Advanced Enviro-Septic®, Enviro-Septic®, and Simple Septic® Wastewater Treatment Systems manufacturer, designer, distributor, installer, and service provider is subject to:

a) Presby Environmental, Inc., certification;
b) Maintaining a status of good standing with Presby Environmental, Inc.

This approval may be revoked or modified by the department for non-compliance, or if it is documented that it would not be in the best interests of public health for approvals to continue.

If you wish to request administrative review of this *Approval* pursuant to Indiana Code 4-21.5-3-5, you must file a petition for review within fifteen (15) days after this *Approval* is received.

The petition for review must be in writing and must include facts demonstrating that:

- The petitioner is a person to whom the Approval is specifically directed;
- The petitioner is aggrieved or adversely affected by the Approval; or
- The petitioner is entitled to review under any law.

If the petition for review is not filed timely, this Approval becomes FINAL. Any petition for review and petition for stay of effectiveness must be submitted in writing to:

Court Administrator
Office of Legal Affairs, #3H
Indiana State Department of Health
2 North Meridian Street Indianapolis, IN 46204

If you do not object to this product submittal approval, you do not need to take any further action.

Sincerely,

Michael Mettler, REHS, Director
