

INDIANA COLLEGE CORE: THE INDIANA COURSE ACCESS PORTAL

Did you know that high school students can get **ALL** of the credits needed to attain the Indiana College Core through the Indiana Course Access Portal (iCAP)? iCAP offers a variety of online dual enrollment course options that are part of the Indiana College Core. iCAP is intended to be supplementary, where students remain enrolled in their primary school while taking any iCAP courses, including dual enrollment options.

Indiana College Core is based on competencies and outcomes in six areas:

FOUNDATIONAL INTELLECTUAL SKILLS	WAYS OF KNOWING
<p>Speaking & Listening</p> <p>Written Communication</p> <p>Quantitative Reasoning</p>	<p>Scientific Ways of Knowing</p> <p>Social & Behavioral Ways of Knowing</p> <p>Humanistic & Artistic Ways of Knowing</p>

The following Indiana College Core competencies can be met with iCAP and are part of the Core Transfer Library unless otherwise notes:

 **Speaking & Listening**

3 required credits, no more than 6 credits

- COMM 101 - Fundamentals of Public Speaking - 3 credits
- COMM 102 - Intro to Interpersonal Communication - 3 credits

 **Written Communication**

3 required credits, no more than 6 credits

- ENGL 111 - English Composition - 3 credits
- ENGL 215 - Rhetoric and Argument - 3 credits

What is iCAP?

iCAP serves as a course repository of over 200 virtual course options from seven different course providers, all approved by the Indiana Department of Education (IDOE). iCAP provides options to help high schools meet students' individual needs, expand learning opportunities, and diversify their curricula.

All current dual enrollment iCAP courses are offered through Ivy Tech Community College. For next steps on Ivy Tech enrollment, view this document or contact Andrea McDole at Ivy Tech.
