COMMITMENT FORM**

In accordance with Section 1.22 of RFP 21-68067, the respondent is expected to submit with its proposal an Indiana Veteran Owned Small Business (IVOSB) RFP Subcontractor Commitment Form. The Form must show that there are, participating in the proposed contract, Indiana Veteran Owned Small Business(es) listed in the “VETBIZ” registry, or listed on the IDOA Directory of Certified Firms that conform to the IVOSB rules as laid out at <https://www.in.gov/idoa/mwbe/indiana-veteran-business-program/ivosb-faqs/> .

If participation is met through use of vendors who supply products and/or services directly to the Respondent, the Respondent must provide a description of products and/or services provided that are directly related to this proposal and the cost of direct supplies for this proposal. Respondents must complete the Subcontractor Commitment Form in its entirety. The amount entered in “**TOTAL BID AMOUNT**” should match the amount entered in the Attachment D, Cost Proposal Template.

If the vendor responding to the RFP is an IVOSB certified entity, the letter confirming same should be submitted with their response. IDOA will verify the certification but will not check for it. Therefore the responding vendor has the responsibility to alert IDOA of their certification. The IVOSB respondent will receive the total points for the IVOSB evaluation criteria per section 3.2.7. Additional ISVOB subcontractors must be included if the IVOSB respondent is seeking the additional bonus point.

The IVOSB respondent must list their **company contact information only** on the IVOSB Subcontractor Commitment Form.

Failure to address these goals may impact the evaluation of your Proposal. The Department reserves the right to verify all information included on the IVOSB Subcontractor Commitment Form.

- IVOSB must have a Bidder ID (see section 2.3.7 - Department of Administration, Procurement Division)
- A Prime Contractor who is an IVOSB **can** count their own workforce or companies to meet this requirement.
- **Must serve a Valuable Scope Contribution (VSC). The firm must serve a value-added purpose on the engagement, as confirmed by the State.**
- Must provide goods or service only in the industry area for which it is certified as listed in the federal registry, under INDIANA (<https://www.vip.vetbiz.va.gov/>) or IDOA Certified Firm directories <https://www.in.gov/idoa/mwbe/indiana-veteran-business-program/ivosb-faqs/>
- Must be used to provide the goods or services specific to the contract.

The State reserves the right to deny evaluation points if the letter(s) is not attached. RE: Letter of Commitment in Response to RFP 21-68067 - Security Control Audit Services

Dear Ms. Davidson:

FireWatch Solutions, Inc. is pleased to provide this letter of commitment to participate as a subcontracting partner to JANUS Associates in their response to The State Lottery Commission of Indiana's request for Security Control Audit Services (RFP 21-68067).

FireWatch will provide physical security auditors to support JANUS in addressing the following aspects of access control, video surveillance, and environmental systems:

- System design, installation, implementation and maintenance;
- System management and reporting;
- Access permissions implemented through electronic access control and key locks for facilities and sensitive areas within facilities;
- Security system operator training and responsibilities;
- Storage of sensitive materials; and
- Environmental system implementation in information systems facilities.

FireWatch understands that there is no commitment for work by JANUS unless the RFP activity results in a contract award from the State of Indiana. Should JANUS sign a contract with the State of Indiana, FireWatch will be an integral part of the Security Controls Audit Services team providing physical security support services beginning with the project initiation phase and will continue as needed through the term of the contract. The estimated subcontracted amount for this engagement is approximately \$1,725.00. This amount represents 2.16% of JANUS' total bid amount.

FireWatch is a VA verified Service-Disabled Veteran-Owned Small Business (SDVOSB). This letter provides FireWatch's commitment to abide by all state procurement regulations.

Please be advised all verified businesses may be required to participate in one or more post-verification audits at CVE's discretion. Additionally, this letter and other

However, FOIA disclosures include exceptions regarding the personal privacy of individuals, and VA policy similarly provides limitations on the release of individuals records.

Also note, if at any time FireWatch Solutions, Inc. discovers that it fails to meet the size standards for any NAICS Code(s) listed on its VIP profile, CVE requires such NAICS Code(s) be removed within five (5) business days. If these NAICS Codes are not removed within the allotted five (5) business days, CVE may request SBA conduct a formal size determination. In addition, CVE may initiate a referral to OIG, a referral to the Debarment and Suspension Committee and pursue cancellation proceedings. All of the aforementioned referrals and procedures could result in FireWatch Solutions, Inc. being removed from the VIP Verification Program.
