## Upcoming Webinars Serve as Primer for Summer Reading

If you missed out on one of the many 2014 Collaborative Summer Library Program (CSLP) trainings held statewide, consider attending a [Fizz, Boom, Read Webinar](#) on April 14 or 15. This webinar will focus on program ideas for ages 6-18 and will be worth 1 LEU. Early Literacy and Adults will not be covered in this training. Spots for this Webinar are limited so [register](#) today.

Additionally, when preparing for summer readers, the CSLP manual is a wonderful resource for you and your staff. There is great information including literally hundreds of program ideas as well as justifications for having a summer reading program, information on using parents as volunteers, and press releases already written for you. Please take a look at the disk that was sent to you through INFO Express. The manual is located on that disk.

[TeachingBooks.net](#) is also heavily involved with CSLP. For example, resources for the children's booklist include 58 Videos, 24 Book Readings, 138 Lesson Plans, and a total of 545 resources.

## Last Chance to Register for Library Leadership Academy

Future library leaders have until April 4 to apply for the **2014 Indiana Librarian Leadership Academy** (InLLA). This is a great opportunity to learn from field experts, network with the next generation of library leaders, and understand the major landscape changes within the library industry. Future and current library leaders of all backgrounds, with all kinds of experience, and in all types of libraries are encouraged to apply for the 3rd-annual program.

Members of the Indiana State Library Professional Development Committee will review all applications as part of a competitive selection process. Only **applications** completed by the **April 4, 2014** deadline, including all letters of reference, and meet **requirements** will be considered. Please contact Emily Schaber, Certification Program Consultant, at 317-234-6217 or [emschaber@library.in.gov](mailto:emschaber@library.in.gov) for more information. Visit [www.in.gov/library/illa.htm](http://www.in.gov/library/illa.htm) for members and projects of previous cohorts.
