## New Renewal Dates & Rates Set for INfo Express

Renewal requests for the 2013 INfo Express service year are due July 31st. As announced last March, the pricing structure for INfo Express changes effective January 1, 2014. These changes reflect cost increases in the current courier's service contract that went into effect in December 2012. However, the Indiana State Library will subsidize all libraries additional cost for the remainder of 2013. This means that the bill for the 2013-2014 service year will reflect six months at the old cost and six months at the new cost. Starting with the 2014-2015 fiscal year, the new rates will apply.

The subsidized cost for one day a week service for 52 weeks is \$87.50 for the 2013-2014 service year. Most school and academic libraries, and all public library districts that meet Public Library Standards are eligible. Please note that branch libraries are not eligible for subsidies. Additional weekly stops may be added at the \$537.50 per day rate. The chart below reflects the new pricing structure:

	2013-2014 Rate*		2014-2015 Rate
	In Standards	All Others	In Standards
1st Day Rate	\$ 87.50	\$ 537.50	\$ 100.00
Two Day	\$ 625.00	\$ 1075.00	\$ 725.00
Three Day	\$ 1,162.50	\$ 1,612.50	\$ 1,350.00
Four Day	\$ 1,700.00	\$ 2,150.00	\$ 1,975.00
Five Day	\$ 2,237.50	\$ 2,687.50	\$ 2,600.00

### Resource Sharing Rate

As an added incentive to promote resource sharing throughout Indiana's library community, the Indiana State Library also offers a discounted second delivery day rate to libraries that are major active net lenders to Indiana libraries through OCLC's WorldCat, Evergreen Indiana or similar consortium.

Eligible libraries may submit documentation demonstrating that they are an active net lender by emailing Steven Schmidt, Library Development Office Supervisor, at [steschmidt@library.in.gov](mailto:steschmidt@library.in.gov). Approved active lending libraries will receive an additional day of delivery provided at the subsidized Resource Sharing rate of \$250, rather than the normal 2013-2014 daily rate of \$537.50.
