In his free time, Mr. Swanay enjoys being outdoors, and is an avid bicyclist, walker and hiker. He has already had a chance to rent a bike and explore the Monon Trail, which he enjoyed immensely. He and his wife, Donna, have one daughter, who is attending college at East Tennessee State University. They also have a dog and a cat.

Mr. Swanay is a graduate of East Tennessee State, where he received a Bachelor of Fine Arts. He continues to enjoy painting, drawing, and writing. He received his Masters of Information Science from the University of Tennessee. The Swanays are excited to be moving to Carmel.

"I continue to believe that libraries are and will remain an important and critical element of the fabric of American society. Libraries bring communities together and foster learning and mutual understanding, and we need all of that we can get," states Mr. Swanay. "I'm excited about the success, vibrancy and high usage of the Carmel Clay Library."

His first day will be Monday, November 7.
