The shooting resulted in one person being shot and killed and six other people injured by the gunfire. Officer Swallow investigated further and followed up with a permit visit. **Electronic Meeting Policy**

**I. PURPOSE**

The purpose of this policy is to explain the legal requirements and process by which members of the Indiana Alcohol and Tobacco Commission (“Commission” or “ATC”) may participate in a public meeting using electronic means of communication.

**II. POLICY**

In order to facilitate participation in public meetings when physical presence is not feasible or possible, it is the policy of the Commission to allow participation at public meetings by means of electronic communication in accordance with Ind. Code § 5-14-1.5 *et seq.*

**III. LEGAL AUTHORITY**

According to Indiana’s Open Door Law (“ODL”), set forth in IC 5-14-1.5 *et seq.*, any official action of a public agency be conducted and taken openly, unless otherwise expressly provided by statute, so that the people of the State of Indiana may be fully informed.<sup>1</sup> As such, the ODL requires that all meetings of the governing bodies of public agencies must be open at all times for the purpose of permitting members of the public to observe and record them.<sup>2</sup> A member of the governing body of a public agency who is not physically present at a public meeting of the governing body may participate in a meeting by any electronic means of communication that permits the member, all other members participating in the meeting, and all members of the public physically present at the place where the meeting is conducted to simultaneously communicate with each other during the meeting.<sup>3</sup>

In order to be in compliance with ODL requirements, the adoption of a policy setting parameters around virtual meetings is mandatory for electronic participation.<sup>4</sup> Additionally, a copy of the policy adopted by the governing body of a public agency must be posted on the agency’s Internet website.<sup>5</sup>
