BMV Expands Kiosk Program

INDIANAPOLIS—The Indiana Bureau of Motor Vehicles (BMV) announced today that with the introduction of two new BMV Connect kiosks in Huntington and Nappanee it now has 54 kiosk locations available to customers across the state.

Over one million transactions were processed on a kiosk in 2022 and that volume is projected to grow this year. Most kiosks are available 24 hours a day, seven days a week and offer more than a dozen common transactions. Those transactions include getting a new registration, renewing a registration, renewing a driver's license or ID, getting a duplicate title, or getting an official driving record, and much more.

The new kiosk located in the Huntington branch, 240 S. Jefferson St., Huntington, IN 46750, is available 24-hours a day, seven days a week.

The Nappanee kiosk is located at Martin's Supermarket, 242 N. Oakland Ave., Nappanee, IN 46550, and is available 6:00 a.m. – 10:00 p.m., seven days a week.
