

# Indiana Dairy Product Buyer's Guide

[www.in.gov/boah](http://www.in.gov/boah)

Indiana State Board of Animal Health

2015

Today's consumers have many options when it comes to purchasing dairy products. Alongside the national brands sold at major retailers, Indiana also has a number of dairy processors who sell regionally, or locally, direct to the public. Several of these are farmsteads, where milk from the cows or goats on that farm is used in the products. Below is a list of those processors who specialize in cheese, ice cream, and fluid milk.

| Product      | Dairy Processor          | Location      | Contact Information  |
|--------------|--------------------------|---------------|--|
| Cheese       | Caprini Creamery**       | Spiceland     | <a href="http://www.caprinicreamery.com">www.caprinicreamery.com</a>           |
|              | Capriole Dairy*          | Greenville    | <a href="http://www.capriolegoatcheese.com">www.capriolegoatcheese.com</a>     |
|              | Deutsch Kase Haus        | Middlebury    | <a href="http://www.babyswiss.com">www.babyswiss.com</a>                       |
