About the Indiana Commission for Higher Education

Created in 1971, the Indiana Commission for Higher Education (CHE, Commission) is the State's coordinating agency, driven to improve economic and social mobility for fellow Hoosiers through higher education, and is a part of Governor Mike Braun's Office of Education. The Commission's [HOPE \(Hoosier Opportunities & Possibilities through Education\) Agenda](#) serves as the agency's strategic plan and mission through 2030, providing seven goals around enrollment, completion, and graduate retention efforts. The Commission also administers Indiana's state financial aid programs, including [21st Century Scholars](#), which celebrates 35 years in 2025.
