In preparing the SIS data, staff employs a rigorous editing and review process, through which all significant errors are eliminated for each of the above institutions.

The attached document details the basic enrollment figures for 2009-2010 in Indiana public postsecondary education (headcount, credit hour, and FTE). Headcount and FTE figures for 2008-2009 are also listed for comparison with the 2009-2010 data.
