DISCUSSION ITEM B: Master Capital Plan for Ivy Tech Community College of Indiana

Background

At the request of several Commission members, staff has asked all of the public postsecondary institutions to provide an overview of their long term master capital plan. The goal is to provide Commission members with information regarding major capital projects that are planned for each campus in order to understand the impact of such projects as they are submitted to the Commission for review.

Ivy Tech will present their long term master capital plan to the Commission during the December 2011 meeting.

The remaining institutions will be asked to present their long term master capital plans to the Commission during meetings occurring from December 2011 through April 2012.
