Subject: Ivy Tech Community College Terre Haute Health Science Renovation Project F-0-26-2-02  
Ivy Tech Community College Sellersburg New Building Project F-0-26-9-03

Dear Governor Braun,

Ivy Tech is seeking state approval to move forward with two projects: 1) Terre Haute Health Science Renovation Project F-0-26-2-02; and 2) Sellersburg Technical Center New Building Project F-0-26-9-03.

The College has identified funds for both projects, and both projects are subject to your approval and review by the Commission for Higher Education ("CHE") and the State Budget Committee ("SBC").

Ivy Tech Community College State Board of Trustees ("Board") approved the Terre Haute project on October 2, 2025. The total project cost of \$3,000,000 would be funded from \$2,400,000 in Grant and Foundation (donation) funds and \$600,000 in campus funds. The State Board approved the Sellersburg project on December 4, 2025. The total project cost of \$12,806,997 would be funded from College unrestricted net assets, \$7,200,000 in campus funds and \$5,600,000 in donations.

We respectfully request your approval of both Terre Haute and Sellersburg Projects. If you have any questions, please contact Amanda Wilson, Vice President of Capital Planning and Facilities, [ajwilson@ivytech.edu](mailto:ajwilson@ivytech.edu), or Mary Jane Michalak, Senior Vice President of Legal and Public Affairs at [mmichalak@ivytech.edu](mailto:mmichalak@ivytech.edu).

Thank you,
