

Commission on Improving the Status of Children in Indiana

Committee: Data Sharing and Mapping

Date: 4/19/21

Summary of Recent Progress:

- Information Sharing Guide – The Committee continues to pursue updating the Information Sharing Guide and will be utilizing additional staffing this summer to complete updates to the app as well as the legal white paper.
- Vulnerable Youth Dashboard – The Committee is working on outreach and engagement with relevant agencies to determine the scope of the data to be presented and what further information is needed. MPH and DOE have connected and are in planning to fund this work through the Statewide Longitudinal Data System (SLDS) grant.

Anticipated Date for Presenting Completed Deliverables or Recommendations to the Commission:

- Information Sharing guide – The Committee hopes to be able to present updates to the Info Sharing Guide this Fall.
- Vulnerable Youth Dashboard – The Committee expects to review a draft project charter at its next meeting, in May, which will provide a more detailed timeline.
