Position Paper on the Appropriate use of ACEs	<p>Risks in using the ACEs as a screening tool. Our group has an opportunity to present to the commission. ACEs master triainers only have about 15 minute update. By this time, a possible recommendation to adopt policies that don't use them as a screening tool.</p> <p>Client/patient history --- yes Qualifying for services – no This should not be used to determine if youth needs services.</p> <p>Rob Anda and Laura Porter will be on board with our statement – based on our relationship with them and the ACEs coalition and provided specific</p>		<p>Next Steps:</p> <ol style="list-style-type: none"> 1. Position paper for CISC (David Westenberger will draft) 2. Draft will be discussed and looked over at our next meeting 		
NCTSN did not get funded	<p>The project submitted by IU that would have involved this Committee as an advisory panel was not selected for funding this round.</p> <p>There was, however, a site led by Centerstone of Indiana was funded. Per SAMHSA, "Centerstone Trauma Treatment and Training will increase capacity for and access to trauma-focused treatment and services in 5 Indiana counties (Delaware, Fayette, Henry, Union, and Wayne) for children and adolescents (ages 2-17) and their families who experience traumatic events</p>
