OVERVIEW

The Family Violence Prevention and Services Act (FVPSA) authorizes the FVPSA grant program, which is governed by the Department of Health and Human Services (HHS) Administration on Children, Youth and Families (ACYF)/Family and Youth Services Bureau (FYSB). The purpose of the American Rescue Plan (ARP) supplemental funding to Support Survivors of Sexual Assault is to (1) assist with the transition to virtual/remote services for rape crisis centers, sexual assault programs, tribal programs, and culturally specific programs that provide crisis services, support services, and assistance to survivors of sexual assault, and (2) support the increased emergency needs as a result of the COVID-19 public health emergency for those victims of sexual assault outside of intimate partner violence.

PROGRAM SCOPE

Activities supported by this program are determined by state and federal statutes, federal regulations, and ICJI policies. If an applicant receives an award, the funded project is bound by the provisions of this solicitation, as well as any applicable federal and state laws, regulations, and policies. All grants from the ICJI Victim Services Division are **reimbursement** grants. Verification of expenses along with verification of payment of expenses must be provided to ICJI on a monthly or quarterly basis prior to reimbursement of expenses.

ELIGIBILITY

Eligible applicants include local public agencies and nonprofit private organizations including faith-based and charitable organizations, community-based organizations, tribal organizations, and voluntary associations that assist victims (and their dependents) of sexual assault and have a documented history of effective work involving sexual assault outside of intimate partner violence. An entity may apply, but will not be eligible for a grant until the entity has prequalified through a series of threshold requirements including, but not limited to:

1. *Unique Entity ID:* A Unique Entity ID (UEI) issued through the System for Award Management (SAM) is required to receive funding. The UEI is entered in the *Project Information* section of the grant application. For more information and/or to obtain a UEI, please visit the following [website](#).
2. *System for Award Management (SAM) Registration:* To enable ICJI to report subawards in a timely manner, subgrantees are also required to register with the System for Award Management (SAM). SAM is a federally-owned and operated free website, and it is used to reference the information needed to report subaward information to the federal government. When registering, please ensure you do *not* mark your agency as private, which will prohibit ICJI from verifying your registration and ensuring that your agency has an active SAM registration during the entirety of the grant period if funding is awarded. In order to register, you must have a UEI number. Registration can be done by clicking [here](#).
1. Review of agency's good standing with Indiana Department of Revenue (DOR), Indiana Department of Workforce Development (DWD), and Secretary of State (SOS).

FUNDING AVAILABILITY

The approximate funding available is \$500,000 for this twelve-month (12) grant award period. ICJI estimates providing 5-10 awards in the amount of \$10,000 to \$100,000.

APPLICATION SUBMISSION

Completed applications and all required documentation are to be submitted through IntelliGrants no later than 11:59 p.m. (ET) on **Wednesday, August 14th, 2024**.

IntelliGrants is an end-to-end solution for the administration of grants. Everything from the grant application, reports, and fiscal drawdowns will occur online within IntelliGrants. Applicants must register in IntelliGrants to apply for funding opportunities. Instructions can be found on the ICJI [website](#).

It is recommended that subgrantees review IntelliGrants training materials before logging in for the first time. The [Subgrantee User Manual](#) is available on the ICJI website and on the training tab in IntelliGrants. ICJI is not responsible for applicants who fail to submit a timely application due to technical difficulties that occur within forty-eight (48) hours of the deadline.

The award period for this grant shall be October 1, 2024 – September 30, 2025. Projects should begin on October 1, 2024, and must be in operation no later than sixty (60) days after this date. Failure to have the funded project operational within sixty (60) days from October 1, 2024, will result in the cancellation of the grant and the de-obligation of all awarded funds.

All projects must conclude, and all funding obligations must be made no later than September 30, 2025. All outstanding expenses must be paid, and the Final Fiscal Report must be submitted via IntelliGrants within thirty (30) days from September 30, 2025. PROGRAM REQUIREMENTS

I. CONFIDENTIALITY

In order to ensure the safety of adult, youth, and child victims of family violence, domestic violence, or dating violence, and their families, FVPSA-funded programs must establish and implement policies and protocols for maintaining the confidentiality of records pertaining to any individual provided domestic violence services. Subgrantees may not disclose, reveal, or release personally identifying information (PII) or individual information collected in connection with services requested, utilized, or denied through its programs, regardless of whether the information has been encoded, encrypted, hashed, or otherwise protected.

PII includes information such as an individual's name, address, other contact information, and social security number. It can also include information such as an individual's race, birth date, or number of children if, in the particular circumstances, that information would identify the individual.

FVPSA-funded programs cannot disclose any PII collected in connection with services; reveal PII without informed, written, reasonably time-limited consent; or require a victim to provide consent as a condition of eligibility for services (45 CFR § 1370.4(a) (1 – 3)). Additionally, consent to release PII shall be given by an unemancipated minor and the minor's parent or guardian, or in the case of an individual with a guardian, it shall be given by the individual's guardian (45 CFR § 1370.4 (b)).

II. TRAUMA-INFORMED PRACTICES AND INTERVENTIONS

Effective interventions and trauma-informed practices need to be in place to build skills and capacities that contribute to the healthy, positive, and productive functioning of individuals and families. An important component of promoting social and emotional well-being includes addressing the impact of trauma, which can have a profound effect on the overall functioning of victims of sexual assault.

III. ACCESSIBILITY

To comply with federal law, services must be widely accessible to all victims of family violence, domestic violence, and dating violence, and their dependents. Grantees must not discriminate on the basis of age, sex, disability, race, color, national origin, or religion (42 U.S.C. § 10406(c)(2)).

- *Sex or Gender Identity:* No person shall, on the ground of actual or perceived sex, including gender identity, be excluded from participation in, be denied the benefits of, or be subject to discrimination under, any program or activity funded in whole or in part through FVPSA (45 CFR § 1370.5(a)). FVPSA grantees and subgrantees must provide comparable services to victims regardless of actual or perceived sex, including gender identity. This includes providing access to services for all victims, including male victims of family, domestic, and dating violence and not limiting services for victims with adolescent children (under the age of 18). Victims and their minor children must be sheltered or housed together unless requested otherwise by the victim (45 CFR § 1370.5(a)(1)).
- *Sexual Orientation:* No person shall on the ground of actual or perceived sexual orientation be excluded from participation in, be denied the benefits of, or be subject to discrimination under, any program or activity funded in whole or in part through FVPSA (45 CFR § 1370.5(c)).
- *Disability:* An individual with a disability shall not, solely by reason of her or his disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance or under any program or activity conducted by an Executive agency.
- *Religious Freedom:* Programs shall not, in providing services, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice.
- *Limited English Proficiency:* Subgrantees are required to take reasonable steps to provide services to persons with limited English proficiency (i.e., individuals who do not speak English as their primary language and who have a limited ability to read, write, speak, or understand English, including deaf and hard of hearing persons).
- *Immigration Status:* As per 45 CFR § 1370.5(d), all FVPSA-funded services must be provided without requiring documentation of immigration status since FVPSA-funded services do not fall within the definition of federal public benefit that would require verification of immigration status.
- *Human Trafficking:* FVPSA-funded programs are strongly encouraged to safely screen for and identify victims of human trafficking who are also victims or survivors of domestic violence or dating violence and provide services that support their unique needs (45 CFR § 1370.10(d)).

- *Voluntary Services:* Services must be provided on a voluntary basis and no condition may be applied for the receipt of emergency shelter (42 U.S.C. § 10408(d)(2)).
- *Inappropriate Screening:* Subgrantees cannot impose conditions for admission to shelter by applying inappropriate screening methods (45 CFR § 1370.10(b)(10)) such as criminal background checks, sobriety requirements, requirements to obtain specific legal remedies, or mental health or substance use disorder screenings.
- *Income:* Services and resources supported by FVPSA cannot have any income eligibility requirements imposed upon individuals seeking to access those services and resources. FVPSA funded programs also cannot charge fees for the services provided.

IV. BACKGROUND CHECKS

Subgrantees are required to perform background checks on all employees and volunteers who work directly with victims/survivors biennially. At a minimum, agencies should complete background checks through the Indiana State Police. ICJI will verify background checks have been completed during on-site and/or desk review monitoring.

- COVID-19 related expenses including PPE, onsite testing, and vaccines.
- Public awareness, outreach, and COVID-19 prevention costs including development of materials and printing.

3. A copy of all written contracts for contractual or consultant services shall be attached in IntelliGrants to the grant file upon their ratification.
4. Payments shall be supported by documentation outlining the services rendered, date(s) of service, and cost of service.
5. Any consultant costs exceeding the allowable rate (maximum of \$81.25 per hour or \$650 per day) will not be allowed.

INDIRECT COSTS

Indirect costs are costs of an organization that are not readily assignable to a particular project but are necessary to the operation of the organization and the performance of the project. Indirect costs are those that benefit more than one activity and are common or joint purpose costs.

Requesting Indirect Costs: Requesting indirect costs is optional. Applicants do not have to request indirect costs, but it is allowable. To calculate indirect costs, applicants must first determine the Modified Total Direct Costs (MTDC) amount of the project budget. Indirect costs that can be requested are not based on the entire project budget, but on the MTDC amount.

Applicants have two options when requesting Indirect Costs: using a formal Indirect Cost Rate Agreement (ICRA) or using a *de minimis* rate. These two options are outlined below.

1. Indirect Cost Rate Agreement (ICRA)

- This is a formal rate agreement that an organization has applied for and received from the federal cognizant agency (ICJI does not approve ICRA's).
- Organizations will have a letter or other documentation that lists the federally negotiated rate.
- The rate in the ICRA must be accepted, unless otherwise specified by federal awarding agency.
- Applicants can request the percentage (as outlined in the ICRA) of the MTDC of their budget for indirect costs.

2. *De Minimis* Rate

- This can be used by organizations that have never had a federally approved Indirect Cost Rate Agreement.

- Can use a rate of up to 10% of the MTDC of their budget for indirect costs.
- If an applicant elects to use the *de minimis* rate of 10% of MTDC, then it must provide a list of indirect costs and the calculation used to determine the amount charged.

If an applicant elects to include indirect costs in their proposed grant budget, this intent must be included the Budget Narrative section of the application. In addition, if the applicant has an ICRA, the approved agreement must be uploaded in the attachment section of the application. If an applicant is requesting to utilize a *de minimis* rate, then an attachment must be uploaded in IntelliGrants indicating how the indirect costs were calculated and the costs assigned as indirect.

MATCH

The match or cost-sharing requirement in section 306(c)(4) of the Family Violence Prevention and Services Act (FVPSA) shall **NOT** apply to this supplemental funding.

ATTACHMENTS REQUIRED WITH APPLICATION

1. *Total Agency Budget:* If the applicant agency is a nonprofit, nongovernmental entity, please complete and upload a “Subgrantee Basic Budget (non-profit Applicant budget form)”. Be sure to complete both the Organizational tab and the Employee tab. The form can be found on the ICJI website [here](#). *This does not apply to units of government.*
2. *Indirect Cost Rate:* If the applicant agency has a federally approved indirect cost rate, ICJI will accept this rate. You must provide ICJI with a copy of the approval letter showing the rate and effective date. If the applicant elects to use the *de minimis* rate of 10% of MTDC, then you must provide a list of indirect costs and the calculation used to determine the amount charged.
3. *Sustainability Plan:* Please attach a document detailing the Applicant’s plan to maintain the program once the grant fund period expires.
4. *Timeline:* Please attach a timeline for the completion of the Project and/or expenditure of the grant funds.
5. *Letters of Endorsement:* Please attach at least one letter of endorsement evidencing community support for the applicant’s FVPSA ARP Sexual Assault program.
6. *Miscellaneous*

 - B. If applicable, attach other requested information.

1. Costs must be necessary and reasonable for the stated purpose of the grant.

3. Costs must conform to any limitations or exclusions set forth in 45 C.F.R. Part 75 or the FVPSA Grant Program Requirements.
4. Costs must be consistent with policies and procedures of the FVPSA grant program and applied uniformly.
5. Costs must be adequately documented with supporting materials including receipts, invoices, timesheets, paystubs, etc. The ICJI supporting documentation policy can be found [here](#).

APPLICATION REVIEW

Pursuant to 45 C.F.R. Part 75, ICJI will review and score all grant applications as part of the competitive application process. Specifically, ICJI will assess:

- The completeness of the grant application;
- Whether the grant application is within the purpose areas of the funding;
- The applicant's eligibility;
- Whether the grant application, the applicant, and the project are in compliance with all federal and state laws, regulations, and rules;
- Whether the proposed expenditures set forth in the project budget are allowable and allocable;
- Any potential conflicts of interest;
- Whether the applicant has any federal and/or state debt delinquency;
- The applicant's ability to successfully pass clearance checks from the DOR, DWD, and SOS.

- Any and all risk associated with granting funds to the applicant;
- Whether the applicant is debarred or suspended by any federal or state department or agency; and
- Whether the applicant maintains a current registration in SAM and has an active UEI number.

CONTRACT REQUIREMENTS

All applicants that are awarded funding from ICJI must agree to:

1. Enter into a Grant Agreement between ICJI and the applicant agency and agree to abide by all provisions of the Grant Agreement.
2. Enter into agreement to abide by all Special Conditions detailed in the Certified Assurances and Special Conditions.
3. Submit all reports in the prescribed format and time frames determined by ICJI.
4. Comply with federal guidelines contained within 45 C.F.R. found [here](#).

SUPPLANTING

Federal funds must be used to supplement existing funds for program activities and cannot replace or supplant non-federal funds that have been appropriated for the same purpose. Supplanting occurs when a state, local, or tribal government reduces state, local, or tribal funds for an activity specifically because federal funds are available (or expected to be available) to fund that same activity.

MONITORING

All grant awards will be monitored by an ICJI Grant Manager and/or ICJI's Compliance Monitoring team using a combination of desk reviews and site visits. Additionally, the Grant Manager will review all submitted reports for timeliness and accuracy. Delinquencies and report contents will be addressed as needed by ICJI staff. Late and repeated incorrect reports could disqualify subrecipients from future funding.

AUDIT REQUIREMENTS

Pursuant to 45 C.F.R. Part 75, recipients of federal funds are subject to annual audit requirements.

1. *Audit required:* A non-federal entity that expends \$750,000 or more during the non-Federal entity's fiscal year in Federal awards must have a single or program-specific audit conducted for that year in accordance with the provisions of this part.

2. *Single audit:* A non-federal entity that expends \$750,000 or more during the non-Federal entity's fiscal year in Federal awards must have a single audit conducted in accordance with §75.501 Scope of audit except when it elects to have a program-specific audit conducted in accordance with paragraph (c) of this section.
3. *Program-specific audit election:* When an entity expends Federal awards under only one Federal program (excluding research and development) and the Federal program's statutes, regulations, or the terms and conditions of the Federal award do not require a financial statement audit of the entity, the entity may elect to have a program-specific audit conducted in accordance with §75.507 Program-specific audits. A program-specific audit may not be elected for research and development unless all of the Federal awards expended were received from the same Federal agency, or the same Federal agency and the same pass-through entity, and that Federal agency, or pass-through entity in the case of a subrecipient, approves in advance a program-specific audit.
4. *Exemption when federal awards expended are less than \$750,000:* A non-federal entity that expends less than \$750,000 during the non-Federal entity's fiscal year in Federal awards is exempt from Federal audit requirements for that year, except as noted in §200.503 Relation to other audit requirements, but records must be available for review or audit by appropriate officials of the Federal agency, pass-through entity, and Government Accountability Office (GAO).
5. *Federally Funded Research and Development Centers (FFRDC):* Management of an entity that owns or operates a FFRDC may elect to treat the FFRDC as a separate entity for purposes of this part.
6. *Subrecipients and Contractors:* An entity may simultaneously be a recipient, a subrecipient, and a contractor. Federal awards expended as a recipient or a subrecipient are subject to audit under this part. The payments received for goods or services provided as a contractor are not Federal awards. Section §75.351 Subrecipient and contractor determinations sets forth the considerations in determining whether payments constitute a Federal award or a payment for goods or services provided as a contractor.
7. *Compliance responsibility for contractors:* In most cases, the entity's compliance responsibility for contractors is only to ensure that the procurement, receipt, and payment for goods and services comply with Federal statutes, regulations, and the terms and conditions of Federal awards. Federal award compliance requirements normally do not pass through to contractors. However, the entity is responsible for ensuring compliance for procurement transactions, which are structured such that the contractor is responsible for program compliance or the contractor's records must be reviewed to determine program compliance. Also, when these procurement transactions relate to a major program, the scope of the audit must include determining whether these transactions are in compliance with Federal statutes, regulations, and the terms and conditions of Federal awards.
8. *For-profit subrecipient:* Since this part does not apply to for-profit subrecipients, the pass-through entity is responsible for establishing requirements, as necessary, to ensure compliance by for-profit subrecipients. The agreement with the for-profit subrecipient must describe applicable compliance requirements and the for-profit subrecipient's compliance responsibility. Methods to ensure compliance for Federal awards made to for-profit subrecipients may include pre-award audits, monitoring during the agreement, and post-award audits. See also §75.352 Requirements for pass-through entities.

APPENDIX A: APPLICABLE LAWS AND MANDATORY REQUIREMENTS

I. GENERAL

This award is governed by 45 C.F.R. Part 75. All applicants must adhere to all provisions set forth in federal and state statutes, regulations, and rules. Failure to abide by any applicable federal and state requirements may, at the discretion of the State, be considered a material breach. The consequences of a material breach include, but are not limited to:

- The applicant becoming ineligible for this grant funding opportunity;
- Requiring repayment of any grant funds already received;
- The de-obligation of grant funds; and
- The material breach becoming a factor in the scoring process for future grant applications.

Furthermore, subgrantees may not obligate, expend, or draw down grant funds until the Federal Office of the Chief Financial Officer notifies the State that the grant has been awarded to Indiana. The State shall not reimburse a subgrantee for expenditures outside the grant period of performance unless such expenditures are permitted under all applicable state and federal laws, rules, regulations, and policies and approved by ICJI.

Pursuant to 45 C.F.R. Part 75, all applicants are required to establish and maintain grant accounting systems and financial records to accurately account for funds awarded to them.

The applicant understands and agrees that it cannot use federal funds from different funding sources for one or more of the identical cost items, in whole or in part. If this scenario presents itself, the Applicant must contact the ICJI program manager in writing and refrain from the expenditure, obligation, or draw down of any federal funds awarded from ICJI concerning the identical cost items.

II. CIVIL RIGHTS LAWS AND REQUIREMENTS

Recipients of federal grants are required to adhere to all federal and state laws concerning civil rights including, but not limited to, the laws set forth below.

- *Nondiscrimination*: Pursuant to the Indiana Civil Rights Law, specifically including IC § 22-9-1-10, and in keeping with the purposes of the federal Civil Rights Act of 1964, the Age Discrimination in Employment Act, and the Americans with Disabilities Act, the Applicant covenants that it shall not discriminate against any employee or applicant for employment relating to this grant with respect to the hire, tenure, terms, conditions or privileges of employment or any matter directly or indirectly related to employment, because of the employee or applicant's race, color, national origin, religion, sex, age, disability, ancestry, status as a veteran, or any other characteristic protected by federal, state, or local law ("Protected Characteristics"). Furthermore, Applicant certifies compliance with applicable federal laws, regulations, and executive orders prohibiting discrimination based on the Protected Characteristics in the provision of services.

Applicant covenants that it shall not discriminate against any individual based on actual or perceived race, color, national origin, religion, sex, disability, sexual orientation, or gender identity as outlined in the Violence Against Women Act Reauthorization Act of 2013.

The Applicant understands that the State is a recipient of federal funds, and therefore, where applicable, Applicant and any subcontractors shall comply with requisite affirmative action requirements, including reporting, pursuant to 41 C.F.R. Chapter 60, as amended, and Section 202 of Executive Order 11246 as amended by Executive Order 13672.

- *Services to Limited English Proficiency (LEP) Individuals:* In accordance with Department of Justice (DOJ) guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, recipients of federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with LEP. See U.S. Department of Justice, Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons, 67 Fed. Reg. 41, 455 (2002). For more information on the civil rights responsibilities that recipients have in providing language services to LEP individuals, please see this [website](#).
- *Ensuring Equal Treatment for Faith-Based Organizations:* Faith-based organizations are prohibited from using financial assistance from the DOJ to fund inherently (or explicitly) religious activities. While faith-based organizations can engage in non-funded inherently religious activities, they must hold them separately from the program funded by this grant, and recipients cannot compel beneficiaries to participate in these activities. The Equal Treatment Regulation also makes it clear that organizations participating in programs funded by the DOJ are not permitted to discriminate in the provision of services on the basis of the beneficiary's religion. For more information on the regulation, please see the Office of Civil Rights (OCR) [website](#).

Faith-based organizations should also note that the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, as amended, 42 U.S.C. § 3789(c); the Victims of Crime Act of 1984, as amended, 42 U.S.C. § 10604(e); the Juvenile Justice and Delinquency Prevention Act of 1974, as amended, 42 U.S.C. § 5672(b); and the Violence Against Women Act Reauthorization Act of 2013, Pub. L. no. 113-4, sec. 3(b)(4), 127 Stat. 54, 61-62 (to be codified at 42 U.S.C. § 13925(b)(13)) contain prohibitions against discrimination on the basis of religion in employment. Despite these nondiscrimination provisions, the DOJ has concluded that it may construe the Religious Freedom Restoration Act (RFRA) on a case-by-case basis to permit some faith-based organizations to receive DOJ funding while taking into account religion when hiring staff, even if the statute that authorizes the funding program generally forbids recipients from considering religion in employment decisions. Please consult with the OCR if you have any questions about the regulation or the application of RFRA to the statutes that prohibit discrimination in employment.

- *Using Arrest and Conviction Records in Making Employment Decisions:* The OCR issued an advisory document for recipients on the proper use of arrest and conviction records in making hiring decisions. See Advisory for Recipients of Financial Assistance from the U.S. Department of Justice on the U.S. Equal Opportunity Commission's Enforcement Guidance: Consideration of Arrest and Conviction Records in Employment Decisions Under Title VII of the Civil Rights Act of 1964 (June 2013), available [here](#). Recipients should be mindful that the misuse of arrest or conviction records to screen either applicants for employment or employees for retention or promotion may have a disparate impact based on race or national origin, resulting in unlawful employment discrimination. In light of the advisory, recipients should consult local counsel in reviewing their employment practices. If warranted, recipients should also incorporate an analysis of the use of arrest and conviction records in their Equal Opportunity Plans (EEOs).

- *Complying with the Safe Streets Act:* An organization that is a recipient of financial assistance subject to the nondiscrimination provisions of the Safe Streets Act, must meet two obligations: (1) complying with the federal regulation pertaining to the development of an EEOP (see 28 C.F.R. pt.42, subpt. E) and (2) submitting to the OCR findings of discrimination (see 28 C.F.R. §§ 42.204(c),.205(c)(5)).
- *Meeting the EEOP Requirement:* If your organization has less than fifty employees or receives an award of less than \$25,000 or is a nonprofit organization, a medical institution, an educational institution, or an Indian tribe, then it is exempt from the EEOP requirement. To claim the exemption, your organization must complete and submit Section A of the Certification Form, which is available online [here](#).

If your organization is a government agency or private business and receives an award of \$25,000 or more, but less than \$500,000, and has fifty or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare a Utilization Report (formerly called an EEOP Short Form), but it does not have to submit the report to the OCR for review. Instead, your organization has to maintain the Utilization Report on file and make it available for review on request. In addition, your organization has to complete Section B of the Certification Form and return it to OCR. The Certification Form is available [here](#).

If your organization is a government agency or private business and has received an award for \$500,000 or more and has fifty or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare a Utilization Report (formerly called an EEOP Short Form) and submit it to OCR for review within sixty days from the date of the award. For assistance in developing a Utilization Report, please consult the OCR's [website](#). In addition, your organization has to complete Section C of the Certification Form and return it to the OCR. The Certification Form is available [here](#).

To comply with the EEOP requirements, you may request technical assistance from an EEOP specialist at the OCR by telephone at (202) 307-0690, by TTY at (202) 307-2027, or by e-mail at EEOSubmission@usdoj.gov.

- *Ensuring Access to Federally Assisted Programs:* Federal laws that apply to recipients of federal grant awards prohibit discrimination on the basis of actual or perceived race, color, national origin, religion, sex, disability, sexual orientation, or gender identity in funded programs or activities, not only in employment but also in the delivery of services or benefits. Federal law also prohibits recipients from discriminating on the basis of age in the delivery of services or benefits.
- *Enforcing Civil Rights Laws:* All recipients of federal financial assistance, regardless of the particular funding source, the amount of the grant award, or the number of employees in the workforce, are subject to prohibitions against unlawful discrimination. Accordingly, the OCR investigates recipients that are the subject of discrimination complaints from both individuals and groups. In addition, based on regulatory criteria, the OCR selects a number of recipients each year for compliance reviews, audits that require recipients to submit data showing that they are providing services equitably to all segments of their service population and that their employment practices meet equal opportunity standards.
- *Meeting the Requirement to Submit Findings of Discrimination:* If in the three years prior to the date of the grant award, your organization has received an adverse finding of discrimination based on race, color, national origin, religion, or sex, after a due process hearing, from a state or federal court or from a state or federal administrative agency, your organization must send a copy of the finding to OCR. A copy must also be sent to the State.

III. STATE LAWS AND REQUIREMENTS

Recipients of grant funds from the State are required to adhere to all state laws concerning the receipt and use of grant funds from federal and state funding sources. Those laws include, but are not limited to, the laws set forth below.

- *State Ethical Requirements:* The Applicant and its agents shall abide by all ethical requirements that apply to persons who have a business relationship with the State as set forth in IC § 4-2-6, et seq., IC § 4-2-7, et seq. and the regulations promulgated thereunder. If the Applicant has knowledge, or would have acquired knowledge with reasonable inquiry, that a state officer, employee, or special state appointee, as those terms are defined in IC § 4-2-6-1, has a financial interest in the grant, the Applicant shall ensure compliance with the disclosure requirements in IC § 4-2-6-10.5 prior to the execution of this grant. If the Applicant is not familiar with these ethical requirements, the Applicant should refer any questions to the Indiana State Ethics Commission or visit the Inspector General's [website](#). If the Applicant or its agents violate any applicable ethical standards, the State may, in its sole discretion, terminate this grant immediately upon notice to the Applicant. In addition, the Applicant may be subject to penalties under IC §§ 4-2-6, 4-2-7, 35-44.1-1-4, and under any other applicable laws.
- *Indiana Secretary of State:* Pursuant to Indiana Code Title 23, applicant must be properly registered and owes no outstanding reports to the Indiana Secretary of State.
- *Telephone Solicitation of Consumers; Automatic Dialing Solicitations:* As required by Indiana Code § 5-22-3-7:
 - (1) the Applicant and any principals of the Applicant certify that

 - (B) will not violate the terms of IC § 24-4.7 for the duration of the grant agreement even if IC § 24-4.7 is preempted by federal law
- *Drug-Free Workplace Certification:* Applicant hereby covenants and agrees to make a good faith effort to provide and maintain a drug-free workplace as required by Executive Order 90-5, April 12, 1990. Executive Order 90-5 applies to all individuals and private legal entities who receive grants or contracts from State agencies. This clause was modified in 2005 to apply only to Contractor's employees within the State of Indiana and cannot be further modified, altered, or changed. Applicant will give written notice to the State within ten (10) days after receiving actual notice that the Applicant, or an employee of the Applicant in the State of Indiana, has been convicted of a criminal drug violation occurring in the workplace. False

certification or violation of the certification may result in sanctions including, but not limited to, suspension of grant payments, termination of the grant and/or debarment of grant opportunities with the State of Indiana for up to three (3) years.

In addition to the provisions of the above paragraphs, if the total amount set forth in this Grant Agreement is in excess of \$25,000.00, the Applicant certifies and agrees that it will provide a drug-free workplace by:

- *ICJI Policies and Requirements:* Recipients of grant funds from ICJI are required to adhere to all ICJI policies, procedures, and guidelines concerning the receipt and use of grant funds from both federal and state funding sources, including those directives, policies, and guidelines found on ICJI's [website](#).

APPENDIX B: DEFINITIONS

The following are definitions that will be used in carrying out FVPSA-funded program and activities.

Culturally Specific Services: Community-based services that include culturally relevant and linguistically specific services and resources to culturally specific communities. Culturally specific means primarily directed toward racial and ethnic minority groups including American Indian; Asian American; Native Hawaiian and other Pacific Islander; Blacks; and Hispanics.

Intimate Partner Violence (IPV): Domestic violence by a current or former spouse or partner in an intimate relationship against the other spouse or partner. IPV can take a number of forms, including physical, verbal, emotional, economic, and sexual abuse.

Personally Identifying Information or Personal Information: Individually identifying information for or about an individual, including information likely to disclose the location of a victim of domestic violence, dating violence, sexual assault, or stalking, regardless of whether the information is encoded, encrypted, hashed, or otherwise protected, including a first and last name; a home or other physical address; contact information (including a postal, e-mail or Internet protocol address, or telephone or facsimile number); a social security number, driver's license number, passport number, or student identification number; and any other information, including date of birth, racial or ethnic background, or religious affiliation, that would serve to identify any individual.

Rape Crisis Centers: The FVPSA Program authorizes for the ARP Grants to Support Survivors of Sexual Assault to be allocated in accordance with the Violence Against Women Act (VAWA). The term "rape crisis center" means a nonprofit, nongovernmental, or tribal organization, or governmental entity in a state other than a territory that provides intervention and related assistance to victims of sexual assault without regard to their age. In the case of a governmental entity, the entity may not be part of the criminal justice system (such as a law enforcement agency) and must be able to offer a comparable level of confidentiality as a nonprofit entity that provides similar victim services. Intervention and related assistance may include:

1. 24-hour hotline services providing crisis intervention services and referral.
2. Accompaniment and advocacy through medical, criminal justice, and social support systems, including medical facilities, police, and court proceedings.
3. Crisis intervention, short-term individual and group support services, and comprehensive service coordination and supervision to assist sexual assault victims and family or household members.
4. Information and referral to assist the sexual assault victim and family or household members.
5. Community-based, culturally specific services and support mechanisms, including outreach activities for underserved communities.
6. Development and distribution of materials on issues related to the services described in numbers 1 through 5 above.

Sexual Assault: The term "sexual assault" means any nonconsensual sexual act proscribed by Federal, tribal, or State law, including when the victim lacks capacity to consent.

Shelter: The provision of temporary refuge in conjunction with supportive services in compliance with applicable state or tribal law or regulations governing the provision, on a regular basis, of shelter, safe homes, meals, and supportive services to victims of family violence, domestic violence, or dating violence, and their dependents. State and tribal law governing the provision of shelter and supportive services on a regular basis is interpreted by

Administration for Children and Families (ACF) to mean, for example, the laws and regulations applicable to zoning, fire safety, and other regular safety, and operational requirements, including state, tribal, or local regulatory standards for certifying domestic violence advocates who work in shelter. This definition also includes emergency shelter and immediate shelter, which may include housing provision, rental subsidies, temporary refuge, or lodging in properties that could be individual units for families and individuals (such as apartments) in multiple locations around a local jurisdiction, tribe/reservation, or state; such properties are not required to be owned, operated, or leased by the program. Temporary refuge includes a residential service, including shelter and off-site services such as hotel or motel vouchers or individual dwellings, which is not transitional or permanent housing, but must also provide comprehensive supportive services. The mere act of making a referral to shelter or housing shall not itself be considered provision of shelter. Should other jurisdictional laws conflict with this definition of temporary refuge, the definition which provides more expansive housing accessibility governs.

Supportive Services: Services for adult and youth victims of family violence, domestic violence, dating violence, and sexual assault and their dependents that are designed to meet the needs of such victims and their dependents for short-term, transitional, or long-term safety and recovery. Supportive services include but are not limited to: direct and/or referral-based advocacy on behalf of victims and their dependents, counseling, case management, employment services, referrals, transportation services, legal advocacy or assistance, childcare services, health, behavioral health and preventive health services, culturally and linguistically appropriate services, and other services that assist victims or their dependents in recovering from the effects of the violence.

Underserved Populations: Populations who face barriers in accessing and using victim services, and includes populations underserved because of geographic location, religion, sexual orientation, gender identity, underserved racial and ethnic populations, and populations underserved because of special needs including language barriers, disabilities, immigration status, and age. Individuals with criminal histories due to victimization and individuals with substance use disorders and mental health issues are also included in this definition. The reference to racial and ethnic populations is primarily directed toward racial and ethnic minority groups (as defined in section 1707(g) of the Public Health Service Act (42 U.S.C. § 300(u-6)(g)), which means American Indians (including Alaska Natives, Eskimos, and Aleuts); Asian American; Native Hawaiians and other Pacific Islanders; Blacks; and Hispanics. The term “Hispanic” or “Latino” means individuals whose origin is Mexican, Puerto Rican, Cuban, Central or South American, or any other Spanish-speaking country. This underserved populations definition also includes other population categories determined by the Secretary or the Secretary’s designee to be underserved.

Virtual Services: The use of electronic devices, such as computers, tablets, and smartphones to provide services for survivors through a secure platform. These services will enable domestic violence and sexual assault programs to support survivors and their children via an internet connection, web portal, and two-way live video platforms.
