Key

Agency - The state agency responsible for generating, distributing and answering questions related to the excise tax.

Source Material - The reference/source where guidance related to the excise tax can be found.

State Distribution - The frequency at which counties receive excise tax revenue from the State.

Included in Settlement - Indicates whether excise tax dollars are distributed to local government units during the settlement process.

Remitted to State during Settlement Process - Indicates whether a portion of excise tax revenue is returned to the State during settlement.
