

ORDINANCE REGULATING FARMING ON OR NEAR CASS COUNTY PUBLIC HIGHWAYS

WHEREAS, the Cass County Commissioners maintain and repair county roads for the use and benefit of the Cass County Citizens; and

WHEREAS, part of the maintenance and repair of said roads includes prohibiting farming/agricultural operations near and on Cass County roads; and

WHEREAS, there is a need to regulate and control farming/agricultural operations in close proximity to said county public roads.

NOW, THEREFORE, BE IT RESOLVED AND ORDAINED BY THE CASS COUNTY COMMISSIONERS AS FOLLOWS:

1. No farming/agricultural operations shall occur either within the right of way of said county public highway or within 5 feet of the paved/improved portion of said public county highway.
2. That no farming/agricultural operations, which includes, but not necessarily limited to end rows and turn around shall occur within the above stated prohibited in the area.
3. The purpose of this ordinance is to prevent farming/agricultural operations from damaging and/or destroying Cass County public roads.
4. Any person violating this ordinance shall be subject to a daily fine up to \$500.00 for each day that this prohibited activity occurs.

DULY PASSED, ORDAINED, AND ADOPTED this 20 day of July, 2015, by the Cass County Commissioners.
