- IV. OPIOID SETTLEMENT FUNDS**
 - A. hear recommendations from Connie Moon work group for parameters/application process – discuss plan of action and time line – how you’d suggest the “buckets” work. I really liked your idea of a prevention bucket and a treatment bucket and then within that you might assign a set number of “grants” such as \$10K or \$25K, depending upon how you want to set that up. I agree that it should help as many services as possible while also making a meaningful impact.
