FALLOUT SHEL

& LICENSE OR PRIVILEGE

WHEREAS, The President of the United States has undertaken for the Nation an accelerated and strengthened civil defense program, including a fallout shelter program; and

WHEREAS, a fallout shelter survey has indicated that certain areas of the hereinafter described premises will afford persons protection from the hazard of fallout in the event of enemy attack;

NOW, THEREFORE, the undersigned, being the owner of the hereinafter described premises, or the person otherwise authorized to grant such license or privilege, does hereby voluntarily and without compensation, in consideration of the mutual promises expressed herein and in cooperation with the Federal, State, and local civil defense programs for measures to protect persons against the threat of fallout radiation from enemy attack, grant to the Federal Government, the State of

Indiana

and the political subdivision of Floyd County, and to the general public for use in accordance with civil defense shelter plans, the following license or privilege;

 A. Use of the basements, corridors, and other common areas of the building or structure situated at

and known as Floyd County Home, as well as any other common use parts of the said building or structure which the Federal Government and the political subdivision shall determine appropriate, including without limitation the rights to the public of ingress to and egress from the premises, for the sole purpose of temporarily sheltering persons during and after any and every actual or impending attack.

B. Further, the right to designate the said building or structure as a civil defense shelter, and to affix thereto, and maintain thereon, at no expense to the Grantor, such civil defense shelter and other signs as are determined appropriate, so long as there is no interference with the usual use of the premises for the carrying on of business therein.

- II. The Federal Government, said State and said political subdivision may place and maintain on the premises such appropriate shelter equipment and stocks as may be determined necessary, estimated to require approximately one (1) cubic foot per person of the shelter capacity; and it is expressly understood that the Grantor shall have no responsibility or liability for the care, protection, or maintenance of the shelter stocks, wilful damage or bad faith excepted. The shelter stocks and equipment placed in the licensed or privileged area are to be cared for and maintained by said political subdivision at no expense to the Grantor.
- III. The Grantor agrees that, during such reasonable periods as the premises are open for business, the political subdivision and the Federal Government, their authorized officers, agents, or representatives, shall have the right to inspect the premises, including any equipment and supplies stored thereon, so long as this license or privilege is in effect.

This license or privilege is granted on the express condition that it shall be valid and binding upon the heirs, assigns, or successors in interest of any nature whatsoever, this license or privilege may be revoked by ninety (90) days' written notice to the political subdivision and the Federal Government, sent by registered mail.

An act relieving persons or firms from liability when granting use of their premises for shelter in Civil Defense situations is found in:

> Burns Indiana Statutes Acts 1951, ch 268, Sec. 17, P. 780; 1953, ch 259, Sec. 4, P. 932.

KNOW ALL MEN BY THESE PRESENTS:	

The United States of America acknowledges the voluntary cooperation of the above-named Grantor in the civil defense program of the Nation; and his Government extends its appreciation for his uncompensated assistance. The above license or privilege is accepted and approved by the United States of America when completed in accordance with its terms and conditions and filed with its authorized representative.

Stewart I.

Assistant Secretary of Defense (Civil Defense)

LOCAL GOVERNMENT OFFICIAL

1. Forms may be signed by local official prior to contacting persons in control of structures for signature. Local government official's signature and title may be imprinted by rubber stamp or by using carbon paper, if so desired. Entries in blanks common to a given locality, such as, name of State and political subdivision and standard location code number, facility number, address of building or structure and name of building or structure may be typed, stamped, lettered or in longhand prior to contacting person in control of premises.

2. When forms have been executed by owner, retain original, return a copy to local field office of Army Corps of Engineers or Navy Bureau of Yards and Docks conducting the survey in your area; present owner with one copy. The local field offices are:
