AN ORDINANCE PERMITTING THE FLOYD COUNTY SHERIFF TO INCUR CREDIT CARD SERVICE CHARGES

WHEREAS, the Floyd County Sheriff presently purchases fuel, oil and related materials and supplies for departmental purposes from Thornton Oil Company by use of a credit card or cards; and

WHEREAS, in connection with these purchases by the Floyd County Sheriff, Thornton Oil Company provides certain accounting and computer services which assist the sheriff in monitoring fuel usage and consumption, scheduling vehicle service and repair, and assuring that fuel and related materials and supplies are utilized and consumed only for departmental purposes; and

WHEREAS, for the accounting and computer services rendered by Thornton Oil Company, Thornton levies and collects a monthly service fee or charge, the amount of which is a product of the value of the total monthly purchases by the Floyd County Sheriff; and

WHEREAS, the Indiana State Board of Accounts has recommended that, as no express statutory authority exists for the payment of 'service charges' in connection with the use of a credit card, the Board of Commissioners of the County of Floyd consider the adoption of an Ordinance pursuant to the provisions of I.C. 36-1-3, et seq. authorizing the use of a credit card by the Floyd County Sheriff and the payment of service charges in connection therewith.

NOW THEREFORE:

BE IT ORDAINED, that the Floyd County Sheriff be, and he hereby is, authorized to utilize a credit card for the purchase of motor fuel, motor oil, and related automotive materials and supplies, for departmental purposes, and is further authorized to incur and pay reasonable and necessary service fees and charges assessed by the vendor in connection with the use of such credit card.

BE IT FURTHER ORDAINED, that this ordinance shall be in full force and effect upon its passage.

SO ORDAINED, this 6 day of December, 1994.
