

FCO 2010 - X

**Floyd County Board of Commissioners**  
Ordinance Amending regarding Storm Water Ordinance FCO -

Whereas, the Floyd County Board of Commissioners met on March 16, 2010 on this matter pursuant to establishing authority over the storm water infrastructure and control;

Whereas, the County already has established authority for the control and management of storm water in the Floyd County Advisory Plan Commission jurisdiction;

Whereas, the County seeks to codify the method regarding operation, maintenance, and performance of storm water infrastructure in the unincorporated areas of the County and those areas under the authority of the City of New Albany's two mile planning and zoning control;

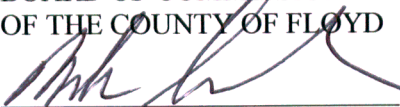

Whereas, County has the authority over these matters and sees this as a matter of public health and safety in both areas;

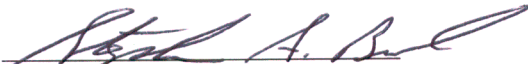

NOW, THEREFORE,

BE IT ORDAINED, that the Floyd County Commissioners approved the following process and procedure for the operation and maintenance of storm water infrastructure within the two mile fringe and unincorporated areas.

SO ORDAINED this 16<sup>th</sup> day of March, 2010.

BOARD OF COMMISSIONERS  
OF THE COUNTY OF FLOYD

  
Mark Seabrook, President

  
Stephen A. Bush, Commissioner

  
Charles Freiberger, Commissioner

ATTEST:

  
Teresa Plaiss, County Auditor

## **Section 1.01 – Title, Purpose and General Provisions**

This article shall control the following elements:

- A. Storm Water Illicit Discharge Control
- B. Construction Site Runoff Control
- C. Post-Construction Site Runoff Control

## **Section 2.13 Inspections and Maintenance**

C. Inspections shall be performed at all control measures every seven (7) days and within twenty-four (24) hours of a one half (0.5) inch rain event. The inspections will determine the overall effectiveness of the Grading and Storm water Pollution Prevention Plans, needed maintenance activities and the need for additional control measures.

G. Documentation of permittee performed inspections and inspection findings shall be made available within three (3) days of a request by Floyd County. Failure to post or timely submit documentation as requested will be assumed to indicate that inspections were not performed and may result in corresponding enforcement procedures. Inspection documentation shall include by shall not be limited to the following:

- 10. The name and signature of the Qualified Professional Inspector performing the inspection and the date of the inspection.
- 11. The Qualified Professional Inspector is responsible for the reporting the results of the inspection to the site owner or owner's representative including storm water quality management system maintenance needs.

## **Section 2.16 Maintenance**

Maintenance must be performed under the direction and/or supervision of a Qualified Professional Inspector.

C. Design of any new erosion prevention, sediment control and pollution prevention practices shall be performed under the direction and/or supervision of the site engineer according to the Grading and Pollution Prevention Plans.

## **Section 2.17 Qualified Professional Registrations and Certification**

A Qualified Professional is required to perform routine inspections and to report inspection results to the site owner or owner's representative to ensure that the Storm water Quality Management Permit provisions are being implemented properly.

- A. Floyd County reserves the right to require that Qualified Professional applicants be re-certified as often as every three (3) years.

- F. Floyd County shall give written notice to a Qualified Professional Inspector prior to revoking Qualified Inspector registration. The inspector shall be given an opportunity at an informal meeting to show cause why he/she should continue to be registered. Any Qualified Professional Inspector may appeal that decision by following the procedure set out in ordinance for re-instatement.
- G. If a Qualified Professional inspector loses his/her registration, he/she may apply to be re-installed contingent upon completing the requirements established in this ordinance after a period of at least one (1) year. The application to be re-instated shall not be permitted prior.

#### **Section 2.18 Fees**

- A. Floyd County reserves the right to require fees to cover expenses, including but not limited to overhead, labor, storage, training, etc., associated with the registration training and inspection process.
- B. Fees shall be paid prior to a certification training course and/or exam.
