

**Floyd County Building & Development
Request for Development Standards Variance**

Application #2 - Tract 2

**From Rocky Nardi
5281 Kruer Lane
Floyds Knobs Indiana
47119**

November 19th 2025

I have recently purchased an undeveloped 9.5 acre lot that shares a border with my residence property.

I wish to divide this property into 3 equal tracts and gift one to each of my 3 daughters.

They are land locked and due to the property layout, they will share a common driveway.

3. Variance Request:

Detail the variance request:

I would like to split the 9.5 acres into 3 tracts and gift one to each of my daughters. They will need to share a common driveway.

4. Zoning Map Amendment Justification:

Indiana Code and the Floyd County Zoning Ordinance establish specific criteria that each must be meet in order for a development standards variance to be approved. Describe how the variance request meets each of the following criteria:

1. Approval of the variance will not be injurious to the public health, safety, morals, and general welfare of the community:

It will not negatively impact the general welfare of the community. In fact this will ensure that several prominent Floyd Central graduates will remain in the area and enrich our community for generations to come.

2. The use and value of the area adjacent to the property included in the variance will not be affected in a substantially adverse manner:

When homes are erected on this property, they will exceed the median value of homes in the area and be a net positive to the surrounding property values.

3. The strict application of the terms of the zoning ordinance will result in practical difficulties in the use of the property:

This property is land locked and must share a common ingress/egress easment. As the future property owners are all sisters, they understand and accept this condition.

4. This variance (DOES / DOES NOT) involve a structure that is near an airstrip and regulated under Indiana Code 8-21-10.

5. Required Documents:

- ☒ \$300.00 Filing Fee
- ☒ Deed for subject property
- ☒ Affidavit of Ownership (if applicable)
- ☒ Site plan drawn to scale, signed, and dated which clearly shows the entire layout of the property and all features relevant to the variance request.
- ☒ Letter from Floyd County Health Department indicating this variance will not negatively affect the operation of a septic system, if applicable
- ☒ Cover letter summarizing variance request.

6. Signature:

The undersigned states that the above information is true and correct.
