

WHEREAS, the Board of Commissioners of the County of Floyd previously evidenced its intent to support and sponsor the undertakings of the Plum Run Sewer Steering Committee with respect to preliminary sewer planning and study in New Albany Township, Floyd County, Indiana; and

WHEREAS, said steering committee presently contemplates contracting for a preliminary study to determine the feasibility of installing sewers to alleviate existing sewage disposal problems in certain areas of Floyd County, Indiana; and

WHEREAS, The Board of Commissioners is presently desirous of evidencing its intent to contribute financial support toward the accomplishment of such preliminary study.

NOW THEREFORE, BE IT RESOLVED, that the Board of Commissioners of the County of Floyd shall request the Floyd County Council to appropriate a sum not to exceed \$1500.00 to help defray the cost of preliminary sewer study to be undertaken by the Plum Run Sewer Steering Committee.
