

Floyd County Resolution No. FCR 82-5

- WHEREAS, the Board of Commissioners of the County of Floyd is committed to the principle that each citizen of the County should have a home in a neighborhood that is safe, healthful and free from blight and deteriorating influences; and
- WHEREAS, it is recognized by the Board of Commissioners that low and moderate income households are often unable to afford actions to prevent the deterioration of their homes and neighborhoods; and
- WHEREAS, the unchecked advance of deteriorating influences throughout neighborhoods of the County decreases the overall housing stock available to low and moderate income households; and
- WHEREAS, the Congress of the United States has made available, through the Housing and Community Development Act of 1974 as amended and extended, funds to help communities arrest the decline of neighborhoods and to increase housing opportunities for low and moderate income households; and
- WHEREAS, under the above act of Congress the Community Development Block Grant (CDBG) Program has been made available to communities through the State of Indiana Department of Commerce (DOC); and
- WHEREAS, a Public Hearing was held on September 8, 1982 to solicit citizen input on how to best utilize CDBG funds in the County; and
- WHEREAS, upon consideration of the results of said Public Hearing and other relevant information, it has been determined that a substantial quantity of substandard housing acts to limit the housing opportunities of low and moderate income households of the County and further constitutes a blighting influence; and
- WHEREAS, DOC has invited the County to submit an application for CDBG funding to help alleviate the substandard housing conditions of low and moderate income households;
- NOW THEREFORE BE IT RESOLVED, that the Board of Commissioners of the County of Floyd designates Vincent H. Freiburger, President of the Board, as the Chief Executive Officer responsible for the FY 1982 CDBG program;
