

RESOLUTION NO. FCR 2022-16

RESOLUTION TO CONSENT TO TAKING SAMPLES ON PAOLI PIKE

Whereas, Floyd County has a right-of-way road easement from edge of payment to edge of payment along Paoli Pike in Floyd County, Indiana.

Whereas, Floyd County may have an additional easement beyond the edge of road but does not have a legal opinion regarding the same.

Whereas, the Indiana Department of Environment (IDEM) wants sample drillings of approximately 2 inches in diameter completed along Paoli Pike across from and approximately 1000 feet in either direction from the Callistus Smith Insurance business property.

Whereas, Callistus Smith has agreed to pay for the cost associated with obtaining the samples as requested by IDEM.

Whereas, Floyd County does not represent that the county has easement rights beyond the edge of the road.

Whereas, it is expected that the samples will be taken on or about the edge of payment.

Whereas, the County does not represent that it has an easement that would allow the drillings for core samples along Paoli Pike, but to the extent that the county does have rights to allow the drillings, the county consents to the drillings.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF FLOYD COUNTY, INDIANA, THAT:

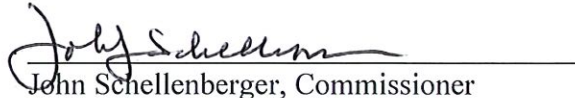

1. That Floyd County does not represent that it has an easement that would allow the drillings for core samples along Paoli Pike, but to the extent that the county does have rights to allow the drillings, the county consents to the drillings.

Passed and adopted by the Board of Commissioners of Floyd County, Indiana on the 4th day of October, 2022.
