

**Floyd County Storm Water Board Minutes**  
**Held: May 6, 2025**  
**4:30 P.M.**

**Welcome:**

Present: Commissioners Al Knable, Jason Sharp and Frank Loop, County Surveyor John Brinkworth, Storm Water Coordinator Chris Moore, GIS Tech Karalynn Flora, Director of Building & Development Nick Creevy, Engineer Horacio Urieta, Attorney Rick Fox and Secretary Teresa Plaiss.

**Program Maintenance:**

**Approval of Minutes – April 1 2024**

Mr. Knable made a motion to approve the minutes of April 1, 2025 as presented, seconded by Mr. Sharp. Motion carried by a vote of 4-0.

**Daily Maintenance Reports/ Claims – March 2024**

Mr. Moore stated he has received the work orders for March and will be included with the minutes. Mr. Knable asked if the work orders for Bridge 51 could be separated out to know the amount of work being done on that project for the month.

Mr. Sharp made a motion to approve the claims for May as submitted, seconded by Mr. Knable. Motion carried by a vote of 4-0.

**Old Business:**

**Erosion Control Report– April 2025 – Casey DeYoung, Heritage Engineering**

Mr. DeYoung stated there are eleven sites with off-site sedimentation. (The report is on file with the minutes.) Mr. Knable requested the erosion control report to be more detailed as to when the problem starts to when it is corrected in order to know where the repeat problems are occurring.

**New Business:**

**Vardon Village (PPA) – Variance from the Design Manual**

Mike Rich, Primavera Associates, requested a variance from the Design Manual to install smaller orifices in the three detention ponds in the Vardon Village Subdivision. Mr. Knable made a motion to approve the request, seconded by Mr. Sharp. Motion carried by a vote of 4-0.

**4201 Mel Smith Road (Amanda Steinberg) – Flooding/Drainage Issue**

Ms. Steinberg came before the Board to request help in ending a flooding/drainage issue she is experiencing on her property at 4201 Mel Smith Road, New Albany. Ms. Steinberg believes the cause for the water issues is due to the water runoff from The Church on the Rocks property and the Collin Receveur apartment complex that is near her property. Ms. Steinberg explained she purchased her property last fall and has now started experiencing these flooding issues.

The Board discussed the issue with Ms. Steinberg and asked if she has contacted Mr. Recevuer about the problems she is having and if not she should contact him. Mr. Knable suggested that someone from the County should contact Mr. Receveur also.

**QPI Training Event – May 21st**

Mr. Moore informed the Board QPI (Qualified Professional) training will be held on May 21<sup>st</sup>, 2025 300 Corporate Drive, Jeffersonville, Indiana sponsored by SWAC (Southern Indiana Stormwater Advisory Committee).

**2025 Customer Outreach Events - Recap**

**Earth Day Event – April 19<sup>th</sup> 9 A.M. until Noon at St. Mark's, New Albany**

Mr. Moore informed the Board that Earth Day was very well attended.

**Pollinator Day – April 26<sup>th</sup> Purdue Research Park, New Albany**

Mr. Moore stated Pollinator Day was a great success.

**Public Comment:**

No one from the public spoke.

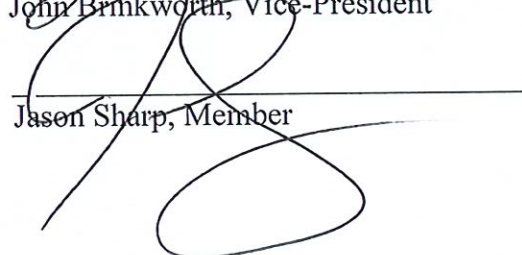

**Adjournment**

With there being no other business, a motion made by Mr. Sharp to adjourn, seconded by Mr. Knable. Motion carried. Meeting adjourned at 5:15 P.M. The next regular meeting of the Board on June 3, 2025 at 4:30 P.M, unless otherwise notified.
