

**Floyd County Stormwater Board Minutes**

**Held: November 4, 2025**

**4:30 P.M.**

**Welcome:**

Present: Commissioners Al Knable, Jason Sharp and Frank Loop, County Surveyor John Brinkworth III, Storm Water Coordinator Chris Moore, Chief Financial Officer Stan Heil, Chief Operating Officer Nick Creevy, County Engineer Horacio Urieta, Director of Public Works Sidney Main, Attorney Rick Fox and Secretary Karalynn Flora.

**Public Hearing:**

The public meeting to discuss the Stormwater fee increase was opened at 4:30. Mr. Loop asked if any members of the public would like to speak and Dale Mann came before the Board. He said that the rate should be kept at \$41 because that was what the previous commissioners had said to him years ago, and he thanked the board for thinking of agriculture.

With no other Comments Mr. Sharp made a motion close the public hearing, seconded by Mr. Knable. Motion carried 4-0.

**Program Maintenance:**

**Approval of Minutes –October, 2025**

Mr. Sharp made a motion to approve the minutes of October 7, 2025 as presented, seconded by Mr. Knable. Motion carried 4-0.

**Daily Maintenance Reports / Claims- August 2025**

Mr. Moore presented work orders to show projects completed, in the month of October and had separated out the pumper truck logs, as requested at the last meeting. Mr. Knable asked if there was a number where people could request the use of this truck, to which Mr. Moore said yes and that he would promote this number on social media.

Mr. Moore submitted to the board three claims for approval. Mr. Sharp made a motion to approve the claims as presented, seconded by Mr. Knable. Motion carried 4-0.

**Old Business:**

**Erosion Control report – October Summary Report – Casey DeYoung, Heritage Engineering**

Mr. DeYoung stated that there are 33 active sites, 8 which are dormant, 5 which can start filing their NOT, 12 Compliant, 0 show signs of offsite sedimentation and 13 had high probability of offsite sedimentation.

**New Business:**

**Ordinance FCO-2025-24 – Recommendation to Commissioners – Chris Moore**

Mr. Moore asked this board for a recommendation on which rate they would like to send to the Board of Commissioners

Mr. Knable made a motion to recommend the \$45 to the Board of Commissioners, Seconded by Mr. Sharp. Motion Carried 4-0.

#### **Knob Landing – Variance from Design Manual –Jason Copperwaite**

Mr. Copperwaite came before the board to ask for approval of underground detention and minimum orifice size. Mr. DeYoung had a comment on how the elevation of Basin 1 is above the elevation of an existing neighboring home. Mr. Copperwaite said that, at this time, they were not asking for approval for this condition and that if he couldn't lower this basin he would have to come back before the board

Mr. Sharp made a motion to approve the request based on the staff recommendation, seconded by Mr. Knable. Motion carried 4-0.

#### **Vac Truck Camera Equipment – Approve and Purchase– Stan Heil**

Mr. Heil came before the board, with coordination of the Public Works Department, to ask approval to purchase an additional pieces of equipment for the vac truck, a camera with a bulldozer jet. The total cost of this equipment is \$16.365 and he proposed to purchase these with unused appropriated funds within the Stormwater Budget.

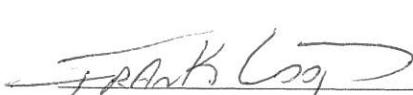

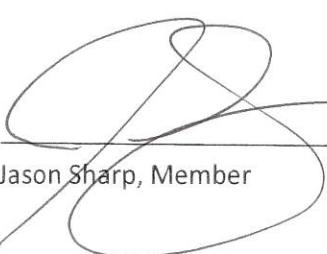

Mr. Knable made a motion to approve this purchase, Seconded by Mr. Sharp. Motion Carried 4-0.

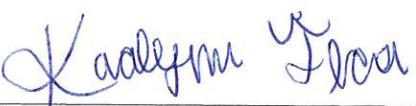

#### **Public Comment:**

No Public Comments

#### **Adjournment:**

With there being no other business, a motion was made by Mr. Knable to Adjourn, seconded by Mr. Loop. Motion carried. Meeting adjourned at 4:59 P.M. The next regular meeting of the board on December 2, 2025 at 4:30P.M, unless otherwise notified.
