MEMORANDUM

Date: April 14, 2025
To: Indiana Local Health Departments
From: Indiana Department of Health- Food Protection Division
Subject: Notice of Food Code Adoption (410 IAC 7-26)

Dear Food Facility Operator:

On Jan. 8, the Indiana Department of Health (IDOH) Food Protection Division announced plans to adopt 410 IAC 7-26, the Retail Food Establishment Sanitation Requirements.

Upon this adoption, 410 IAC 7-24 will be repealed, and 410 IAC 7-26 will take effect.

All changes to regulations will be communicated to facilities as food inspectors conduct inspections, through our partner trade associations, and official websites.

The Department will not cite violations or conduct enforcement relative to new code provisions until **Jan. 1, 2026**.

Your cooperation is crucial as we implement these changes which will help ensure compliance and promote the health and safety of all Hoosiers.

If you have questions, please contact the Indiana Department of Health Food Protection Division at RetailFoodProgram@health.in.gov.

Thank you,

IDOH Food Protection Retail Team

To **promote**, **protect**, and **improve** the health and safety of all Hoosiers.
