Section #	C	NC	R	Narrative				To Be Corrected		
295 297 245 218 433 430	X	X X X X		Observed no self closer on the drive through window and it being left oper between uses. Person in charge stated there was also an issue with it leaking when it rained. Repair and install a self closure device or an air curtain. Observed at least 4 flying insects in the kitchen. Observed food debris on the can opener blade. Observed mold spots in the ice machine behind the front panel. Observed a wiping cloth hung on the edge of the sanitizer bucket. Wiping corrected clothes should be submerged in the sanizer bucket if they are to be used again. Observed the motor or drain tube on the right lobby freezer leaking. The 7-22-24 water leak was being caught in a container. Observed a mop in the mopsink and not hung to dry. today Observed missing or worn down grout between the floor tiles in the 7-29-24 mopsink room, just outside of the mop sink room and in front of the 3-compartment sink. Areas of missing grout were holding water and collecting food debris. NOTES: 1- REVIEW EMPLOYEE HEALTH POLICY 2- OBSERVED THE MOP SINK FAUCET SPOUT HOOKED UP TO A CHEMICAL DISPENSER AND THE FAUCET LEVER LEFT ON. I RECOMMEND INSTALLING A BLEEDER-T VALVE. IF OBSERVED AGAIN, IT WILL BE A CRITICAL VIOLATION.
