Rental Resource Guide

812 S. Washington Street
Marion, IN 46953
765.662.1574
www.ahcindiana.org

Updated: February 2017

Thank you for contacting the Affordable Housing Corporation!

This guide provides information about **renting a home**. We are available to assist you in finding rental housing in Grant County with an affordable monthly payment. We can also answer questions you may have about tenants' and landlords' rights and obligations.

We contacted apartment managers throughout the area and developed this ***"Rental Resource Guide"*** with some basic information about the rental options in our area, including: income limits, age or disability requirements, pet policies and more.

Your credit history may be a significant factor in qualifying for some rental housing. Many landlords check credit reports as part of the application process.   Often there are issues on credit reports, unknown to you, that could affect approval of your housing application. If you would like help reading and making changes to your credit report, call to meet with one of our counselors!

Sincerely,

Jacquelyn Dodyk
Executive Director

Table of Contents

How to Use this Guide

This Rental Resource Guide lists basic information about rental options in Grant County. Rental communities are listed by name alphabetically, along with information about the rentals including contact information, specific limitations or restrictions, and location. Each listing includes a column on the left side containing symbols to provide a quick guide for those seeking to meet a specific need (See key below). After the rental listings, we've provided a list of contact information for emergency food, shelter, or utility needs. To find a rental community in a specific town, see the index at the end of the guide.

Key

AHC	Affordable Housing Corporation rental property
MHA	Marion Housing Authority rental property
USDA	USDA sponsored rural multi-family property
🔒	Income Limits/Restrictions
S8	Section 8 Friendly
♿	Disabled units available
🐾	Pets Allowed

The information presented in this guide should be used as a starting point in your search for rental housing. If you're interested in learning more about a rental community, please call the phone number listed for the most current information about any of the listed properties. All information in this guide is subject to change without notice to us and we cannot guarantee its accuracy. We simply hope to show you the rental options in Grant County to help guide you in the right direction.

About AHC

Affordable Housing & Community Development Corporation (AHC) has been rooted in the creation and maintenance of affordable housing since our beginning in 1995. However, in order to build a more stable and vibrant community, we've started focusing our efforts on rebuilding what's already here. Of course this is more than housing; it's also about quality education opportunities, convenient transportation options, living-wage jobs, affordable healthcare, neighborhood leadership and safe public spaces. AHC finds itself at a strategic place to connect outside funding with the human capital in Marion, we believe that we can make a difference by leading the way toward a community that takes full advantage of its resources.

AHC services include the following types of housing counseling, and more:

Homeownership Education- 3 classes which cover the basics of buying and owning a home.

Pre-Purchase Counseling– Counselors meet with potential homeowners one-on-one to address their obstacles to home ownership. Counselors review and discuss steps to take to secure and maintain homeownership and other applicable information.

Non-Delinquency Post-Purchase Counseling– Counselors meet with homeowners who are seeking assistance with maintaining and keeping the home they own.

Rental Counseling– Counselors meet with people who are seeking rental housing to address their obstacles to renting.

Homeless Counseling– Counselors meet with people who are without permanent housing to assist them in finding shelter, usually through referrals to area emergency shelters and transitional housing programs.
