Public Comment from Resident Brad Semon of 10954 E. 100 S., Greentown, Indiana: Mr. Semon stated that he does not understand why it is so easy to rezone land from Agriculture to Rural Residential. He went on to say that for three years, he has been trying to get something rezoned for a solar project, but it still has not been done. Mr. Semon asked the Commissioners why there was so much hypocrisy in the County that they could not zone something for what it is.

Mr. Semon stated the situation is getting aggravating for him. Mr. Semon stated that they are talking about 4,000 acres that are commercial industrial to stay zoned as agriculture.

Mr. Sheline stated that the ordinance for solar project allows for a special exception for a power generation facility in agricultural, and that is what the solar project representatives have asked for. SERVICES AGREEMENT

This Services Agreement (this "Agreement"), effective as of _01/08/24__ (the "Effective <u>Date</u>"), is by and between L & D Mail Masters, Inc., with an address of 110 Security Parkway, New Albany, IN 47150 ("<u>Provider</u>") and Howard County Treasurer, having an address of 220 North Main Street, Room 226, Kokomo, Indiana, 46901 ("<u>Client</u>").

Client wishes to have annual property tax forms printed and mailed ("the Services"). Provider provides printing and mailing services. Client desires to engage Provider to provide the Services, and Provider is willing to provide such Services under the terms and conditions set forth below.

AGREEMENT

Now Therefore, in consideration of the mutual covenants and promises contained in this Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

- 1. Structure. This Agreement sets out the general terms and conditions applicable to the relationship between the parties. Provider shall provide Services to Client, which shall be detailed under one or more specific statements of work in the form set forth in Exhibit A (each, an "SOW"). Each SOW shall describe the specific project, shall be subject to the terms and conditions of this Agreement, and shall be signed and agreed upon by both parties. Each SOW shall include the quantity, the description, the unit price, whether any cutting or related Services are included, the price total for the SOW, and such other matters as the parties may agree. Each SOW, together with the terms and conditions in this Agreement, shall together constitute an independent agreement. If there is a conflict between any term of this Agreement and a SOW, the terms of this Agreement will govern unless the terms of the SOW expressly state an intent to override the terms of this Agreement and both parties have signed the SOW. In that instance the conflicting terms in the SOW shall control, but only for that SOW. Provider objects to any additional or different terms that Client may provide in a purchase order or other documentation and such terms shall be null and void and have no effect in amending this Agreement.
- 2. <u>Services</u>. The first SOW ("<u>SOW 1</u>"), attached to and made a part of this Agreement, shall set forth the default description for the order. Client may provide alternate content for the project, but if Client does not indicate a desire to deviate from the description set forth in SOW 1, and if Provider does not provide notice of any change in price, the terms of SOW 1 (in addition to the terms and conditions of this Agreement) shall apply for each order. Unless otherwise agreed upon in a SOW, Provider shall print materials based upon the following terms specified in SOW 1 (or Client's request, if Client chooses to adhere to the terms of SOW1) in the quantities, according to the description, and for the pricing set forth in each accepted SOW.
- 3. Client's Obligations. Client shall provide Provider specific images, art work, text, content (collectively, "Materials"), and instructions for printing based upon the following terms specified in SOW1. Client represents and warrants that it is the sole and exclusive owner of all intellectual property and other rights in the Materials provided to Provider and that it has the right to authorize Provider to use such Materials. Client agrees to indemnify, defend, and hold harmless Provider against all damages, losses, fees, expenses (including reasonable attorneys' fees and disbursements of counsel) arising out of any third party claims that Provider's use of the Materials as authorized by Client and/or printing of the materials in compliance with Client's instructions infringes or

otherwise violates the intellectual property, publicity, privacy, or other rights of any third party. Client shall cooperate with Provider as required to enable Provider to perform the Services. Client shall provide Provider press-ready artwork in electronic format, which shall include bleeds, location of perforations, and fold. Client acknowledges and agrees that if the Materials are not in the form required by Provider, Provider may not be able to print the materials or may not be able to print the materials for the price set forth in the SOW.

4. Payment and Pricing.

- (a) Pricing, Expenses, and Invoicing. Client shall pay Provider the price set forth on the applicable SOW plus applicable taxes, postage (if applicable), and additional expenses (if applicable). Client shall be responsible for all sales, use and excise taxes, and any other similar taxes, duties and charges of any kind imposed by any federal, state or local governmental entity on any amounts payable by Client under this Agreement. Client shall pay invoices in U.S. dollars within thirty (30) days of the date of Provider's invoice. Pricing is subject to change based on Provider's review of Materials once provided. Provider may change pricing for SOW 1 on thirty (30) days advance written notice to Client. Client will accept and pay for up to five percent (5%) overage.
- (b) <u>Service Charges</u>. Late payments for Services shall bear a service charge of the rate of the lesser of one percent (1%) per month or the maximum permitted by law on the unpaid balance from the due date until received by Provider. In addition to all other remedies available at law or in equity, Provider may suspend the Services if Client fails to make timely payment and fails to make payment within five (5) days of notice of the breach.
- 5. Term and Termination. This Agreement shall begin on the Effective Date and remain in effect for 1 year, at which time both parties will review to determine if an extension is desired. Either party may terminate this Agreement on written notice if the other party (i) fails to cure a breach within ten (10) days after written notice of the breach; or (ii) becomes unable to pay its debts as they come due, files or has filed against it a petition in bankruptcy, has a receiver appointed to wind up its business, or otherwise experiences an insolvency event. Either party may terminate this Agreement for convenience, for any reason or no reason, on ninety (90) days advance written notice. The termination of this Agreement shall not affect the respective rights and obligations of the parties arising under it before the effective date of termination. Termination in accordance with this provision shall not constitute breach of this Agreement.
- 6. Disclaimer and Limitation of Liability. Provider disclaims all warranties, express or implied including without limitation warranties of merchantability, fitness for a particular purpose, and non-infringement. In no event shall Provider be liable to Client or any third party for any consequential, incidental, indirect, exemplary, special or punitive damages whether sounding contract, tort (including negligence) or otherwise. In no event shall Provider's aggregate liability arising out of or related to this Agreement, exceed the aggregate amount paid or payable to Provider under the SOW that applied to the events giving rise to the claim.
- 7. Force Majeure. Provider shall be excused for any failure or delay in performance when and to the extent that performance is prevented or delayed by any act of government authority (whether valid or invalid), act of God, disaster, terrorism, hurricane, tornado, flood, fire, or other similar event beyond Provider's reasonable control (each a "Force Majeure Event"). If Provider's performance is prevented or delayed by a Force Majeure Event, Provider shall use commercially reasonable efforts to recover from the Force Majeure Event.

8. General. All notices required under this Agreement must be in writing and delivered by hand, overnight delivery, or certified or registered mail, return receipt requested, to the individuals identified in the signature blocks below at the addresses set forth in the first paragraph of this Agreement. This Agreement will be binding upon and inure to the benefit of the parties, and their respective representatives, successors and permitted assigns. No delay or failure on the part of either party in exercising any rights under this Agreement shall operate as a waiver of such rights. Except as otherwise expressly stated in this Agreement, all remedies are cumulative. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and together shall constitute a single instrument. This Agreement shall be governed by the law of the State of Indiana, without regard to its conflicts of laws policies. The parties hereby irrevocably consent to the exclusive jurisdictions of federal and state courts sitting Howard County, Indiana, for all disputes that arise out of this Agreement or the relationship between the parties.
