

RESOLUTION

Resolution No. 92-4

WHEREAS, the Board of Commissioners of Martin County have been made aware of the activities of the Martin County Solid Waste District in developing as required by Indiana statute a plan for solid waste reduction for the Martin County Solid Waste District; and

WHEREAS, that the Board of Commissioners of Martin County have been made aware that the Martin County Solid Waste District Board is making application for a planning loan from the Indiana Department of Environmental Management to assist in developing said solid waste reduction plan, and that said loan must be repaid over the period of five (5) years in ten (10) payments;

IT IS HEREBY RESOLVED, that the Board of Commissioners of Martin County hereby confirm that Martin County shall repay the loan from the Indiana Department of Environmental Management from unappropriated County General Funds in the event that a tax levy or other means of repayment for said loan cannot be implemented by or on behalf of the Martin County Solid Waste District; and

BE IT FURTHER RESOLVED, that the Martin County Solid Waste District is hereby directed and encouraged to investigate thoroughly all possible means of repayment of the planning loan from the Indiana Department of Environmental Management with funds other than Martin County General Funds.

DATED THIS 16th DAY OF MARCH, 1992.
