Re: Request for Additional Appropriations

Dear Members of the Martin County Council:

I respectfully request permission and authorization to pay claims for court-appointed attorney fees from the Supplemental Public Defender Fund. The monies in that fund are monies that the Court has collected from persons who have received services of a court-appointed attorney and subsequently reimbursed the county for their attorney's fees. Specifically, I request authorization to pay total claims from that fund up to \$20,515.00.

I believe the request is self-explanatory, and the appropriation is clearly necessary. Therefore, unless you contact me and request my presence, I will not attend your next meeting. Nevertheless, I hope that you will contact me if you have questions or concerns about these requests.

I thank you in advance for your consideration and cooperation.

Sincerely yours,

Re: \$550.00 additional appropriation

I would like to request an additional appropriation of \$550.00 to the contractual services line item for the Health Department. This money was donated to the Health Department by Daviess Community Hospital. This donation will be used to cover a portion of the expense for internet air cards for lap top computers used by the Health Department.

Sincerely,

Larry Sutton, D.O.
