

**SAFETY POLICIES  
FOR MARTIN COMMUNITY CORRECTIONS  
ROAD CREW PARTICIPANTS**

**Dress Code**

1. You are required to dress according to weather conditions. Road crew may operate during the winter season and inclement weather. You shall wear shirts and shoes at all times. You shall not wear clothing with lewd slogans. You shall not wear shorts or tank tops or any top which exposes your midriff. Female participants must wear a bra.
2. You **must** wear orange vest when working at all times.
3. No open toed shoes allowed. No blue tooth or ear buds permitted.
4. Participants must wear safety glasses and gloves when operating motorized equipment and /or using hand tools.
5. Participants must wear belt/suspenders which prevent underwear from being visible. No sagging pants which constantly need to be attended.

**SAFETY CODE**

1. Re-fueling of weed eaters and/or mowers will only be done by Field Officer.
2. All participants must remain IN passenger vehicle at re-fueling station.

**Homeland Security Health Hazards**

You will be required to wear appropriate protective gear in the event of a public health hazard. This includes gloves, facemasks, and any other item that your supervisor deems necessary to protect you.
