

CHAPTER 268

PURCHASE OF RECYCLED PRODUCTS

268-1. Preference for Recycled Material

All County departments shall establish purchasing practices which maximize the use of recycled material.

268-2. Promotion

To promote the use of products made with recycled materials, County departments shall, to the extent practicable, label recycled products as such.

268-3. Equipment and Machinery Purchases

County departments shall purchase, whenever feasible, equipment and machinery that is compatible with the use of recycled materials (e.g., copy machines that can use recycled paper).

268-4. Enforcement

The Commissioners reserve the right to disallow any claim for payment which does not comply with this chapter.
