

CHAPTER 300

DEFINITIONS

300-1. Definition of Terms in Title 3

As used in this title and elsewhere in this Code, if applicable:

"Authorized representative" means an employee of the Monroe County Health Department who under IC 16-1-4-21 has been authorized to perform any of the duties of the Monroe County Health Officer as may be delegated by the Health Officer, with the approval of the Monroe County Board of Health, on the basis of an agent-principal relation.

"Board of Health" means the Monroe County Board of Health, which is responsible under IC 16-1-7-10 for the management of the full-time Monroe County Health Department.

"Health Department" means the Monroe County Health Department, which is the full-time county health department established in Chapter 301, and includes the Monroe County Board of Health, the Monroe County Health Officer, and authorized representatives of the Health Officer.

"Health Officer" means the Monroe County Health Officer, who under IC 16-1-7-27 is the executive officer of the Monroe County Health Department and the secretary of the Monroe County Board of Health, and includes an authorized representative of the Health Officer.

"Monroe County" means Monroe County, Indiana, and such other areas as may be under the jurisdiction of the Monroe County Health Department.

"Person" means but is not limited to any individual, partnership, corporation, company, firm, trustee, association, or any public or private entity.

"State Board of Health" means the Indiana State Board of Health.
