OFFICE OF

COURT

ADMINISTRATION

THE MONROE CIRCUIT COURT

Mission Statement

The mission of the Monroe Circuit Court is to fairly and promptly resolve justifiable issues in a manner consistent with the mandates, directive, and guidelines of the laws of the State of Indiana and of the United States of America.

[Charlotte Zietlow Justice Center](#)

301 N College Ave

- Juror Message Line: [812-349-5879 \(JURY\)](tel:8123495879)

OFFICE OF COURT ADMINISTRATION

INTRODUCTION

Each day more than 1,000 people enter the Justice Building to file a complaint, pay traffic or probation fees, gather information about a case, or serve as a lawyer, petitioner, defendant, witness or juror to a trial. The increasing complexity of life and the scope of litigation in the United States have created a non-judicial administrative burden on the courts that the judges and traditional court staff cannot handle alone. The Office of Court Administration, under the guidance of the Board of Judges, provides administrative support for the Circuit Court. The office is responsible for the daily operations in financial management, security management, jury management, case management and court support programs. The Office of Court Administration staff reviews system operations, analyzes management problems, recommends solutions to the judges, and implements efficient change. In 2024, the Office of Court Administration successfully implemented the following administrative programs and procedures.

FINANCIAL MANAGEMENT

Thirty-Seven budgets totaling a little over **\$13.5 million** were prepared, monitored and analyzed by the Office of Court Administration. Fiscal management of these budgets includes the preparation of the payroll for over 130 employees, the monitoring of grants received on federal, state and local levels, and the procurement of office furniture, supplies and equipment. The following is a 2024 summary of the funding sources, the amount and types of generated revenue, and the budget and expenditures for the Monroe Circuit Court.

I. FUNDING SOURCES

The Monroe Circuit Court receives funds from the following sources:

- (1) Tax Revenue: Provides funds for personnel, computers, capital outlays, supplies and operating expenses for the Court.
- (2) Program Fees: Provides funds generated by case filings, court costs, fines, infraction judgments, support fees, user fees and investment interest.
- (3) Grants/Contracts: Awarded by the State of Indiana for Community Corrections, Supreme Court Grant, CARES Grant, Interpreter Grant, Title IV-D reimbursement; Drug Court Grant awarded by the US Dept. of Justice/Office of Justice Programs, JDAI, Family Court Project, Veterans Court Grant, Court Reform Grant, Mental Health Court Grant, Community Transition Program, Pretrial Programs, Alternative Dispute Resolution. Reentry Court Program.

Tax Revenue for Courts:

COUNTY GENERAL	\$7,478,834
Juvenile LIT (formerly COIT)	\$1,491,997
Public Safety LIT	\$789,000

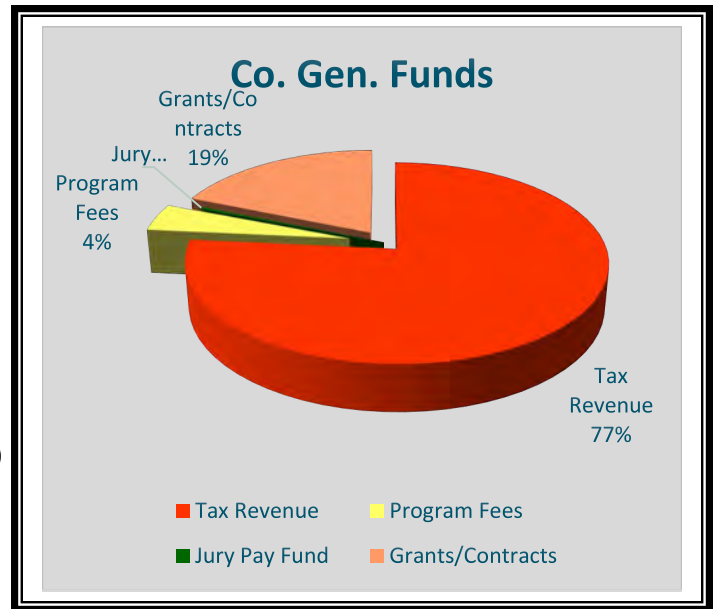

Program Fees:

Probation User Fees	\$569,872
---------------------	-----------

Grants/Contracts:

Federal/State Grants/Contracts	\$2,157,320
Title IV-D Court Reimbursement	\$209,250
State Interpreter Grant (Court)	\$20,000

<u>Jury Pay Fund</u>	\$43,620
-----------------------------	-----------------

TOTAL	<u>\$12,759,893</u>
--------------	----------------------------

As indicated on the pie graph, Monroe County provides the Court over half (77%) of their annual budget. Fees and grants make up the remaining portion (23%) of the budget. In 2024, the Monroe Circuit Court received total funding of \$12,759,893.

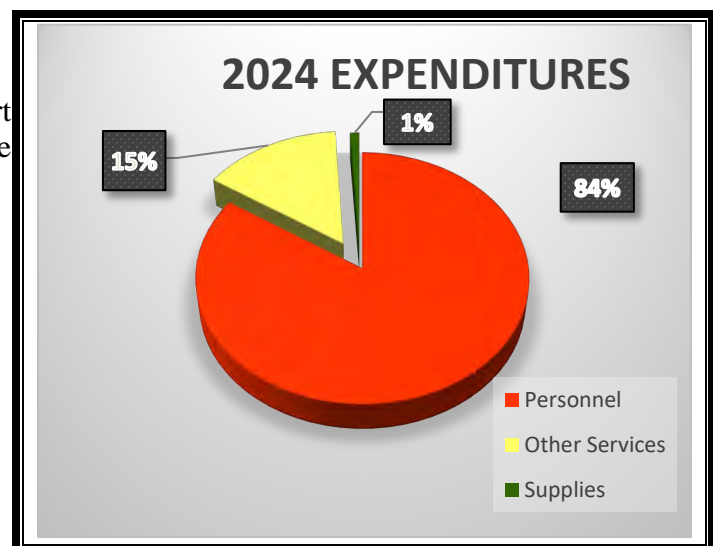

II. EXPENDITURES

Expenditures for 2024 by the Monroe Circuit Court totaled \$12,453,863. The pie graph below shows the percentage and types of expenses incurred.

2024 Monroe Circuit Court Expenditures

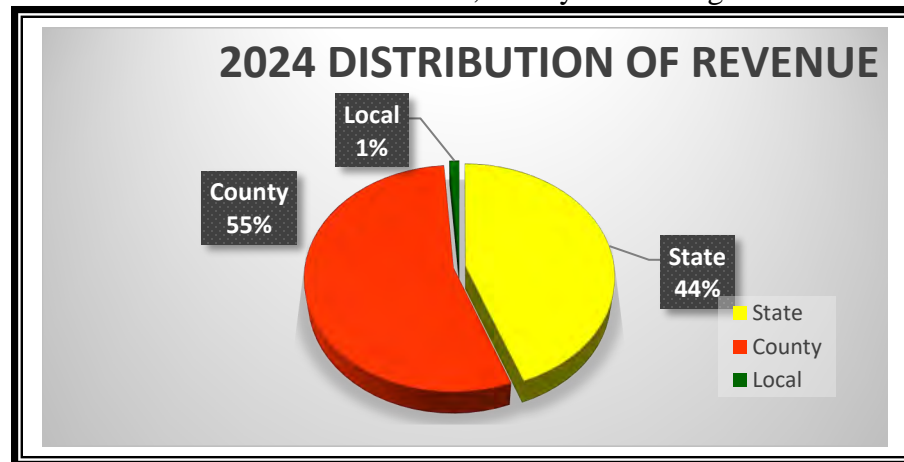

Personnel Services	\$10,494,707
Other Services and Charges	\$1,836,924
Supplies	\$122,232

TOTAL	<u>\$12,453,863</u>
--------------	----------------------------

III. REVENUE

In 2024, the Monroe Circuit Court generated \$2,222,240 in total revenue. The revenue generated by the Monroe Circuit Court is disbursed to three government entities. The pie graph below shows the percentage of disbursement of this revenue to state, county and local government.

STATE--Total Revenue: \$982,590

Sources:

- Court costs (filing fees, traffic/criminal court costs)
- Fines & forfeitures (criminal cases)
- Infraction judgment (traffic)
- Overweight Vehicle Fees (infraction judgments)
- User Fees (25% of drug abuse, prosecution, interdiction & correction fees; 25% of alcohol & drug countermeasures fees)
- Automated Record Keeping Fee
- Judicial Insurance Adjustment Fees
- Child Abuse Prevention Fees (State Family Violence Victim Assistance Fund)
- Domestic Violence Prevention Fees (State Family Violence Victim Asst. Fund)

COUNTY--Total Revenue: \$1,213,428

Sources:

- Court Costs (filing fees, traffic/criminal court costs)
- Support Fees, Bond Administration Fees
- Late Surrender Fees, Document Storage Fees

User Fees:

- SADS (Substance Abuse Division--First time minor offenses program fees: Marijuana Eradication Program Fees)
- Project Income--user fees for offender programs: Job Release, Road Crew, House Arrest & Public Restitution
- Pretrial Diversion User Fees (program fees for minor offenses)
- County Drug Fee (felony & misdemeanor fines)
- Law Enforcement Continuing Education (felony, misdemeanor & traffic fines)
- Infraction Diversion Fees (traffic)
- Adult Probation User Fees (program/treatment fees for adult offenders)
- Juvenile Probation User Fees (program/treatment fees for juvenile offenders)
- Supplemental Public Defender Fees (offender fees for legal representation)
- Miscellaneous (jury fees, miscellaneous administrative fees)

LOCAL (Municipal)--Total Revenue: \$26,222

Sources:

- Court Costs (filing fees, traffic/criminal court costs)

SECURITY MANAGEMENT

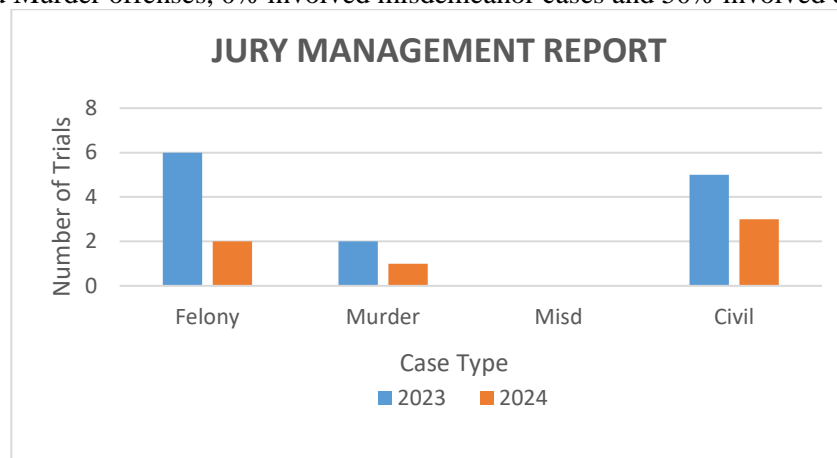

Violence in this country is on the rise and concomitantly, there have been recent tragic events involving the Judiciary within court facilities. Judges, bailiffs, witnesses, lawyers, parties, and the general public have been vulnerable to bombs, armed attack and hostage situations. Inadequate courtroom security or the absence of security has been identified as causative factors. By Order of the Court, all firearms, dangerous weapons, and destructive devices are prohibited from being in the Justice Building. To take preventive measures, the Office of Court Services employs bailiffs, who are trained in handling weapons, bombs, and serious threats, to be present in the courtrooms. In 1995, the County installed a magnetometer and X-ray machine at the entrance of the Justice Building. The implementation of this comprehensive security plan has insured the safety of litigants and other citizens conducting business in the Justice Building.

In 2024, the Monroe Circuit Court Bailiffs, in addition to their regular responsibilities of security, provided an enhanced level of security in 677 Protective Order Hearings, and 2 Non-Medical Incidents. Previous years, Bailiff's provide security to Juvenile Detention Hearings, but the majority of those have gone to zoom hearings. They responded to 3 separate Medical Incidents experienced by members of the public at the Justice Building. The bailiffs also booked 116 offenders into the Monroe County Jail as the result of either a judicial remand of custody or the service of a warrant.

JURY MANAGEMENT

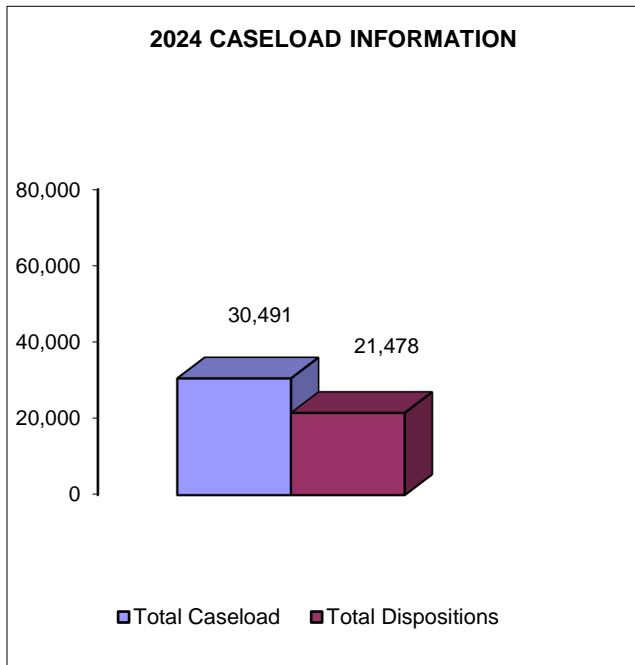

The goal of the Office of Court Services is to maximize efficiency while minimizing jury system costs and inconvenience to citizens summoned for jury duty. In 2024, prospective jurors' names were randomly selected from the Bureau of Motor Vehicles and Department of Revenue lists for Monroe County. The master list contained 2,704 names and addresses. These citizens receive a juror summons for a one-month term of service. In 2024, a total of 258 citizens reported for jury duty; and 22.09 % of them served on juries. By state law, a juror received \$30.00 per day for reporting for jury service and \$80.00 per day if sworn as a member of a jury. All received \$.49 per mile to and from the Justice Building. Prospective jurors are called one time within their one-month term of service and if empaneled to serve on a jury, their service lasts around two or three days. In 2024, the average cost per trial was \$2,962.18.

In 2024, there were 6 jury trials held in Monroe Circuit Court. Of these, 33.33% involved felony offenses, 16.66 % involved Murder offenses, 0% involved misdemeanor cases and 50% involved civil cases.

CASE MANAGEMENT

The Office of Court Administration monitors case assignments to ensure the equity of caseload allocation between judges and provides the judges with case management information in order to avoid undue delay in cases. Case statistics are provided to the State Court Administrator's Office quarterly and analyzed by the Office of Court Administration to determine case management trends and growth of judicial workload. With the assistance of an automated case tracking system, information is available for assisting the judges, court support staff and the public more efficiently.

In 2024, 30,491 cases were before the Monroe Circuit Court. These included previously pending cases, new filings, reopened cases and venued-in cases from other counties. Fifty-eight percent (58%) or 17,686 of these cases were new and venued-in cases and the remaining were reopened and previously pending cases. Reopened cases are defined as cases redocketed for further action, such as proceedings supplemental to collect money judgments, petitions to modify child custody, support or visitation, and modifications of criminal sentences. The cases included criminal, civil, domestic, protective orders, small claims, juvenile, probate, mental health, ordinance violations and infractions. The nine courts disposed of 21,478 cases in 2024.

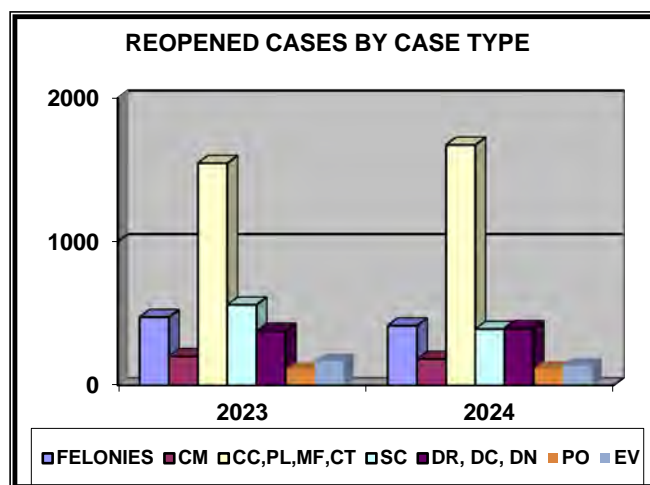

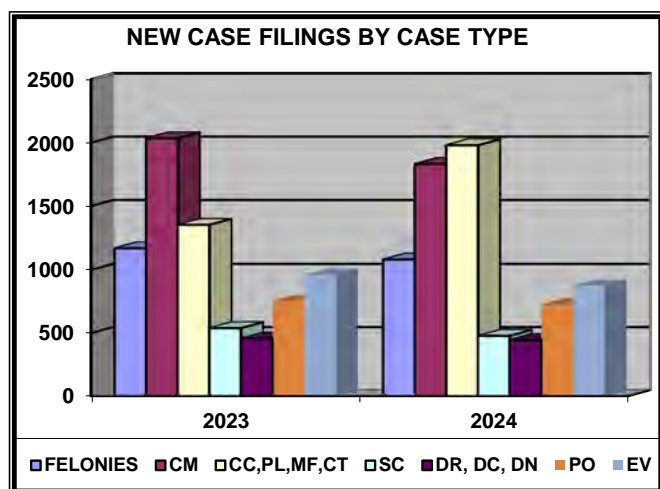

Infractions: The staff of the Clerk and Prosecutor's Office manages infraction cases. Most of the traffic cases settle prior to court. Diversion programs are established for first time offenders. If programs are violated, infraction cases are assigned to the judges. There were 2,013 previously pending cases and 5,175 new infraction cases filed in 2024. Approximately 2% were assigned to the judges.

Ordinance Violations: The City Attorney and staff of the Clerk's Office manage ordinance violation cases. Due to new collection procedures adopted by the City of Bloomington in 2012, the number of cases filed has declined significantly. There were 9 previously pending cases and 14 new ordinance violations filed in 2024.

Case Assignment per Court: Considering the number of cases pending, new filings, redocketed cases, infractions and ordinance violations filed with the Court, the average number of cases collectively assigned to the nine divisions for 2024 was 3,388.

Case Filings and Dispositions: Criminal and Civil

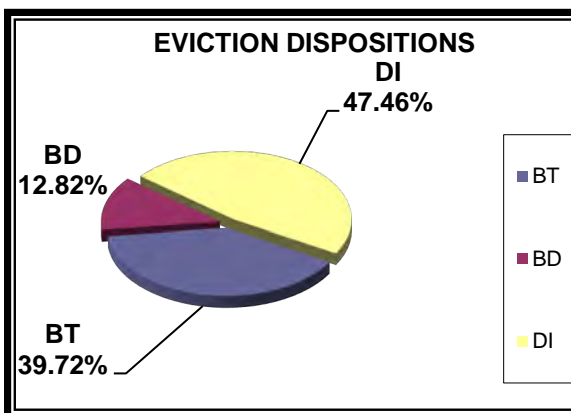

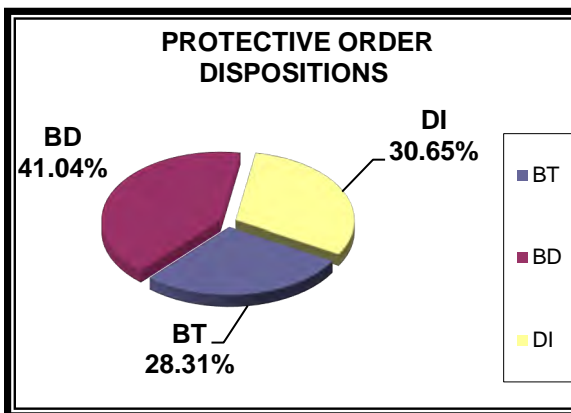

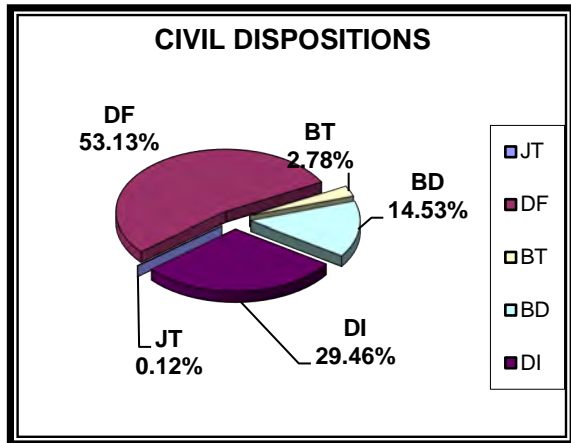

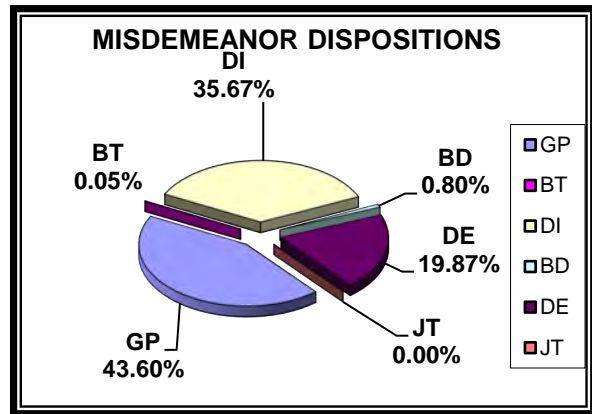

During 2024, the Monroe Circuit Court consisted of nine divisions. Four divisions were randomly assigned criminal cases. Civil, Domestic Relations, Juvenile and Probate cases were randomly assigned to five other divisions. New filings decreased for Felony, Criminal Misdemeanor, Small Claims, Evictions, Domestic Relations, and Protective Orders, while increasing for Civil cases. The number of cases re-docketed for further action increased for Civil case types and decreased for Felonies, Criminal Misdemeanors, Small Claims, Evictions, Domestic Relations, and Protective Orders.

	NEW FILINGS (Excl. Transfers)		DECIDED CASES (Excl. Transfers)	
	2023	2024	2023	2024
FELONIES (A,B,C,D,MR, and Levels 1-6)	1,171	1,082	1,508	1,126
Redockets	477	418	9	444
MISDEMEANORS (CM)	2,034	1,831	2,246	1,867
Redockets	204	185	281	210
CIVIL (CP,PL,MF,CC,CT)	1,351	1,980	1,145	1,740
Redockets	1,547	1,674	1,645	1,715
SMALL CLAIMS (SC)	539	478	792	527
Redockets	563	394	194	513
EVICTIONS (EV)	962	876	940	911
Redockets	171	139	124	173
DOMESTIC RELATIONS (DR, DC, DN)	457	446	1,023	497
Redockets	381	399	0	369
PROTECTIVE ORDERS (PO)	755	727	851	734
Redockets	111	116	7	106

Criminal, Civil, Small Claims, Evictions, Protective Orders, and Domestic Relations cases are decided by jury trial (JT), bench trial (BT), guilty plea (GP), deferral/diversion (DE), dismissal (DI), default (DF) or bench dispositions (BD).

The following pie charts show how the new case filings were disposed in 2024.

Juvenile and Probate: Juvenile and Probate cases include civil commitments of mentally ill, the processing of estates and trusts, adoption of children, the establishment of paternity of children born out of wedlock, juvenile delinquency, and CHINS (Children in Need of Services). CHINS cases involve the abuse and neglect of children. All cases are disposed by bench trial, bench disposition or dismissal.

The two-year graph to the left shows Juvenile and Probate new filings in 2023 compared to new filings in 2024.

New filings for Juvenile Chins, Juvenile Paternity, and Trusts have increased for 2024. New filings for Mental Health, Adoptions, Estates, Guardianships, Juvenile Delinquencies, Juvenile Miscellaneous, Juvenile Termination, and Juvenile Status have all decreased. The number of cases re-docketed for further action have increased for Mental Health, Adoption, Guardianship, Trusts, and Juvenile Chins cases and have decreased for all other case types.

MONROE COUNTY FAMILY COURT

Monroe County was selected in February, 2000 as one of three pilot counties for the Indiana Supreme Court's Family Court Project. The initial funding for Family Court was received under a two-year grant from the Indiana Supreme Court, Division of State Court Administration. The Monroe County Family Court has continued its services to families in the legal system beyond the pilot project phase. Family Court operated under the administration of Division IV of the Monroe Circuit Court in 2024.

The Monroe County Family Court has identified the following programming components as vital to the project:

I. Mediation: The Family Court Mediation Clinic was created in 2002 at the request of Judge Viola Taliaferro. In August, 2002, the Family Court Coordinator began collaborating with the Child Advocacy Clinic of the Indiana University School of Law, and the Community Conflict Resolution Project (CCRP) to develop a method of resolving custody, visitation, and related disputes that arise within the context of paternity cases. It was envisioned that law students and other participants could be trained to provide mediation services on a volunteer basis in the paternity court. Implementation of the project began in January, 2003. This highly successful program was greatly expanded in August, 2003 to include divorce cases involving child custody and parenting time issues. Low to moderate-income families are eligible to participate in the mediation clinic if they are unable to afford private mediation services. The collaborators in the development of the Mediation Clinic believe that the children affected by these cases will best be served by providing a forum for parents to actively negotiate parenting arrangements that protect the child's best interests.

The Family Court Mediation Clinic now handles all types of disputes that may arise within the context of family law cases referred by the Court. Parties may also be referred to mediation for assistance with specific issues identified by the Court, such as completing a parenting time schedule, calculating child support, and developing co-parenting communication skills. Parties receive information and education to better understand the court process, the Indiana Parenting Time Guidelines, and the Child Support Rules and Guidelines. The Family Court Coordinator also receives referrals from the court to assist parties in providing more complete and accurate pleadings and information to the court in order to expedite their cases.

In March of 2005, the **Family Court Mediation Clinic** implemented the **Domestic Relations Alternative Dispute Resolution Fund Plan** of the Monroe Circuit Court. This plan operates under the provisions of Indiana Code 33-23-6-1 to -4. An additional twenty-dollar filing fee is collected from parties filing petitions for legal separation, paternity, or dissolution of marriage. The fee is deposited into the alternative dispute resolution (ADR) fund and is used to foster domestic relations ADR services for litigants who have the least ability to pay. Litigants receiving services covered by the fund make a modest co-payment for the services based upon the litigant's ability to pay.

The Family Court Coordinator serves as mediator and administrator for the Family Court Mediation Clinic.

In 2024, 147 new referrals for services were received through this program: 136 families were assigned to the Family Court Coordinator. Eleven families were assigned to a contractual mediator. By the end of 2024, more than three thousand families had been referred to the program since its inception.

II. Counsel in the Court (Pro Se Assistance): The District 10 Pro Bono Project began providing on- site services for self-represented parties at the Justice Building in 2010. The weekly walk-in clinic is known as “Counsel in the Court.” The District 10 Pro Bono Project coordinates attorney volunteers who provide limited assistance to parties in completing forms and pleadings for family law case types. In 2024, District 10 reported 70 attorney-client conferences were conducted through this program for Monroe County.

III. Investigation Services: Judges making decisions regarding child custody and parenting time can receive the assistance of an experienced investigator who will gather the necessary information to help the judge make a well-informed decision regarding the child’s best interests. The Juvenile Division assists the Civil Division of the Court by conducting investigations in divorce and paternity to provide the Court with information regarding parents and their children. Examples of the information that could be included is information about the child’s school or living environment. In 2024, the probation department did not receive any new referrals for investigations in family law cases.

Collaboration with outside agencies:

District 10 Pro Bono Project

Address: P.O. Box 8382 Bloomington, IN 47407-8382

Phone: 812-339-3610 and (800) 570-1787

Contact Person: Diane Walker

Intake: phone intake 9 am to 4 pm, Monday through Friday.

Services Provided: Provides civil legal assistance to people who could not otherwise afford it. A variety of cases accepted including family law, housing, credit issues, and public benefits. **Cost:** free for income eligible

District 10 Pro Bono Project:

CHIEF'S REPORT

By Linda Brady, Chief Probation Officer

The Monroe Circuit Court Probation Department (hereafter “Department”) will remember the year 2024 for continuing to adjust to unprecedented staff turnover that began after the COVID-19 pandemic. Despite staffing challenges, the Department continued to be involved in research projects and implementing changes for the benefit of our clientele.

The year 2024 started with a Community Corrections Field Officer vacancy which first occurred in early September 2023. It took eight (8) months to eventually re-fill that vacancy, plus four (4) additional Field Officers resigned during 2024 which is significant as there are only eight (8) full time Field Officers in the Department. Three (3) probation officers (POs) resigned on January 2, 2024 with the next line PO vacancy occurring toward the end of 2024 when Enhanced Supervision Unit (ESU) PO Steve Lessard retired. The most significant resignation of 2024 occurred when Deputy Chief PO Troy Hatfield resigned to accept a new position. This led to the promotion of Court Alcohol and Drug Program Director Anthony Williams to serve as Deputy Chief PO. Then-ESU PO Dorthy Perrotte was promoted to serve as the Court Alcohol and Drug Program Director. There was no period during 2024 when all full time positions were filled.

The **Pretrial Services Program** has been involved in multiple research projects over the last several years. In 2024, the Department began a partnership with George Mason University researchers to look at the impact of structured pretrial appointments on pretrial outcomes. During these structured appointments, the pretrial PO will conduct a *Voluntary Needs Assessment* and make appropriate referrals, as well as complete structured goal planning activities with clients. This will be a two-year study, with findings to be released in 2027.

In August 2024, the **Pretrial Services Program** was granted a 3-year recertification through the Indiana Office of Court Services (IOCS). The **Problem Solving Court Program** recertification was also completed in 2024. All four (4) Problem Solving Court Program components received a 3-year recertification from IOCS (valid until August 2027).

In 2024, the **Monroe County Community Corrections Program** completed its 41st year of operations and of receiving grant funding from the Indiana Department of Correction. The **Drug Court Program** completed its 25th year of operations in 2024.

The Problem Solving Court Program was accepted into the ***Building a Multi-Track Treatment Court Training*** in August 2023. The training was delivered by the National Drug Court Institute, *a division of the National Association of Drug Court Professionals*. Planning for the multi-track Drug Court continued in 2024.

As part of the Monroe County Juvenile Detention Alternatives Initiative (JDAI), the **Juvenile Division** revised juvenile probation rules/conditions in 2023 and the Juvenile Court Judge implemented these newly revised conditions in 2024. The goal of this effort is to create a more equitable youth justice system and improve outcomes for all youth. For several years, the Department has provided youth with a general “exit survey” as they exit our system. Through our JDAI initiative and work with consultant Laura Furr, the **Juvenile Division** has been working toward the development of four (4) surveys that would be given to youth and families after: appointments; intake; exit; and court hearings. The Department began a partnership with Indiana University (IU) in 2024 as an independent and impartial third party to collect the survey data and provide regular reports on the results.

The Department purchased radio frequency electronic monitoring equipment many years ago. Electronic monitoring technology has changed over the years and the current standard electronic monitoring equipment includes global positioning system (GPS). Therefore in 2024, Monroe County Government surplused the old radio frequency electronic monitoring units.

ADDITIONAL 2024 DEPARTMENTAL HIGHLIGHTS

- **Trust-Based Relational Intervention (TBRI) Consultations:** All POs in the Department continue to be trained in the use of TBRI. In 2024, two (2) probation officers in the Department received national training to become TBRI practitioners. Having these trained TBRI practitioners on staff has created a new ability to facilitate in-house TBRI trainings and “booster sessions.”
- **Credentialed Sexually Abusive Youth Professional (CSAYP):** Juvenile PO Sky Kilpatrick completed the training and requirements to become a Credentialed Sexually Abusive Youth Professional.
- **Swearing-in Ceremony:** A swearing-in ceremony was held in July 2024 for all newly hired staff members as part of *Probation, Parole, and Pretrial Awareness Week*.
- **Grants Awards:** For 2024, the Department was awarded many grants totaling **\$2,103,518**. This includes a Juvenile Detention Alternatives Initiative (JDAI) Performance BONUS Grant Award of **\$62,042** to complement and expand JDAI initiatives. This is the third time Monroe County's JDAI was awarded bonus grant funds by the Indiana Department of Correction.
- **Alliance Security Inc. (ASI) Ends Contract:** In 2024, the Department received notice that ASI would be ending the contract to provide off-duty Indiana State Troopers to the Community Corrections (CC) office in the mornings for Day Reporting. One of the primary duties of these law enforcement officers is to serve warrants on probation/CC clients. The Department was able to secure the services of Crimson Security to provide the same services as ASI provided at the CC office in the early morning Day Reporting hours.
- **Southwest Indiana Regional Youth Village (SWIRYV) Detention Center Closed:** The Department's primary detention facility closed in March 2024. SWIRYV was the only detention facility that provided transportation to/from detention including to/from court hearings. As of that closing, the primary detention facilities used by the Department are: Johnson County; Hamilton County, and Vigo County.
- **Annual Probation Department In-service:** Was held Friday October 25th at Eagle Point. **Real Colors** training was part of the agenda.
- **Participation in Monroe County Space Planning Process:** In 2024 the Monroe County Board of Commissioners entered into a contract with architects from the company DLZ to design a planned new jail and new “justice complex” at the property known as North Park. The Commissioners plan to move the Monroe Circuit Court, Prosecuting Attorneys, Public Defenders, Clerk's Office, and Probation/Community Corrections to the planned new justice complex. Throughout 2024, DLZ Project Managers and team started meeting with justice system department heads/elected officials including Probation Department leadership to develop a space plan for the future.

2024 PROBATION DEPARTMENT MEDIA COVERAGE & PRESENTATIONS

- **Presentation to the Monroe County Commissioners.** Community Corrections programs are required to make a public presentation to the County Commissioners annually. Deputy Chief Probation Officer and Community Corrections Executive Director Becca Streit made this year's presentation on February 21, 2024, saved on Cable Access TV (CATS) **HERE** <https://catstv.net/m.php?q=13267> **Scroll to 53:11 mark.**
- **Juvenile Detention Alternatives Initiative (JDAI) Presentations.** JDAI Coordinator Christine McAfee, Judge Holly Harvey, and others presented at the JDAI Inter-site Conference in Fort Wayne, Indiana. Presentations included "From Snooze to Use: Waking Up Your Data Game" and "Rewriting the Playbook: A New Approach to Probation".
- **Justice Service Conference Presentation.** Deputy Chief Probation Officer Anthony Williams and Presiding Judge Mary Ellen Diekhoff presented on Pre-Sentence Investigations at the 2024 Justice Services Conference in Indianapolis, Indiana.

DEPARTMENTAL EDUCATIONAL ACTIVITIES

- **Race, Equity, and Inclusion (REI) Book Library:** The JDAI grant funded a "giving library" (not lending) for REI materials, free to JDAI partners and the public. Some of the books purchased and distributed through this initiative include: *America for Americans*, *Atlas of the Heart*, *Between the World and Me*, *Biased*, *Blind Spot*, *Childhood Disrupted*, and *Color of Law*.
- **State-wide Problem Solving Court Orientation:** In 2024, Problem Solving Court Director Steve Malone and Probation Officer Kara Mahuron served as presenters at the state Problem Solving Court Staff Orientations held in April and October.
- **Indiana Association of Community Corrections ACT Counties Fall Conference:** In 2024, Community Corrections Executive Director/Deputy Chief Probation Officer Becca Streit facilitated a full day intensive seminar called "IACCAC Leadership Intensive: Creating an EBP Organizational Culture."

DEPARTMENT LEADERSHIP

National Association of Probation Executives (NAPE) – Chief Probation Officer Linda Brady was re-elected to serve on the Board of Directors representing the Central Region of the United States (2012 to present).

Indiana Corrections and Criminal Code Study Committee – Linda Brady was re-appointed as a member of this legislative committee. She has served as a member of this committee since 2014.

Monroe County Community Corrections Advisory Board – Linda Brady continued to serve as vice-chair of the board (1999 to present).

Association of Women Executives in Corrections (AWEC) – Linda Brady has served as a member of this association since 2019.

Executives Transforming Probation and Parole (EXiT) - Linda Brady has served as a member and signatory of this association since 2019.

Probation Officers Professional Association of Indiana (POPAI) – Former Deputy Chief Probation Officer Troy Hatfield served as President of the state-wide association until September 2024.

Probation Officers Professional Association of Indiana (POPAI) – Deputy Chief Probation Officer Anthony Williams was elected to serve as Secretary of the state-wide association in September 2024.

Indiana Coalition of Court Administered Alcohol and Drug Programs (ICCADS) – Anthony Williams served as President of ICCADS from 2018 until December 31, 2024.

Court Alcohol and Drug Program Advisory Committee (CADPAC) –Anthony Williams served as a member of CADPAC and served on the CADPAC education sub-committee (2018 to 2024 for both).

Indiana Association of Community Corrections Act Counties (IACCAC) – Deputy Chief Probation Officer/Community Corrections Executive Director Becca Streit served as chair for the IACCAC and Indiana Department of Correction Evidence Based Practice Education and Training Committee.

Monroe County CARES Board – Problem Solving Court Director Steve Malone served as President of the local CARES Board.

Problem Solving Court Education Committee – Steve Malone served on this state-wide committee.

Monroe County Substance Use Disorder Awareness Commission (SUDAC) - Steve Malone was re-appointed to serve on this local commission for another 2-year term.

Monroe County Domestic Violence Coalition – Adult probation officers served on this committee.

Juvenile Detention Alternatives Initiative (JDAI) State Team – JDAI Coordinator Christine McAfee served on this state leadership team.

Indiana Collaborative Communication Committee – Juvenile Probation Director Jeff Hartman served on this state committee.

Monroe County Community School Corporation School Safety Committee – Juvenile Probation Director Jeff Hartman served on this committee.

Child Fatality Review Team and the Monroe County Child Protection Team – Probation officer Brittany Greiner represented the Department on these teams.

Monroe County Systems of Care – Juvenile Probation Director Jeff Hartman and Probation officer Jada Faith represented the Department at these monthly meetings.

A NOTE ON THE 2024 ANNUAL REPORT

To better understand information in the tables contained in this report, the word “supervision” needs to be defined.

A “supervision” is a community-based supervision requirement that an individual must fulfill as part of a court order. For example, one ‘supervision’ could be a term of probation and another ‘supervision’ could be a specified length of time on court-ordered home detention. One individual could be required to complete multiple ‘supervisions.’ These ‘supervisions’ could also be required in multiple cases where the individual could be convicted of multiple crimes. Thus, one individual could be referred to the Department in multiple cases and be required to complete multiple ‘supervisions’ in each of these cases.

Though we will include the unique number of individuals referred to each program, for this year’s report, we will mostly focus on the characteristics of the supervisions.

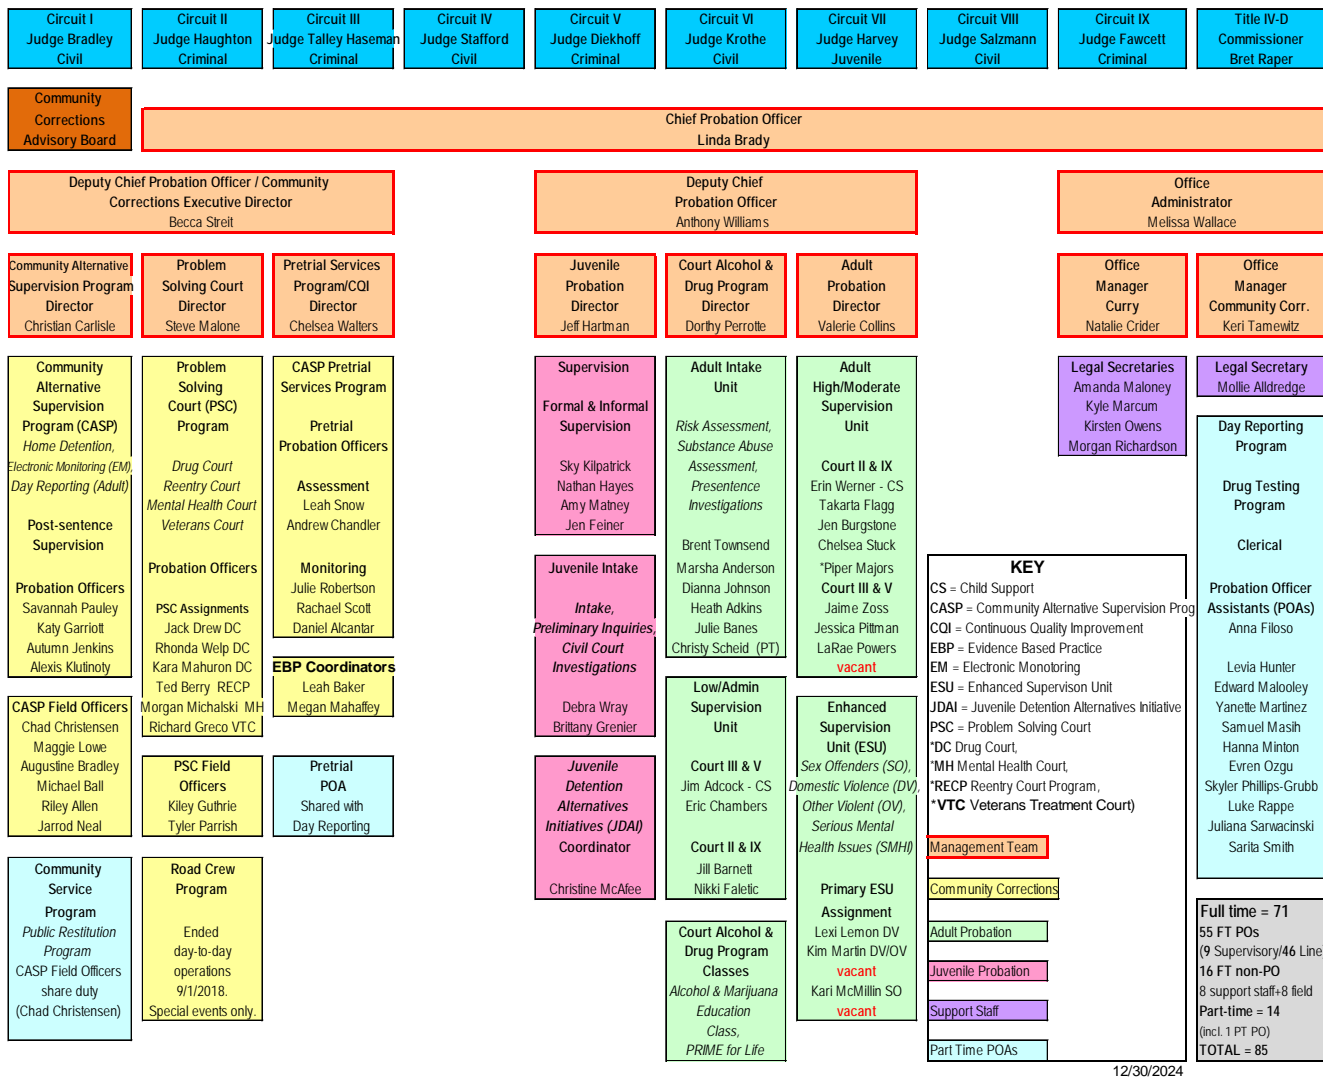

PROBATION DEPARTMENT EXECUTIVE SUMMARY 2024

- **3,388** - Individuals referred, supervised, monitored, and/or assessed (pre-COVID 2019 = 3,299; 2023: 2,183)
- **3,743** - Criminal and juvenile cases referred, supervised, monitored, and/or assessed (2019 = 4,045; 2023 = 2,862)
- **11** - Civil cases referred for investigation or drug testing
- **\$2,103,518** - Grant monies obtained
- **\$134,481** - Restitution collected on behalf of victims
- **\$566,652** - User fees collected; 50% overall user fee collection rate (2023: 59.0%)
- **12.3%** - Average positive rate for substance tests
- **4,230** - Community service hours completed. At \$7.25 minimum wage, approximately \$30,667 worth of labor was provided by the Community Service Program to local not-for-profit and governmental agencies. (2019 = 8,070 hours; 2023 = 3,331 hours)

	Individuals	Supervisions / Referrals	Supervisions / Referrals Closed	Successful Percentage*
Juvenile Referrals	210	320	299	-
Juvenile Informal Adjustment	42	43	49	88%
Juvenile Formal Probation	19	19	24	75%

Veterans Court	4	4	4	100%

*Successful completions pursuant to program rules.

ORGANIZATIONAL CHART

12/30/2024

STAFFING, FUNDING SOURCES, AND BUDGETS

The Department is funded by various sources including property and income taxes, user fees, and grants. As of December 31, 2024, the Department employed 85 persons, 56 of whom were probation officers (46 full-time line probation officers, 1 part-time probation officer, and 9 supervisory/management-level probation officers). Of the 56 probation officer positions, there were three (3) vacant full-time line probation officer position at the end of 2024. In 2024, six (6) probation officers (one part-time), four (4) Community Corrections Field Officers, and four (4) probation officer assistants left employment with the Department.

2024 Staff Summary (includes vacant full-time positions):

- 1 Chief Probation Officer
- 2 Deputy Chief Probation Officers
- 6 Probation Directors/Supervisors
- 46 Line Probation Officers and 1 Part-time Probation Officer
- 8 Community Corrections Field Officers (Community Alternative Supervision Program, Problem Solving Court)
- 8 Support Staff
- 13 Part-time Probation Officer Assistants

TOTAL STAFF 85 employees (71 full time; includes vacancies)

FINANCIAL INFORMATION

VICTIM RESTITUTION COLLECTED

The Department assists the court in collecting victim restitution by enforcing restitution orders. When a court places a person under the Department's supervision, the person may be ordered to reimburse the victim for any loss incurred. Probation officers ensure that this money is paid by the probationers; however, restitution is collected by the Clerk's Office and is disbursed directly to the victim. The following chart indicates the amount collected and disbursed in victim restitution.

PARENTAL REIMBURSEMENTS

The Juvenile Division enforces court orders for parental reimbursements for the cost of care provided to youth placed outside the home, to include secure detention and other out-of-home placement costs. For the past five (5) years, the judge who oversees juvenile delinquency cases has not ordered parental reimbursement due primarily to the parents' lack of ability to pay such reimbursements. The last year when any parental reimbursement was collected was 2020 when \$21 parental reimbursement was collected.

DEPARTMENTAL FUNDING PLAN

The Department is funded by three (3) primary sources: tax-based funds; user fees; and grants. In past years, up to 50% of the Department's total budget came from user fees. Prior to the 2008 recession in the U.S., user fee collection rates averaged approximately 80%. After 2008, collection rates gradually declined over the years. The 2016 inception of the Monroe County Pretrial Services Program resulted in a reduction in the use of cash bonds, and in turn, user fee collection rates have further declined (prior to the Pretrial Services Program, defendants paid cash bonds and agreed to use released bond money to make user fee payments).

Due to the reduction in user fee collections, in August 2018 the difficult decision was made to end the Road Crew Program as this program was funded solely from Community Corrections User Fees and could not be sustained.

For the past several years, the Monroe County Council has increased tax-based funding for Probation Department operations to reduce reliance on user fee funds for basic operation costs. This change in funding has helped to stabilize the user fee funds for the Department.

In 2022, the Board of Judges eliminated optional fees for juvenile probation services.

For the future, the Department is working with the County Council to increase tax-based funding for the Department so that reliance on user fees can be decreased.

DEPARTMENTAL GRANT FUNDING

For 2024, the Department was awarded many grants totaling **\$2,103,518**. Grant-award highlights include:

- **2024 Grants from Indiana Department of Correction (IDOC): TOTAL AWARD \$1,528,120.** The Indiana state budget for 2023-2025 did not include any increase in the Community Corrections Grant line item, and the IDOC did not award any increases to any counties for 2024. Monroe County was awarded the same amounts as in 2022 and 2023. Because of this, the Project Income Fund (Community Corrections User Fees) will absorb increases in health insurance and other fringe benefits. The grant funding will support the continued operations (staff salaries and fringe benefits) of the Community Corrections Program, Pretrial Services Program, and two court Recidivism Reduction Programs (Drug Treatment Court and Mental Health Court) for 2024.,
 - (1) **2024 Mental Health Court Grant: \$49,376.** Pays partial salary and fringe benefits for one (1) Mental Health Court Probation Officer.
 - (2) **2024 Drug Court Grant: \$157,711.** Pays partial salary and fringe benefits for two (2) Problem Solving Court Field Officers and one Drug Court Probation Officer.
 - (3) **2024 Pretrial Services Grant: \$271,866.** Pays partial salaries and fringe benefits for four (4) Pretrial POs.
 - (4) **2024 Community Corrections Program Grant: \$1,049,167.** Pays partial salary and fringe benefits for Community Corrections Program staff.
- **Monroe County CARES Grants: \$1,350** awarded for drug testing supplies to support the problem solving courts and skill-based journals for community corrections client.
- **Justice Partners Addictions Response Grant (SFY 2024-2025):** Indiana Supreme Court awarded **\$56,459** grant to improve services and outcomes for inmates reentering the community from the Monroe County Jail. The grant funds a licensed clinician (Centerstone employee), paid contractually via this grant.
- **Juvenile Detention Alternative Initiative (JDAI) Grants State Fiscal Year (SFY) 2024-2025:** The IDOC awarded **\$75,000** total as follows:
 - (1) **Coordination (\$15,000)** – \$3,750 meals for meetings; \$600 office supplies; \$3,000 four (4) Quest licenses; \$6,800 travel expenses for community stakeholders to attend JDAI events/trainings; \$850 Tableau Software License.
 - (2) **Programming (\$50,000)** – \$9,950 The Parent Project; \$1,500 to City of Bloomington Commission on the Status of Child and Youth and Commission on the Status of Black Males; \$4,275 Care packages for youth/families; \$800 Professional Development; \$2,500 Monroe County Childhood Conditions Summit Accessibility Services; \$1,000 ADAPT partnership with Centerstone; \$8,250 for increased Trust-Based Relational Intervention (TBRI) implementation into Monroe County Community School Systems; \$1,250 Truancy Termination Partnership Program; \$14,500 The Warehouse for youth mentoring; \$6,000 People and Animals Learning Services (PALS) to support youth and parent/caregiver relationships.
 - (3) **Data Analysis and Research (\$10,000)** - \$6,000 – EMPACT Solutions Data Quality and Visualizations; \$4,000 Case management system improvements (QUEST).

- **Juvenile Detention Alternatives Initiative (JDAI) Performance BONUS Grant Award:** Awarded \$62,042 performance bonus grant to complement and expand JDAI initiatives. This is the third time Monroe County's JDAI was awarded bonus grant funds by the IDOC. **Funded Projects:**
 - (1) Trust-Based Relational Intervention (TBRI) - Expanding TBRI training to one (1) MCCSC middle school (Tri-North) and adding one (1) MCCSC elementary school (Clear Creek).
 - (2) Truancy Termination Program Partnership through YSB - Increase funds available to purchase incentives/recognition items for youth and families showing improvement in school attendance as well as the purchase of items to reduce barriers to success.
 - (3) The Warehouse – Increase funding to pay for supervision mentors to allow youth 12 years of age and younger to participate in programming and activities at The Warehouse when other adults are not available. Funding also supports the ability to provide nutritious snacks to those participating.
 - (4) Laura Furr Consulting - Continue efforts to create a Youth Workgroup as well as develop a survey for system impacted youth.
 - (5) EMPACT Solutions – Continue partnership to create and expand data visualizations through the use of QUEST data and TABLEAU.
 - (6) Gottlieb and Wertz (Quest vendors) – Continue partnership enhance and modify QUEST casemanagement system to support collection and reporting of new and expanded data fields.
 - (7) Indiana University Research Partners – Develop partnership to create, disseminate, and report youth survey responses.

- **2024 Indiana Supreme Court Grants for Problem Solving Court (PSC) Programs:** Awarded \$94,982. Awards included fund for incentives, chemical tests, participant transportation (bus passes), and a process/outcome evaluation.
 - (1) Mental Health Court \$28,328 (first time grant for MH Court);
 - (2) Reentry Court \$28,328 (first time PSC grant for Reentry Court);
 - (3) Drug Court \$28,328 (\$18,328 more than 2023 Drug Court grant); and
 - (4) Veterans Court \$9,998 (first time PSC grant for Veterans Court);

- **Veterans Court Grant (Indiana Supreme Court, Specific to Veterans Court):** Awarded \$78,220 for the calendar year (CY) 2024 for the salary and fringe benefits of a probation officer.

- **2024 Pretrial Services Program Grant (Indiana Supreme Court):** TOTAL \$207,345. Pays salary and fringe benefits of a Deputy Public Defender and a Pretrial Probation Office as well as a part-time Probation Officer Assistant to aid in collecting statistics for the program.

The IDOC reimburses the Department for accepting inmates from prison onto early release through the Community Transition Program (CTP). This reimbursement is not a grant. In 2024, the IDOC reimbursed the Department a total of \$17,625 for supervising former IDOC inmates placed on the CTP.

PROGRAM AND USER FEES

In addition to paying probation officer (PO) salaries, user fees collected by the Department pay for many innovative rehabilitative programs that otherwise would not be possible from the limited county tax funds. A sample of public safety and rehabilitative programs funded through user fees includes:

- Barrier busters, such as bus passes for public transportation to aid clients in reducing barriers to successfully completing requirements of their supervision;
- Cognitive behavioral workbooks and worksheets;
- Electronic monitoring equipment for home detention (alcohol detection units and GPS monitoring devices); and
- PRIME for Life substance abuse education classes and Alcohol and Marijuana Education classes.

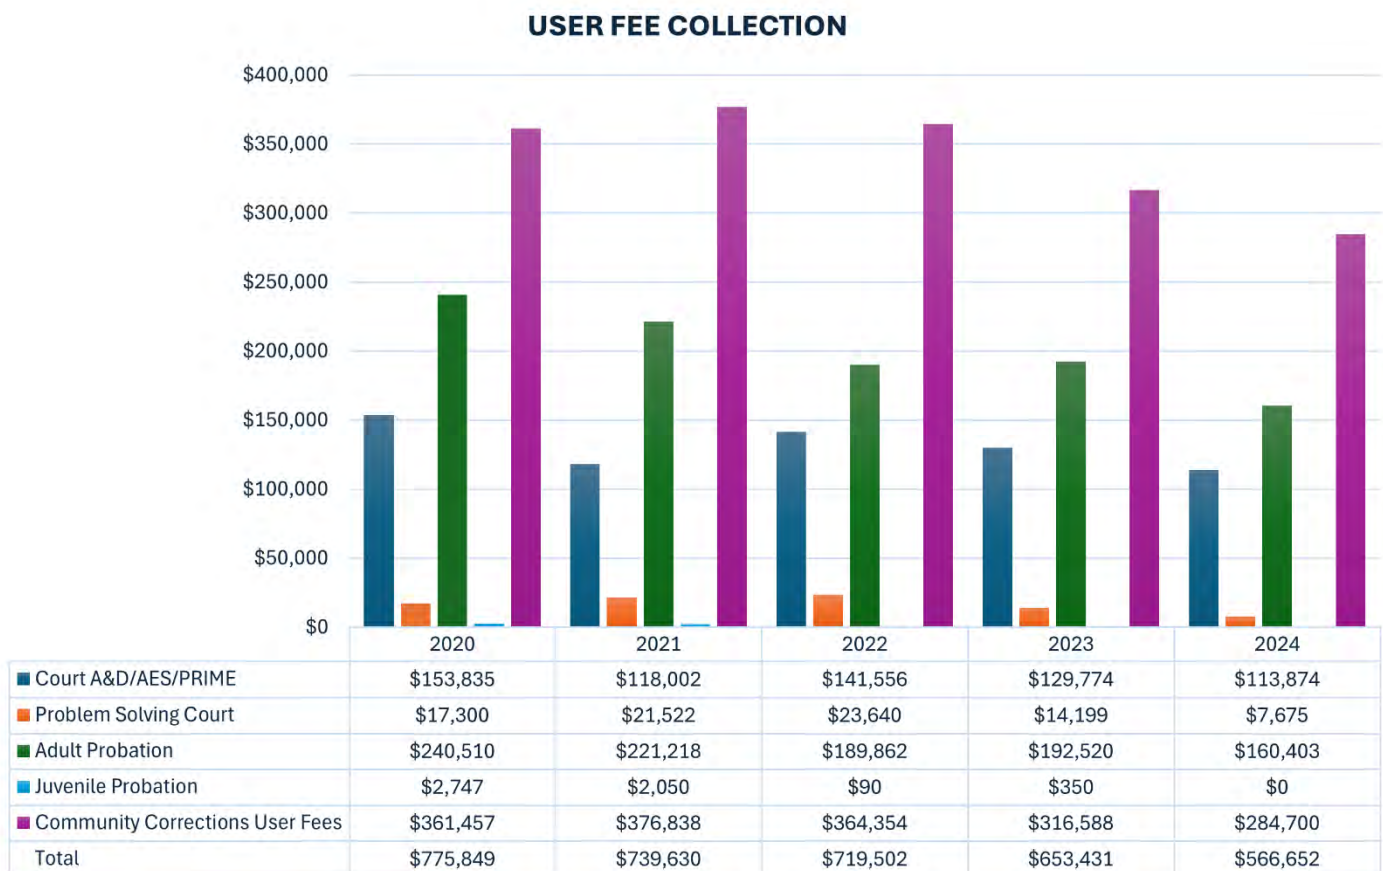

Probation user fees also are used to pay for County expenses that would otherwise have to be paid from County tax-based funds, such as:

- General operating expenses such as postage and office supplies (NOTE: county tax-based funds are not a primary source of general operating expenses for the Department; such general operating expenses are supported primarily from grants and user fees);
- Replacement of office equipment; and
- Training: POs are required to have 12 hours of continuing education per year to remain certified.

USER FEE COLLECTIONS

The Department is responsible for collecting adult probation user fees, problem solving court user fees, and Community Corrections program fees. The Monroe County Clerk collects Court Alcohol & Drug (A&D) Program fees, Alcohol and Marijuana Education School (AES) fees, PRIME for Life fees, Drug Court Fees (prior to a 2010 statute changing the fee to a Problem-Solving Court fee), and Pretrial Diversion (PDP) Community Service Program fees.

In 2024, user fee collections decreased 13% from 2023, to a total of \$566,652. The table below indicates the amount of user fees collected.

USER FEE COLLECTION RATES

Despite efforts by the Department to collect all fees assessed by the court, some clients do not pay the user fees, program fees, and restitution as directed. In 2024, \$1,351,723 of various assessed fees were unpaid with most of the remaining fees ordered as a judgment against clients/program participants. Unpaid assessed user fees are almost twice the amount of user fees collected.

The following table represents collection rates in 2024 (includes only fees collected in the Department, does not include fees collected by the Monroe County Clerk). All assessments were totaled by account and all fees paid or waived in the same year were totaled by account to establish a collection rate for each individual account.

	2020	2021	2022	2023	2024
Adult Felony Administrative	69.6%	63.8%	68.3%	62.7%	51.6%
Adult Felony Initial and Monthly	59.9%	58.1%	56.4%	58.4%	32.2%

Drug Test (Problem Solving Court Saliva)	76.4%	54.2%	83.3%	66.2%	79.1%
Drug Test (Probation Saliva)	34.6%	23.6%	30.3%	32.5%	33.1%
OVERALL COLLECTION RATE	61.2%	60.4%	62.3%	59.0%	50%

**Rates prior to 2024 were calculated by using all cases that were closed in the applicable year. Of those closed cases, all assessments were totaled by account and all fees paid or waived were totaled by account to establish a collection rate for each individual account. NOTE: In 2022, the Board of Judges eliminated optional fees for juvenile probation services.*

DEPARTMENTAL FUNDING SOURCES AND BUDGETS

The Department works diligently to find innovative funding opportunities to provide programs and services without having to dip into the strapped county tax-based funds.

The table below outlines the Department's budgets and sources of funds. Each item reflects the amount of funding available during the 2024 fiscal year and may include unspent grant funds awarded in previous years. User fees not spent during the budget year remain in the respective user fee account and do not revert to any other budget/account.

	Taxes (58%)	User Fees (15%)	Grants (27%)
County General Tax	\$2,943,422	-	-
Special Purpose Local Income Tax (Juvenile)	\$1,054,819	-	-
Public Safety Local Income Tax	\$505,210	-	-
Adult Probation User Fees	-	\$259,788	-
Juvenile Probation User Fees*	-	\$18,883	-
Problem Solving Court User Fees	-	\$53,007	-
Court Alcohol and Drug Program Fees	-	\$217,610	-
Community Corrections User Fees (Project Income)	-	\$649,053	-
County Offender Transportation	-	\$3,000	-
Community Corrections Grants (Community Corrections Program, Mental Health Court, Drug Court, Pretrial Services Program)	-	-	\$1,528,120
JDAI Grants (Coordination, Programming, and Data Analysis & Research)	-	-	\$75,000
JDAI BONUS Grant			\$62,042
Veterans Court Grant (Indiana Supreme Court/ISC)	-	-	\$78,220
Pretrial Project Grant (ISC)	-	-	\$207,345
Problem Solving Court Grants X 4 (ISC, for Drug Court, Veterans Court, Reentry Court, and Mental Health Court)	-	-	\$94,982
Justice Partners Grant (SFY 2024-2025)	-	-	\$56,459
Monroe County CARES Grant	-	-	\$1,350
TOTALS – \$7,808,310	\$4,503,451	\$1,201,341	\$2,103,518

* Effective June 15, 2022, Juvenile Probation User Fees and Juvenile Community Corrections Fees no longer assessed pursuant to revised Fee Order signed by Board of Judges.

JUVENILE DIVISION

The Juvenile Division of the Department is responsible for the investigation and supervision of juveniles referred to the Monroe Circuit Court. A juvenile is typically a youth under age 18 at the time of the alleged offense.

Unlike the adult probation system where adult offenders are not generally introduced to the probation system until *after* a conviction, probation is the *starting* place for a juvenile's interaction with the juvenile justice system. All juvenile cases processed through the juvenile justice system begin with a written report, or referral. The Juvenile Division receives referrals from various sources, including law enforcement, parents, schools, businesses, and the public. Juveniles are referred to the Department for committing delinquent acts or status offenses. Delinquent acts are defined as acts that would be crimes if committed by an adult. Status offenses are acts of delinquency that are not crimes for adults, and include truancy, incorrigibility, curfew violation, and runaway.

After the Juvenile Division receives a new referral, a determination is made by the Prosecutor if legal action could be taken. For those referrals where legal action could be taken, the Juvenile Division completes a Preliminary Inquiry investigation into the delinquent act by formally interviewing the juvenile and parents/guardians/custodians. At the conclusion of this investigation, a Preliminary Inquiry report is assigned to the Prosecutor which includes recommendations from the juvenile probation officer regarding how the referral should proceed. The recommendations could include a request to waive the case to adult court, request formal filing of a delinquency petition against the juvenile, informally adjust the case, refer the juvenile and/or family to another agency for services, or recommend dismissal of the case.

Supervision of a juvenile occurs if the juvenile's case is approved for an informal adjustment (also known as informal probation), or supervision can occur after a juvenile is found to be delinquent (admission or true finding) by a court and placed on formal probation. Additionally, the Juvenile Division supervises juveniles who have been court-ordered to a placement facility in the best interest of the juvenile.

The Juvenile Division ended 2024 with seven (7) full time juvenile line probation officer positions, an evidence-based practices probation officer, and a probation supervisor. The probation officer line staff included:

- two (2) probation officers assigned to the Juvenile Intake unit;
- four (4) probation officers supervising a mixed caseload of pre-adjudication monitoring, formal and informal supervisions at all risk levels (per Indiana Youth Assessment System/IYAS);
- one (1) evidence based practices probation officer; and
- one (1) probation officer who served as the Juvenile Detention Alternatives Initiative (JDAI) Coordinator.

At year-end 2024, there were 22 youth under the supervision of the Juvenile Division.

JUVENILES DETENTION ALTERNATIVES INITIATIVE (JDAI)

In 2014, the Juvenile Division became involved with the Juvenile Detention Alternatives Initiative (JDAI). This initiative was created by the Annie E. Casey Foundation and is a bipartisan movement for juvenile justice reinvestment. The initiative involves the reallocation of government resources away from mass incarceration and toward investment in youth, families, and communities. Goals of the JDAI include promoting positive youth development and enhancing public safety by eliminating unnecessary or inappropriate confinement.

Though driven primarily by the Monroe Circuit Court and the Juvenile Division of the Department, JDAI is a community initiative that requires participation from resources in the community to be effective.

The JDAI has been phenomenally successful in Monroe County. Monroe County JDAI 2024 highlights include:

- 2024 – Average Daily Population (Secure Detention) = **.80**
- 2024 – Ranges for Average Daily Population: Low = 0; High 2
- 2024 – Total Days with -0- in Secure Detention **31 (August)**
- Average daily shelter population = **0.1**. Low = 0; High = 1. Full months with -0- in Shelter Care = 8
- Youth Placed in Residential Placement = 4
- Youth Waived to Adult Court = 0
- Youth Sentenced to the Indiana Department of Correction = 1

Early in the COVID-19 pandemic and local “lockdown,” which included the court and probation offices closing for more than two months in 2020, the Juvenile Division began delivering “Care Packages for Kids.” This JDAI project started as an easy and safe way to interact with probation-involved youth and their families. Monroe County and other Indiana JDAI jurisdictions received recognition in local and state-wide media for initiating these care packages as an innovative way to maintain contact with juveniles and their families. Care bags are filled with personal hygiene items, seasonally appropriate items, microwaveable meals, and more. Since the 2020 inception of this effort through 2024, more than **235** bags have been provided to system-involved youth. The impact of the Care Bags extends far beyond those 235 bags, as Care Bags are also available to those living in the home who can benefit from the items.

In 2024, JDAI grant funds were used to support local community youth and family engagement efforts. Specifically, funds were awarded to The Warehouse to enhance their community center’s work-out area and purchase various sporting equipment, the City of Bloomington to support their youth summits, created to focus on uplifting the strengths and successes of Black and Latino communities, locally and nationally, the Truancy Termination Partnership Program to identify and address the underlying challenges to school attendance, and supporting accessibility services for the Monroe County Childhood Conditions Summit. A new partnership was developed with a local nonprofit, People and Animals Learning Services (PALS), providing no-cost ground based equine programming to system involved and non-system youth and families, designed to improve family relationships.

JDAI Project Committees: (all committees meet quarterly)

- **Steering Committee** – Discusses progress of the entire JDAI project and the work of all JDAI committees.
- **Data Workgroup** – Monitors statistics and provides information to the committees to make data-driven decisions.
- **Case Processing Workgroup** – Works toward greater efficiency in case processing to ensure justice is served in an efficient and just manner.

2024 JDAI Alternative Program Highlights:

- Alliances to Disseminate Addiction Prevention and Treatment (ADAPT) – The local JDAI initiative joined a partnership with the Indiana University School of Medicine and Centerstone to develop and study the efficacy of substance abuse education through local mental health facilities.
- Trust-Based Relational Intervention (TBRI) – Provided training to leadership and staff regarding the impact of trauma on brain development and behavior.
- Race, Equity, and Inclusion (REI) Assessment of Juvenile Probation Conditions – Staff participated in the creation of new language for probation conditions while viewing each condition through an REI lens for impact on various populations served. Implementation of these conditions began in 2024.
- Truancy Termination Partnership Program – Provided support to the Youth Services Bureau for incentives for youth and families who demonstrate progress in the program.
- City of Bloomington Commission on the Status of Children and Youth and Commission on the Status of Black Males – Provided financial support (grant) for one day event for middle and high school aged youth to focus on strengths and successes of Black and Latino local and national communities to inspire, support, and motivate youth.
- Monroe County Childhood Conditions Summit – Provided financial support to include accessibility services for the summit that includes closed captioning, American Sign Language interpretation, and other supportive options.
- People and Animals Learning Services – Provided 10-week ground-based equine programming, to both system and non-system youth and families, designed to enhance their relationship.

JUVENILES REFERRED

A referral is a written report received from various sources, including law enforcement, parents, schools, businesses, and the public. Juveniles are referred to the Department for committing delinquent acts or status offenses when they are under the age of 18 at the time of the alleged offense. Delinquent acts are defined as acts that would be crimes if committed by an adult. Status offenses are acts of delinquency that are not crimes for adults, and include truancy, incorrigibility, curfew violation, and runaway.

The table below shows the number of individual juveniles for which the Department received a referral. If a juvenile was referred more than once or in more than one case, the juvenile is categorized by the highest level (most serious) referred offense.

INDIVIDUALS REFERRALS RECEIVED

The table below indicates the total number of referrals received during the year; 210 individual juveniles were referred for 320 referrals (delinquent acts and/or status offenses).

TOTAL REFERRALS

JUVENILE REFERRALS RECEIVED, 1984-2024

The Department began publishing Juvenile referral statistics in 1984. That year, there were 545 referrals.

Over the next few years, referral numbers trended upward, reaching the highest number of referrals in 2012 with 1,297 referrals. The next year, referral numbers dramatically reduced to 713 for 2013 (a 29% decrease).

After peaking in 2012 at 1,297 referrals, referral numbers have declined gradually. The 292 referrals received in 2020 is the all-time lowest number of referrals received since the Department began tracking these numbers. The COVID-19 pandemic may account for low referral numbers in 2020, continuing with low referral numbers in 2021, 2022, 2023, and 2024.

NUMBER OF REFERRALS BY YEAR

1984	1985	1986	1987	1988	1989	1990	1991	1992	1993	1994	1995	1996	1997
545	601	522	598	767	672	825	832	709	761	961	761	867	1,107
1998	1999	2000	2001	2002	2003	2004	2005	2006	2007	2008	2009	2010	2011
1,205	1,106	1,066	999	1,069	880	962	816	855	958	1,296	1,054	1,098	1,061
2012	2013	2014	2015	2016	2017	2018	2019	2020	2021	2022	2023	2024	
1,297	713	577	565	577	640	537	396	292	382	332	346	320	

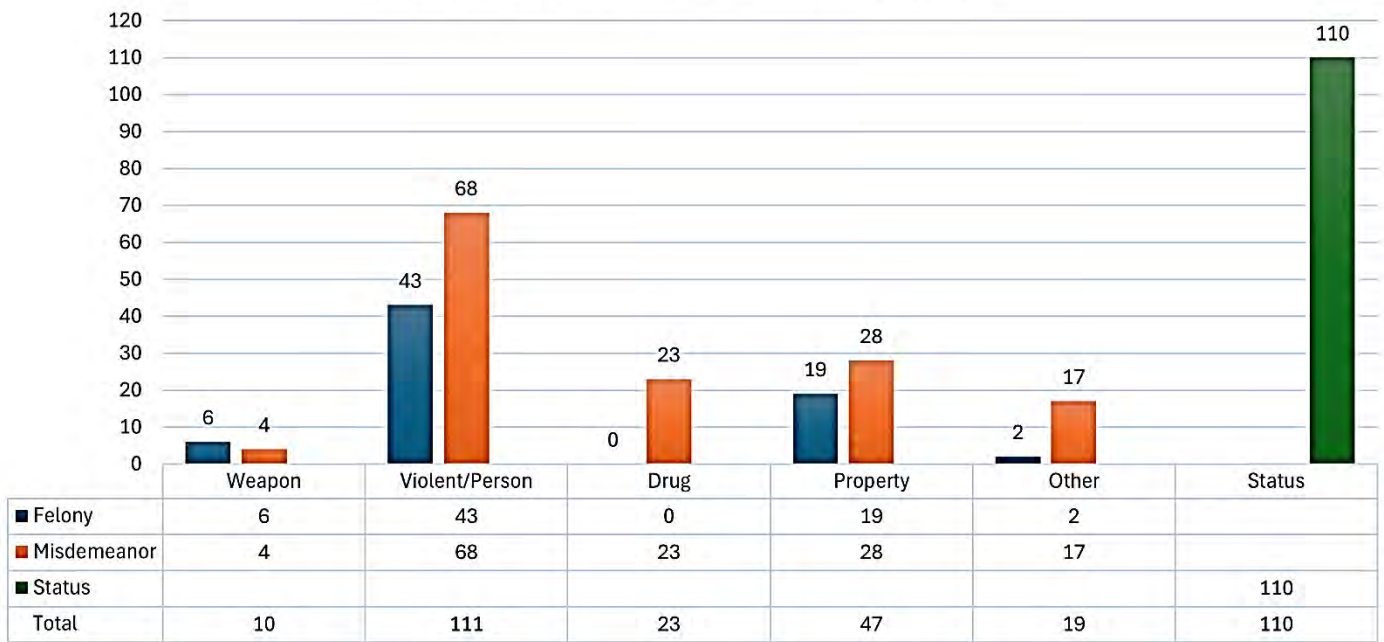

*Years in green distinguish years in which the Department was part of JDAI.

OFFENSE TYPES FOR JUVENILE REFERRALS RECEIVED

Some juveniles are referred for more than one offense at the time the referral was made to the Juvenile Division. The table below illustrate the type of offenses for which a juvenile was referred in 2024. A full list of the offenses can be found in the appendix.

2024 OFFENSE TYPES

OFFENSE TYPES FOR REFERRALS RECEIVED

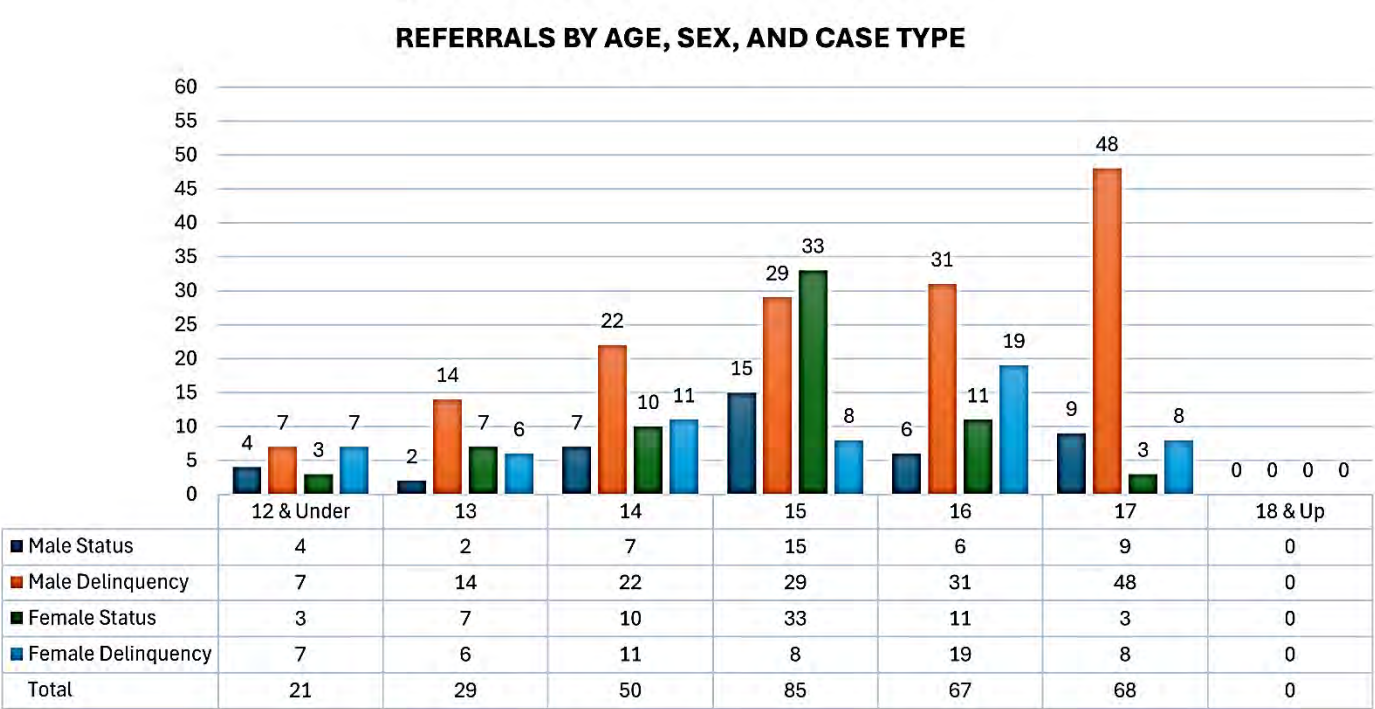

The chart below shows the type of offenses for which a juvenile was referred in the past five (5) years.

OFFENSE TYPES FOR REFERRALS RECEIVED

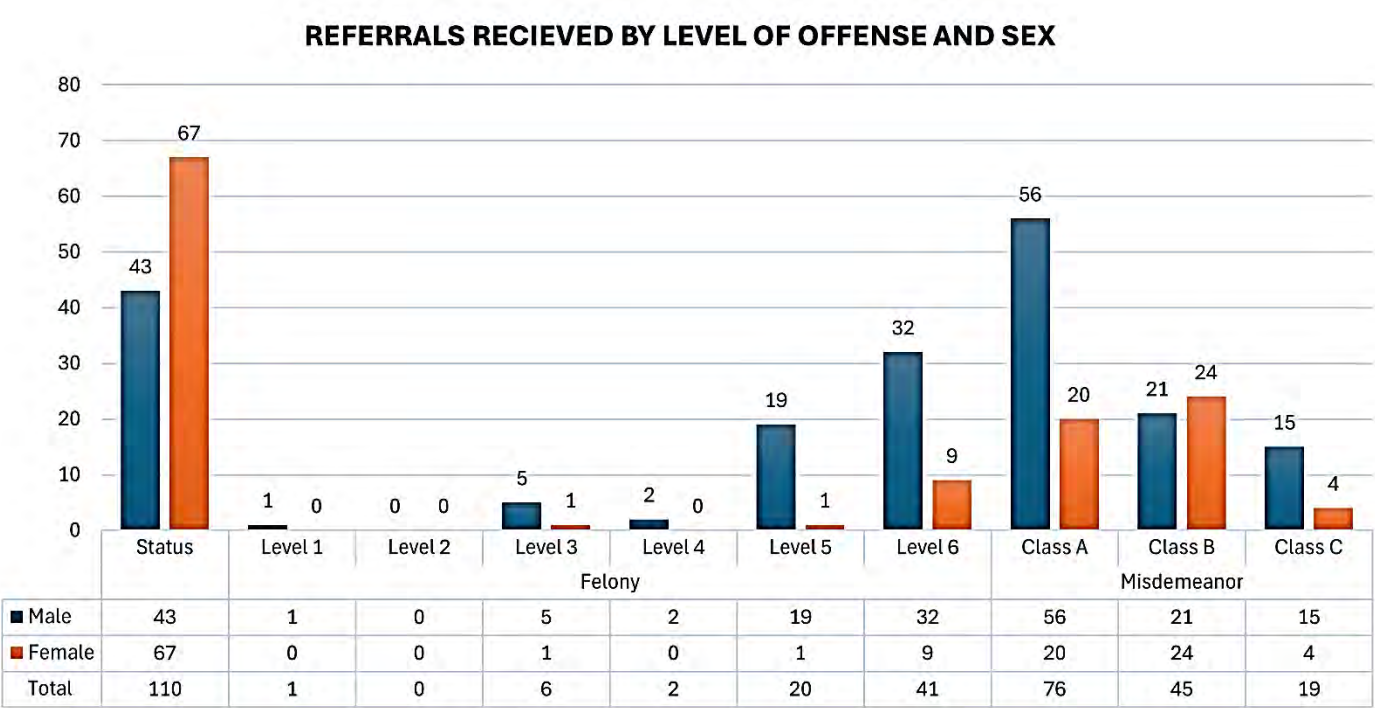

JUVENILE REFERRALS RECEIVED BY AGE, SEX, AND CASE TYPE

The chart below indicates the total number of referrals received during the year broken down by age, sex, and case type in 2024.

JUVENILE REFERRALS RECEIVED BY LEVEL OF OFFENSE AND SEX

The chart below indicates the total number of referrals received during the year broken down by sex and offense level.

DISPOSITION OF JUVENILE REFERRALS RECEIVED

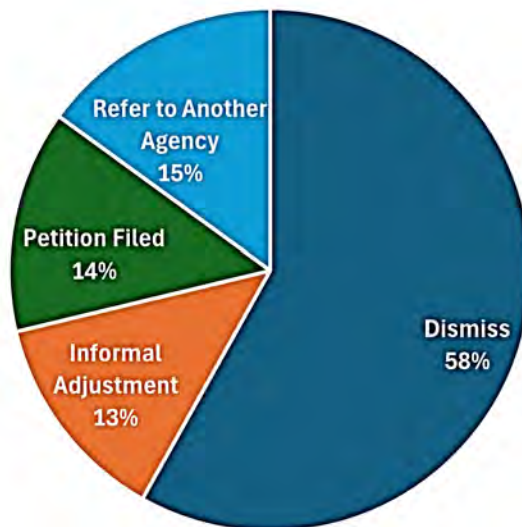

Referrals can be disposed in several ways; some are disposed prior to action from the Juvenile Division at the discretion of the Prosecutor, some are disposed after the completion of a Preliminary Inquiry investigation. The chart below shows how many preliminary inquiries were completed by Juvenile Probation in 2024.

PRELIMINARY INQUIRIES COMPLETED

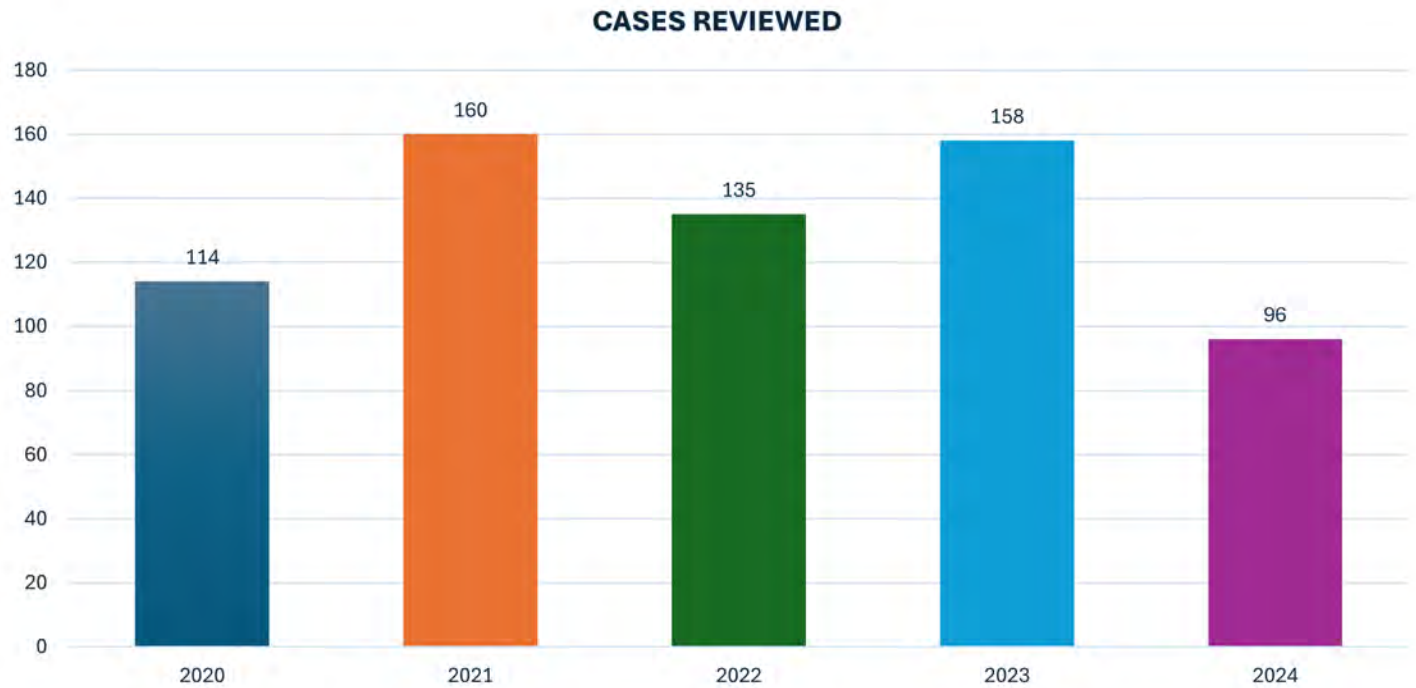

The chart below shows how the 320 referrals received in 2024 were disposed.

DISPOSITION OF REFERRALS

JUVENILE INTAKE TEAM

The Juvenile Division Intake Team is comprised of juvenile probation officers who meet weekly to review the investigative reports completed on each new referral received and discuss recommendations. The purpose of this review is to address questions or concerns about cases and to ensure consistent application of the risk assessment instrument occurs. The Intake Team review process assists and supports juvenile probation officers as they strive to utilize evidence-based, cost effective, and individualized responses to address delinquent behavior. The chart below shows the number of cases reviewed by the Intake Team.

JUVENILES RECEIVED FOR SUPERVISION

The chart below shows the number of individual juveniles placed on formal and informal probation supervision in 2024. If a juvenile was placed on probation more than once or in more than one case, the juvenile is categorized by the highest level of supervision and highest level (most serious) of delinquent offense. Juveniles may be placed under probation supervision multiple times or in multiple cases.

INDIVIDUAL SUPERVISIONS RECEIVED

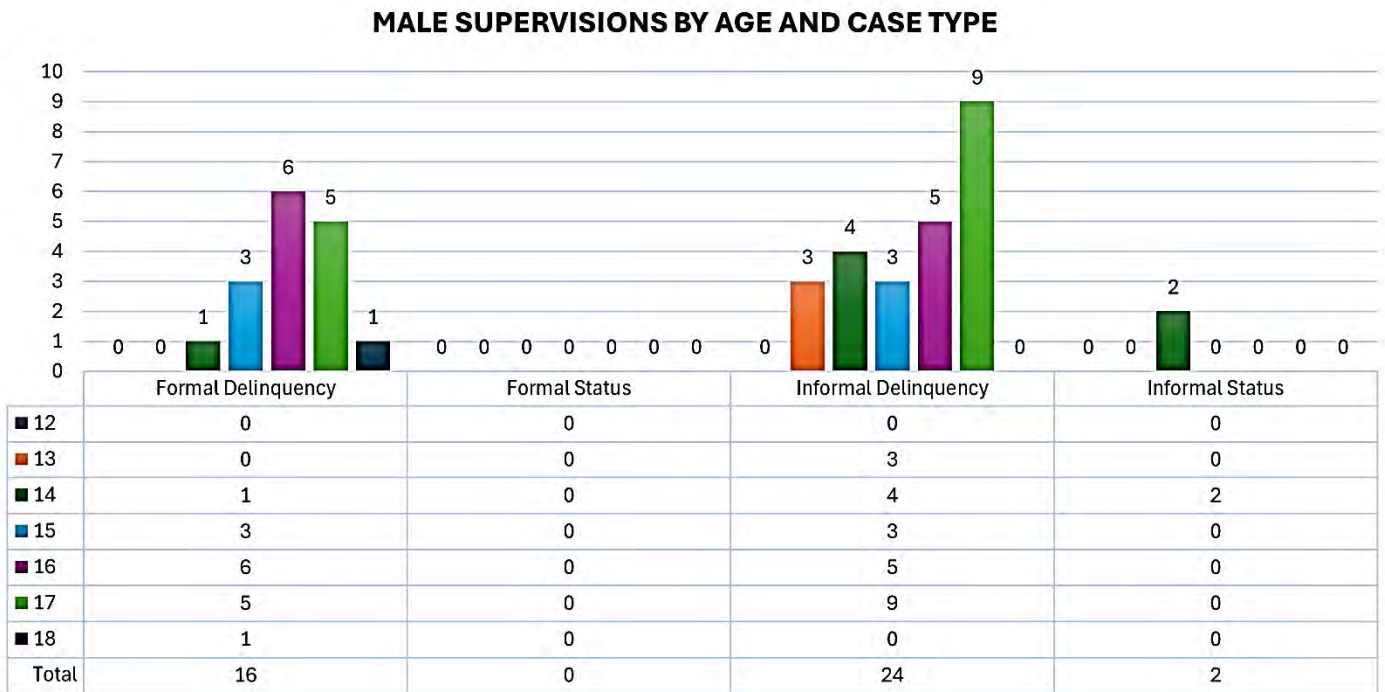

The chart below shows the number of formal and information probation supervisions received for juveniles in 2024.

SUPERVISIONS RECEIVED

JUVENILE PROBATION SUPERVISIONS RECEIVED BY SEX, AGE, AND CASE TYPE

The chart below shows the number of male supervisions received by case type and age.

The chart below shows the number of female supervisions received by case type and age.

JUVENILE PROBATION SUPERVISIONS RECEIVED BY OFFENSE TYPE

Some juveniles are found delinquent (guilty) for more than one offense at the time of supervision. The chart below illustrates the type of offenses for which a juvenile was placed on supervision in 2024. A full list of the offenses can be found in the appendix.

OFFENSE TYPES FOR SUPERVISIONS RECEIVED

The chart below shows the type of offenses for which a juvenile was on supervision in the past 5 years.

OFFENSE TYPES FOR JUVENILE SUPERVISIONS

JUVENILE PROBATION SUPERVISIONS CLOSED

The following chart represents the number of juvenile probation supervisions closed in 2024.

The chart below represents supervisions closed in the past five years.

The graph below represents the type of discharge for supervisions closed in 2024. Juveniles could have been discharged from multiple supervisions in multiple cases and each case could have a different type of discharge depending on the final disposition given by a court.

YEAR END OPEN JUVENILE PROBATION SUPERVISIONS

The following represents the total number of juvenile probation supervisions open at the end of 2024.

OPEN CASES AT END OF 2024

YEAR END JUVENILE PROBATION CASELOADS

The following represents the average number of juveniles each juvenile probation officer was supervising or monitoring at the end of 2024. NOTE: from 2015-2019 pre-COVID-19 pandemic, caseload sizes average 17 per juvenile probation officer.

CASELOAD SIZE AT END OF 2024

PREDISPOSITIONAL REPORTS

Predisposition Reports (PDRs) are generally completed after a finding of delinquency (guilt) to provide information to a court regarding the juvenile's risk and needs. The information included consists of the juvenile's delinquency history; personal and family history; school involvement; physical, mental, and substance use history; and an evaluation of the risk the juvenile poses to the community. The chart below provides information on the number of PDRs completed over the past five (5) years. NOTE: from 2015-2019 pre-COVID-19 pandemic, the average number of predispositional reports completed annually was 29.

CIVIL DIVISION INVESTIGATIONS

The Juvenile Division assists the Civil Division of the Court by conducting investigations in divorce and paternity cases to provide the Court with information regarding parents and their child(ren). Examples of the information that could be investigated is the child's school performance/attendance or the child's living environment. The Courts have not assigned any civil investigations since 2019.

JUVENILE DETENTION

Juveniles placed in secure detention are transported to a detention facility in another Indiana county. Monroe County typically utilized the Southwest Indiana Regional Youth Village (SWIRYV) in Vincennes for secure detention; however, that facility closed in March 2024. Due to staffing and capacity issues, the use of detention facilities in Bartholomew, Johnson, and Delaware counties along with temporary housing at the Department of Correction have become necessary. The costs listed in the table below were paid in 2024, however these costs could have been for services delivered the previous year due to billing times. The table below shows the total juveniles admitted to secure detention; each juvenile could have been securely detained multiple times.

SECURE DETENTIONS BY SEX

SECURE DETENTION BY ADMISSIONS AND DAYS

A table indicating the daily population of juveniles held in detention can be found in the appendix.

SECURE DETENTION COSTS

Costs may not include ancillary costs such as: transportation to/from detention and court hearings; medical expenses incurred while in detention; and the payment of staff to supervise youth prior to transport/court.

JUVENILE SHELTER PLACEMENT

At times the need arises to remove children from their home, but securely detaining the youth is not necessary. When these circumstances arise, the Monroe County Youth Shelter is often utilized though other shelters within Indiana are used when necessary. In 2024, the Juvenile Division authorized four (4) individual youth to be placed in a youth shelter. These four (4) youths (2 male and 2 female) represent four (4) separate placements for a total of 57 days. A table indicating the daily population of juveniles held in shelter can be found in the appendix.

JUVENILE RESIDENTIAL PLACEMENT

In addition to the times when a juvenile must be securely detained or placed at a youth shelter, some juveniles require longer-term care outside of their home. These placements include foster care, group homes, residential treatment centers with specialized programming, and inpatient hospital settings. Five (5) juveniles were ordered into out-of-home residential placement by the court in 2024.

JUVENILES WAIVED TO ADULT COURT

In Indiana, a juvenile may be waived to adult court if they are accused of committing a serious offense and meet certain legal criteria.

JUVENILE DEPARTMENT OF CORRECTION COMMITMENTS

In Indiana, a juvenile may be sent to the Department of Correction (DOC) if they are adjudicated delinquent for a serious offense and deemed in need of a more secure placement than a local detention facility or probation can provide.

INDIANA YOUTH ASSESSMENT SYSTEM AND JUVENILE PROGRAM REFERRALS

As required by the Judicial Conference of Indiana, the Juvenile Division has been utilizing the Indiana Youth Assessment System (IYAS) since 2011. The IYAS is the risk assessment system made up of six (6) instruments to be used at specific points in the juvenile justice process to identify a juvenile participant's risk to reoffend and criminogenic needs and assist with developing an individualized case management plan. [NOTE: Criminogenic needs are attributes of offenders that are directly linked to criminal behavior. Effective correctional treatment should target criminogenic needs in the development of a comprehensive case plan. Any treatment not targeting criminogenic needs is counter-productive to efficiency and effectiveness.]

Diversion Tool - designed to assess a youth's risk to reoffend within the next 12 months and is best used at initial contact for the instant offense to assist in making diversion decisions.

Detention Tool - designed to assess a youth's risk to reoffend within the next 12 months and is best used prior to detention to assist in making hold/release decisions and can also be used in making decisions regarding releases from detention.

Disposition Tool - designed to assess a youth's risk to reoffend and identify criminogenic needs to assist in making decisions regarding post-adjudication supervision to assist in creating a supervision case plan for the youth. The Disposition Tool also has a screening tool to quickly identify youth who are low-risk and determine if a full risk assessment should be completed.

Residential Tool - designed to assess a youth's risk to reoffend and identify criminogenic needs to assist in making decisions regarding level of placement, case planning, and length of stay recommendations.

Re-entry Tool - designed to assess a youth's risk to reoffend and identify criminogenic needs to assist in making decisions regarding release, case planning, and length of stay in residential placements.

The following charts represents IYAS assessments completed by the type of tool in 2024. More than one risk assessment could have been completed on a juvenile during the time a case is open and depending upon the status of each case.

The following charts represents IYAS assessments and the percentage of juveniles risking at each level in 2024. More than one risk assessment could have been completed on a juvenile during the time a case is open and depending upon the status of each case.

PERCENTAGE AT OVERALL RISK LEVEL

Juveniles placed on supervision are assessed using the Disposition Tool. This tool provides a risk level in each of the seven life domains the tool reports. After the completion of the tool, case plans are formulated to address a juvenile's risk and needs to reduce the likelihood the juvenile will reoffend and/or violate the terms of his/her supervision. The following chart represents the number and percentage of assessments scoring in each of the risk levels – high, moderate, and low for the Disposition Tool.

DISPOSITION TOOL RISK LEVELS

Upon the completion of a case plan, juveniles, and often their families, are referred to various services and programs in our community. The following table shows the programs juveniles, and their families were referred to as part of a case plan and the risk domains these programs address.

Program	Domain(s) Addressed	Referrals Made
Case Management Services (Mental Health)	6	35
Carey Guides/Change Companies (Interactive Journals)	2, 3, 5, 6, 7	12
Counseling – Family Outpatient	2	4
Counseling – Individual Outpatient	6	33
Counseling – Substance Use Outpatient	6	1
Evaluation – Inpatient / Psychological	6	4
Evaluation – Outpatient Psychiatric / Psychological	6	6
Evaluation – Outpatient Psychosexual	6	3
Evaluation – Outpatient Substance Use	6	2
Extracurricular Activity	3, 5	6
Family Preservation	2	7
Graduation Coach Services	4	1
High School Equivalency Classes	4	7
Homemaker / Parent Aid	2	1
Intensive Outpatient Program (Substance Use)	6	1
Intercept Program	4	4
Parent Project	2	
People and Animal Learning Services (PALS)	2,3,5	
Prime for Life	6	1
Seeking Safety	6	10
Sex Offender / Maladaptive Treatment	6	1
STEP – Shoplifting Theft Education Program	5, 6, 7	2
Teen Intervene	5, 6, 7	19
T.H.R.I.V.E.	6	2
Tutoring / Literacy Classes	4	9
Victim Offender Restoration Program (VORP)	5, 7	31
Wraparound Services	2, 6	1

ADULT PROBATION DIVISION

The Adult Division of the Department is responsible for the supervision of adult offenders placed on probation and/or referred to the Court-administered Alcohol and Drug Program. The Adult Division conducts investigations, evaluations, and assessments on justice-involved individuals sentenced to community supervision and when ordered by a court prior to a finding of guilt or innocence and/or sentencing.

The Adult Division is comprised of the following units: Adult Intake Unit; Adult Low/Administrative Supervision Unit; Adult High/Moderate Supervision Unit; and Enhanced Supervision Unit (ESU).

There are six (6) POs assigned to the Adult Intake Unit; two (2) Intake POs complete Presentence Investigations and the remaining four (4) Intake POs conduct formal evaluations that include a substance use assessment and risk assessment on newly sentenced offenders. The purpose of these evaluations is to determine an offender's risk and needs so that appropriate referrals for services can be made to promote an offender's successful completion of community supervision.

The Low/Administrative (Admin) Supervision Unit reports to the Court Alcohol and Drug Director. The unit consists of four (4) POs, with two (2) POs assigned to each Court Team. These caseloads are comprised of a mix of clients who are assessed by the Indiana Risk Assessment System (IRAS) as low risk, and/or are being supervised by another jurisdiction as part of the Indiana Intrastate Transfer process or the Interstate Compact System.

The remainder of the general Adult Probation caseload is supervised by High/Moderate Supervision Unit, comprised of eight (8) POs, with four (4) POs assigned to each Court Team. These caseloads are comprised of a mix of clients who were assessed by the IRAS as high and moderate risk. Each Court Team has four (4) POs supervising a high/moderate caseload for two Criminal Court Divisions.

The ESU officers supervise high risk serious violent felons, sex offenders, clients diagnosed with a serious mental health issue (SMHI) who are not accepted in the Mental Health Court, and offenders convicted of crimes related to domestic violence (DV). There are five (5) POs assigned to this unit and are intended to have smaller caseloads to permit more intensive supervision.

During 2024, the Adult Division was comprised of 23 POs, with eight (8) POs assigned to the High/Moderate Supervision Unit, four (4) POs assigned to the Low/Admin Supervision Unit, five (5) POs assigned to ESU, and six (6) POs (including one part-time PO) assigned to the Adult Intake Unit.

The Adult Probation Division continues to decrease the number of clients supervised by POs to assigned to the Moderate/High Risk caseloads. This differential supervision assignment:

- Allows time for POs to complete a behavioral analysis and an individualized case plan targeting the highest risk and need areas to reduce recidivism;
- Allows POs more time with clients to target criminogenic need areas identified by the IRAS;
- Allows POs time to utilize skill-building and practice with clients;
- Allows for more time for field supervision (homes and workplaces) of high risk clients;
- Allows POs to oversee caseloads that support individual POs' strengths;
- Allows for additional coverage options (during PO absences) within teams as more POs will have working knowledge of cases within each team;
- Allows Supervisors to target coaching of POs toward the needs of each caseload;
- Allows the Department to follow evidence-based practices (EBP) principles by supervising *low* risk offenders with *low* risk supervision practices, which has been shown by research to reduce the likelihood of increasing the risk of low risk offenders;
- Allows for smaller caseloads of Moderate/High risk offenders to provide POs time for more immediate responses to violations including the use of intermediate sanctions versus filing revocation petitions; and
- Allows PO more time to reinforce/incentivize positive client changes.

At year-end 2024, the Adult Supervision Unit caseload averages (persons being supervised per PO):

Enhanced Supervision Unit (ESU) = **34**

*Low/Administrative Caseloads = **149**

*High/Moderate Caseloads = **42**

*[NOTE: If all non-ESU Court Team cases were to be combined, the average caseload per each of the 12 POs would be 95 probationers per PO.]

ADULTS RECEIVED FOR SUPERVISION

The chart below shows the number of individuals placed on probation supervision in 2024. If an individual was placed on probation more than once or in more than one case, the individual is categorized by the highest level of convicted offense. Persons may be placed under probation supervision multiple times or in multiple cases.

INDIVIDUALS SUPERVISIONS RECEIVED

The chart below shows the number of probation supervisions received for adults in 2024.

SUPERVISIONS RECEIVED

ADULT SUPERVISIONS RECEIVED BY SEX, AGE, AND OFFENSE LEVEL

The chart below shows the number of supervisions received by sex, age, and offense level for 2024.

ADULT SUPERVISIONS RECEIVED BY OFFENSE TYPE

The chart below shows the number of supervisions received by offense type for 2024. A full list of the offenses can be found in the appendix.

OFFENSE TYPES FOR SUPERVISIONS RECEIVED

The chart below shows the type of offenses for which an adult was on supervision in the past 5 years.

OFFENSE TYPES FOR SUPERVISIONS RECEIVED

ADULT PROBATION SUPERVISIONS CLOSED

The following charts represents the number of adult probation supervisions closed in past five years. Offenders could have been discharged from multiple supervisions in multiple cases and each case could have a different type of discharge depending on the final disposition given by a court.

The following charts represents the type of closure for each supervision in 2024. Offenders could have been discharged from multiple supervisions in multiple cases and each case could have a different type of discharge depending on the final disposition given by a court.

TYPE OF SUPERVISION CLOSURE

YEAR END OPEN ADULT PROBATION SUPERVISIONS

The following represents the total number of adult probation supervisions by offense level which were open at the end of each year for the last five (5) years.

OPEN SUPERVISIONS AT YEAR END

YEAR END ADULT PROBATION SUPERVISION CASELOADS

The following represents the average number of clients each adult probation officer was supervising by the assigned unit at the end of the year for the last five (5) years.

CASELOAD SIZES AT YEAR END

ADULT PROBATION SUPERVISION TRANSFERS

The Adult Division provides courtesy supervision to felons as well as misdemeanor probationers sentenced in other counties or states and transfers cases to other jurisdictions for courtesy supervision. The Division also accepts transferred cases and send cases to other Indiana Court Alcohol and Drug Programs. The charts below represent the number transfer cases by type received or sent during 2024.

INTRASTATE TRANSFERS

INTERSTATE TRANSFERS

PRESENTENCE INVESTIGATIONS

Presentence investigations (PSI) are conducted when ordered by a court. A PSI can be completed prior to a finding of guilt or innocence or may be conducted after a finding of guilt. PSI reports are required to be completed prior to sentencing in all felony cases except the lowest level felonies, Level 6 (for offenses committed after June 30, 2014) and D Felony (for offenses committed prior to July 1, 2014).

A PSI report is a formal report that provides pertinent information to a court regarding the defendant's risk and needs. The information in the PSI report includes: the defendant's criminal history; personal and family history; physical, mental, and substance use history; and an evaluation of the defendant's risk using the Indiana Risk Assessment System (IRAS). NOTE: in the pre-COVID-19 years 2015 through 2019, an average of 165 PSIs were completed annually.

POST-SENTENCE INTAKES EVALUATIONS CONDUCTED

Post-sentence intake evaluations are conducted by Adult Intake Probation Officers after an individual has been sentenced to some form of community supervision by the court. These formal evaluations include a substance use assessment and risk assessment utilizing the IRAS. The purpose of these evaluations is to determine an individual's risk and needs so that appropriate referrals for services can be made to promote successful completion of supervision. NOTE: in the pre-COVID-19 years 2015 through 2019, an average of 1,054 post-sentence evaluations were completed annually.

COURT ALCOHOL & DRUG PROGRAM

The Monroe Circuit Court Alcohol and Drug Program is an integral part of the Adult Division of the Probation Department. The Court Alcohol and Drug Program is certified by the Indiana Office of Court Services (IOCS). In 2023, the Program was granted a 4-year re-certification by the IOCS.

The Court Alcohol and Drug Program is administered by the Director who is responsible for the daily operation of the Adult Intake Unit and for ensuring that all staff members receive ongoing training regarding substance related issues. All adult probation officers within the Department are certified as either substance abuse professionals or maintain a Certified Substance Abuse Management (CSAMS) credential and must complete a minimum of 12 hours of continuing education every year to maintain their certification.

Probation officers hired after January 1, 2005, who supervise adult offenders as part of the Court Alcohol and Drug Program must obtain and maintain a Court Substance Abuse Management Specialist credential (CSAMS) within two years of hiring. To obtain the credential, the staff member must have a baccalaureate degree from an accredited university; be at least 21 years of age; have at least nine (9) months of full-time employment experience related to assessment, referral, and case management of clients with substance abuse problems; must complete and document at least 1,500 hours of experience in the assessment of people with substance abuse problems; complete at least 500 hours of a supervised practicum in the areas of assessment, referral and case management of substance abuse clients; complete required training; submit a signed statement to adhere to a code of ethics; and take and pass a written exam.

Adult probation officers conduct substance abuse screenings on all new cases referred by the courts for probation, regardless of case type. If the referring offense involved drugs or alcohol, or the offense was somehow related to the use or abuse of such substances, the adult probation officer will perform a more extensive substance abuse assessment; it is these cases that are considered referrals to the Court Alcohol and Drug Program.

Following the completion of the substance abuse assessment, the probation officer develops a case plan for each client. This case plan typically includes a referral to a substance abuse education program or an agency that provides treatment services. The probation officer then monitors the client's compliance with the terms of their individualized case plan.

The Court Alcohol and Drug Program does provide substance abuse education programming but does not provide any direct treatment services.

ADULT COURT ALCOHOL & DRUG PROGRAM INDIVIDUALS AND SUPERVISIONS RECEIVED

The Court Alcohol and Drug Program is integrated into the Adult Division of the Probation Department. Thus, most adults on probation supervision are also considered referrals to the Court Alcohol and Drug Program for supervision. Some individuals may be placed on supervision multiple times or in multiple cases.

Some cases transferred into Monroe County are only referred for court alcohol and drug program services and are not under probation supervision; in 2024, 28 such cases were received by the Department.

The chart below reflects the number of individuals to the Court Alcohol and Drug Program in 2024. If an individual was placed on Court Alcohol and Drug Program supervision more than once or in more than one case, the individual is categorized by the highest level of convicted offense.

INDIVIDUALS RECEIVED

The chart below represents the total number of supervisions to the Court Alcohol and Drug Program in 2024.

SUPERVISIONS RECIEVED

COURT ALCOHOL AND DRUG PROGRAM SUPERVISIONS CLOSED

The chart below represents the number of Court Alcohol and Drug Program supervisions closed for the past five years.

The following represents the number of Court Alcohol and Drug Program supervisions closed in 2024 by the type of discharge. Clients could have been discharged in multiple cases and each case could have a different type of discharge depending on the final disposition given by a court.

TYPE OF SUPERVISION CLOSURE

ALCOHOL AND MARIJUANA EDUCATION SCHOOL

The Court Alcohol and Drug Program operates a six-hour substance abuse information class, Alcohol and Marijuana Education School, known as AES. The AES curriculum targets minor first-time alcohol and marijuana offenders and is utilized by the Prosecutor's Office for Pre-Trial Diversion Program participants. The chart below shows the number of participants in 2024.

AES PARTICIPANTS

PRIME FOR LIFE

The Department provides a 12-hour substance abuse education program utilizing the cognitive-based Prime for Life Indiana (PRI) curriculum. PRI is offered to second-time Pre-Trial Diversion participants being charged with minor marijuana offenses, minor alcohol-related offenses, and probationers who have been determined to need substance education. The program began in September 2003.

PRIME FOR LIFE PARTICIPANTS

COMMUNITY CORRECTIONS PROGRAM

The Community Corrections Program is a division of the Probation Department. The Community Corrections Executive Director is also a Deputy Chief Probation Officer. The Community Corrections Division (hereafter “Division”) is primarily responsible for pretrial monitoring and post-sentence supervision of individuals placed on electronic monitoring (adult and juvenile), home detention, day reporting, and work release (transfers out-of-county). The Division also includes the Community Transition Program, Community Service Program, and the Drug Testing Program. Additionally, Monroe County’s Problem Solving Court Program falls under the Division.

The Division employs probation officers who serve as case managers, supervising caseloads of individuals who are court-ordered to complete home detention and/or day reporting through the Community Alternative Supervision Program (CASP). Additionally, the Division employs field officers to conduct field supervision of individuals at their homes, workplaces, and elsewhere.

Funding for the Division comes from several sources including the Indiana Department of Correction (IDOC) community corrections grants, user fees, local taxes, and other grants. A total of \$1,528,120 was awarded to Monroe County by the IDOC for 2024 to fund home detention, day reporting, community service, and pretrial services as well as Mental Health Court and Drug Treatment Court.

In 2024, Monroe County completed its 41st year of receiving grant funding from the IDOC. The IDOC is a significant funding source through the annual Community Corrections Program grant. As a condition of grant funding, the Community Corrections Program must undergo program audits by the IDOC to determine if the program meets criteria as an “evidence-based organization.” Our program scored 99 out of 100 in our most recent audit in 2018. In October 2022, IDOC conducted a new assessment of our Community Corrections Program using the Evidence-Based Correctional Program Checklist-Community Supervision Agency (CPC-CSA) assessment tool developed by the University of Cincinnati Corrections Institute. The assessment took place over one day, on site at Community Corrections, and included file reviews, policy reviews, client appointment observations, and interviews by CPC-CSA assessors with staff and clients. In October 2024, IDOC released the results of the assessment which included strengths and areas for improvement for components such as adherence to evidence-based practices; quality assurance; and organization leadership.

COMMUNITY CORRECTIONS ADVISORY BOARD

The Monroe County Community Corrections Advisory Board (CCAB) was established in 1982. In 2021, Judge Mary Ellen Diekhoff was re-elected as CCAB chair and Chief Probation Officer Linda Brady was re-elected as vice chair. The CCAB meets quarterly (January, April, August, and October).

The CCAB consists of the statutorily required members (per IC 11-12-1-2 such as judges, prosecuting attorney, public defender, etc.) as well as appointed members representing local law enforcement, schools, social service organizations, victim, and former offenders.

The CCAB monitors and approves Community Corrections funding, programs, and services. Copies of the minutes from all CCAB meetings are posted on the Department’s website and may be requested from the Community Corrections Executive Director.

LOCAL JUSTICE REINVESTMENT ADVISORY COUNCIL (JRAC)

The Monroe County CCAB also serves at the local Justice Reinvestment Advisory Council (local JRAC) per IC 33-38-9.5-6.

Indiana jurisdictions are required to establish local JRACs per House Bill 1068 (2021) Local or Regional Justice Reinvestment Advisory Councils.

The purpose of local JRACs is to review and evaluate system-wide justice services and implement evidence-based practices at each point in the justice system.

In 2024, the Monroe County Community Corrections Advisory Board/Local JRAC voted to request technical assistance (TA) from the State JRAC. Denise Symdon and Cyndi Mausser with the Center for Effective Public Policy (CEPP) are the Technical Advisors to Monroe County's Local JRAC. They have participated in quarterly Local JRAC meetings via Zoom and in person. They conducted onsite meetings with the statutory members of the Monroe County Local JRAC. They supported our Local JRAC to make the request for a Coordinator/Data Analyst to get the Local JRAC on track with the statutory requirements. They plan to assist the Monroe County Local JRAC to develop a plan to comply with the requirements of IC 33-38-9.5-6.

IC 33-38-9.5-6 Duties of local or regional advisory council

A local or regional advisory council shall do the following:

- (1) Review, evaluate, and make recommendations for local:
 - (A) criminal justice systems and corrections programs;
 - (B) pretrial services;
 - (C) behavioral health treatment and recovery services;
 - (D) community corrections; and
 - (E) county jail and probation services.
- (2) Promote state and local collaboration between the advisory council and the local or regional advisory council.
- (3) Review and evaluate local jail overcrowding and recommend a range of possible overcrowding solutions.
- (4) Compile reports regarding local criminal sentencing as directed by the advisory council.
- (5) Establish committees to inform the work of the local or regional advisory council.
- (6) Communicate with the advisory council in order to establish and implement best practices and to ensure consistent collection and reporting of data as requested by the advisory council.
- (7) Oversee and manage grants awarded under IC 31-40-5 and IC 31-40-6, unless another local collaborative body in the county is tasked with overseeing the grant awarded.
- (8) Prepare and submit an annual report to the advisory council not later than March 31 of each year. (2022)

COMMUNITY ALTERNATIVE SUPERVISION PROGRAM (CASP)

The Community Alternative Supervision Program (CASP) incorporates a continuum of incentives and sanctions approach to supervision. This continuum allows program staff to administratively move program participants through various levels of supervision intensity, allowing participants to experience immediate rewards for appropriate conduct and immediate consequences for violation of program and probation rules. Such immediate incentives and sanctions help to motivate individuals to successfully complete the required programming in less time, thereby maximizing the staff resources available to supervise existing caseloads.

Historically the CASP was comprised of six (6) levels of supervision. Due to the revised Indiana criminal code and with additional staffing provided by IDOC grant funds, in 2016 the CASP was expanded to 12 levels.

The CASP levels were modified in 2017. All CASP supervision levels listed below are informed by the risk scores as determined by the Indiana Risk Assessment System (IRAS).

Only CASP levels one (1) through five (5), are eligible for participants to earn time credit against their sentence.

CASP LEVELS

Level 1 (Work Release) – Out-of-county Work Release may be Court-ordered on a limited pre-approved basis. **Targeted Risk:** Moderate to High. Participants must provide own transportation to employment and must pay program fees. Greene County & Morgan County Work Release programs are available for pre-screen acceptance.

Level 2 (Therapeutic Home Detention with Residential Placement) – **Targeted Risk:** Moderate to High. **Placement Factors:** Need for residential treatment; need for sober living environment; homeless or unsuitable housing; sanction for CASP noncompliance; prior CASP noncompliance history. **Considerations for Level Reduction:** Treatment completion; specified by Court Order; upon suitable residence being secured. **Housing:** Facility costs are participant responsibility; fee assistance may be possible through health insurance and/or state-sponsored programs.

Level 3 (Enhanced Home Detention with Day Reporting) – **Targeted Risk:** Moderate to High. **Placement Factors:** Alcohol abuser; chronic unemployed; job search; multiple work/school locations; sanction for CASP noncompliance; prior CASP noncompliance history. **Considerations for Level Reduction:** Secured employment/enrolled in school; negative substance tests; case plan progress. **Day Reporting:** Participants report Monday through Friday between 7 am and 9 am or as directed (see Level 10). **Level Status Review:** High Risk = every 30 days; Moderate Risk = every 2 weeks; Low Risk = weekly.

Level 4 (Intermediate Home Detention) – **Level 4 = PRESUMPTIVE starting level for Home Detention (HD).** **Targeted Risk:** Moderate to High. **Considerations for Level Reduction:** Maintaining employment; maintaining school enrollment; negative substance tests; case plan progress. **Level Status Review:** First review after participant completes 1/2 executed HD sentence; thereafter, reviews conducted every 30 days.

Level 5 (Basic Home Detention) – **Targeted Risk:** Low to Moderate. **Placement Factors:** In lieu of incarceration; condition of probation; community corrections/ probation violator. **Level Status Review:** If on court-ordered HD, cannot move to lower level to receive credit time.

Level 6 (Electronic Monitored Home Curfew) – **Targeted Risk:** Low to Moderate. **Placement Factors:** Condition of probation or pre-trial release; sanction for probation violation. **Presumptive Curfew:** between 9 pm and 6 am or as directed. **Equipment:** Radio Frequency (RF) monitoring with landline or cellular phone.

Level 7 (Alcohol Detect Electronic Monitoring - Soberlink) – **Targeted Risk:** Moderate to High. **Placement Factors:** Alcohol abuser; Condition of probation or pre-trial release; sanction for a probation violation involving alcohol consumption.

Level 8 (Electronic Monitored Exclusion Zones) – **Targeted Risk:** Moderate to High. **Placement Factors:** Condition of probation or pre-trial release; sanction for probation violation. **Exclusion Zones:** Participants ordered to not travel to or be at designated exclusion locations. **Equipment:** GPS.

Level 9 (Drive-by Curfew) – **Targeted Risk:** Low to Moderate. **Placement Factors:** Sanction for probation violation or as a condition of pre-trial release. **Presumptive Curfew:** Participants are placed on curfew between 9 pm and 6 am (or as directed). **Equipment:** RF electronic monitoring anklet with randomized drive-by checks.

Level 10 (Day Reporting) – **Targeted Risk:** Low to Moderate. **Placement Factors:** Sanction for probation violation or as a condition of pre-trial release.

Level 11 (Pre-Trial Case Management) – **Targeted Risk:** Moderate to high.

Level 12 (Kiosk Reporting) – **Targeted Risk:** Low. **Placement Factors:** Condition of probation or pretrial release. **Check-in:** Participants report to Kiosk as directed; answer set of standard questions.

ADULT CASP LEVEL 1- WORK RELEASE

The chart below represents the number of individuals referred to work release for the past five (5) years.

INDIVIDUALS RECEIVED

The chart below represents the total number of referrals to work release made for the past five (5) years.

SUPERVISIONS RECEIVED

The chart below represents the age, sex, and offense level of the supervisions made for 2024.

SUPERVISIONS BY AGE, SEX, AND OFFENSE LEVEL

The chart below represents the number of supervisions received by offense type for the past five (5) years. A full list of the offenses can be found in the appendix.

The following chart represents the number of supervisions closed and by type of discharge for the past five (5) years.

ADULT CASP LEVELS 2-5

The charts below show the number of individuals and supervisions received on CASP Levels 2-5 (electronic monitoring/home detention where credit time could be earned) supervision. If an individual was placed on CASP Levels 2-5 more than once or in more than one case, the individual is categorized by the highest level of convicted offense.

INDIVIDUALS RECEIVED

Some individuals placed on CASP Levels 2-5 supervision are under supervision for more than one case or placed under supervision for the same case multiple times. The chart below shows the total number of supervisions for the last five (5) years.

SUPERVISIONS RECEIVED

SUPERVISIONS RECEIVED BY SEX, AGE, AND OFFENSE LEVEL

The chart below indicates the number of CASP Levels 2-5 supervisions received in 2024 broken down by sex, age, and offense level. This represents the characteristics of the individual at the time supervision began, which may be reported more than once if the individual was placed on CASP Levels 2-5 multiple times or in multiple cases.

SUPERVISIONS BY AGE, SEX, AND OFFENSE LEVEL

OFFENSE TYPES FOR SUPERVISIONS RECEIVED

Some persons placed on CASP Levels 2-5 are convicted of or charged with more than one offense. The table below illustrates the types of offenses for which an individual was placed on CASP Levels 2-5 for the past five (5) years. A full list of the offenses can be found in the appendix.

SUPERVISIONS CLOSED

The following represents the number of CASP Levels 2-5 supervisions closed in the past five (5) years by the type of discharge. Individuals could have been discharged from multiple supervisions in multiple cases and each case could have a different type of discharge depending on the final disposition ordered by a court.

The chart below represents the number of CASP Levels 2-5 supervisions closed in 2024 by the type of discharge.

CASP LEVELS 6, 8, & 9

The chart below shows the number of individuals received on CASP Levels 6, 8, and 9 for the past five (5) years. If an individual was placed on CASP Levels 6, 8 and 9 more than once or in more than one case, the individual is categorized by the highest level of convicted offense.

INDIVIDUALS RECEIVED

Individuals placed on CASP Levels 6, 8, and/or 9 can be placed on supervision for more than one case or placed under supervision for the same case multiple times. The chart below shows the total number of supervisions for the last five (5) years.

SUPERVISIONS RECEIVED

SUPERVISIONS RECEIVED BY SEX, AGE, AND OFFENSE LEVEL

The chart below indicates the number of CASP Levels 6, 8 and 9 supervisions received in 2024 broken down by sex, age, and offense level. This represents the characteristics of the individual at the time supervision began, which may be reported more than once if the individual was placed on CASP Levels 2-5 multiple times or in multiple cases.

SUPERVISIONS BY AGE, SEX, AND OFFENSE LEVEL

OFFENSE TYPES FOR SUPERVISIONS RECEIVED

Some persons placed on CASP Levels 6, 8, and 9 are convicted of or charged with more than one offense. The table below illustrates the types of offenses for which an individual was placed on CASP Levels 2-5 for the past five (5) years. A full list of the offenses can be found in the appendix.

OFFENSE TYPES FOR SUPERVISIONS RECEIVED

SUPERVISIONS CLOSED

The following represents the number of CASP Levels 6, 8, and 9 supervisions closed in the past five (5) years by the type of discharge. Individuals could have been discharged from multiple supervisions in multiple cases and each case could have a different type of discharge depending on the final disposition ordered by a court.

The chart below represents the number of CASP Levels 6, 8, and 9 supervisions closed in 2024 by the type of discharge.

CASP LEVEL 7

The chart below shows the number of individuals received on CASP Level 7 for the past five (5) years. If an individual was placed on CASP Level 7 more than once or in more than one case, the individual is categorized by the highest level of convicted offense.

INDIVIDUALS RECEIVED

Individuals placed on CASP Level 7 can be placed on supervision for more than one case or placed under supervision for the same case multiple times. The chart below shows the total number of supervisions for the last five (5) years.

SUPERVISIONS RECEIVED

SUPERVISIONS RECEIVED BY SEX, AGE, AND OFFENSE LEVEL

The chart below indicates the number of CASP Level 7 supervisions received in 2024 broken down by sex, age, and offense level. This represents the characteristics of the individual at the time supervision began, which may be reported more than once if the individual was placed on CASP Level 7 multiple times or in multiple cases.

SUPERVISIONS BY AGE, SEX, AND OFFENSE LEVEL

OFFENSE TYPES FOR SUPERVISIONS RECEIVED

Some persons placed on CASP Level 7 are convicted of or charged with more than one offense. The table below illustrates the types of offenses for which an individual was placed on CASP Level 7 for the past five (5) years. A full list of the offenses can be found in the appendix.

OFFENSE TYPES FOR SUPERVISIONS RECEIVED

SUPERVISIONS CLOSED

The following represents the number of CASP Level 7 supervisions closed in the past five (5) years by the type of discharge. Individuals could have been discharged from multiple supervisions in multiple cases and each case could have a different type of discharge depending on the final disposition ordered by a court.

The chart below represents the number of CASP Level 7 supervisions closed in 2024 by the type of discharge.

ADULT CASP LEVEL 10

CASP Level 10 (day reporting) participants must report to the Community Corrections office daily, Monday through Friday, to check in and be tested for alcohol. CASP Level 10 participants are also subject to drug tests but have no required curfew or other restrictions on their day-to-day freedom. Courts may place individuals directly on CASP Level 10 supervision. CASP Level 10 supervision is most often used as a condition of pre-trial release or a condition of probation supervision.

The chart below shows the number of individuals placed on CASP Level 10 supervision in 2024. If an individual was placed on CASP Level 10 more than once or in more than one case, the individual is categorized by the highest level of referred offense.

The chart below shows Individuals may be placed on CASP Level 10 multiple times or in multiple cases. The chart below shows the total number of supervisions for the last five (5) years.

SUPERVISIONS RECEIVED BY SEX, AGE, AND OFFENSE LEVEL

The chart below indicates the number of CASP Level 10 supervisions received in 2024, both felony and misdemeanor, broken down by sex and age. This represents the characteristics of the individual at the time supervision began, which may be reported more than once if the individual was placed on CASP Level 10 multiple times or in multiple cases.

SUPERVISIONS BY AGE, SEX, AND OFFENSE LEVEL

OFFENSE TYPES FOR SUPERVISIONS RECEIVED

Some individuals placed on CASP Level 10 supervision are convicted of or charged with more than one offense. The table and chart below illustrate the types of offenses for which an individual was placed on CASP Level 10 supervision for the past five (5) years. A full list of the offenses can be found in the appendix.

OFFENSE TYPES FOR SUPERVISIONS RECEIVED

ADULT CASP LEVEL 10 SUPERVISIONS CLOSED

The following represents the number of adult CASP Level 10 supervisions closed in the past five (5) years by the type of discharge. Individuals could have been discharged from multiple supervisions in multiple cases and each case could have a different type of discharge depending on the final disposition given by a court.

SUPERVISIONS CLOSED

The chart below represents the number of adult CASP Level 10 supervisions closed in 2024 by the type of discharge.

SUPERVISIONS CLOSED BY TYPE IN 2024

ADULT CASP LEVELS 11-12

CASP Levels 11-12 (pretrial monitoring) participants must report as needed for case management or kiosk reporting. Courts typically place individuals on CASP Levels 11-12 during the pretrial period while their case is being processed.

The chart below shows the number of individuals placed on CASP Levels 11-12 in 2024. If an individual was placed on CASP Levels 11-12 more than once or in more than one case, the individual is categorized by the highest level of referred offense.

Individuals may be placed on CASP Levels 11-12 multiple times or in multiple cases. The chart below reflects the total number of supervisions in 2024.

SUPERVISIONS RECEIVED BY SEX, AGE, AND OFFENSE LEVEL

The chart below indicates the number of CASP Levels 11-12 supervisions received in 2024, both felony and misdemeanor, broken down by sex and age. This represents the characteristics of the individual at the time supervision began, which may be reported more than once if the individual was placed on CASP Levels 11-12 multiple times or in multiple cases.

SUPERVISIONS BY AGE, SEX, AND OFFENSE LEVEL

OFFENSE TYPES FOR SUPERVISIONS RECEIVED

Some individuals placed on CASP Levels 11-12 supervision charged with more than one offense. The chart below illustrates the types of offenses for which an individual was placed on CASP Levels 11-12 supervision for the past five (5) years. A full list of the offenses can be found in the appendix.

OFFENSE TYPES FOR SUPERVISIONS RECEIVED

SUPERVISIONS CLOSED

The following represents the number of CASP Levels 11-12 supervisions closed in the last five (5) years by the type of discharge. Individuals could have been discharged from multiple supervisions in multiple cases and each case could have a different type of discharge depending on the final disposition ordered by a court.

The chart below represents the number of adult CASP Level 11, and 12 supervisions closed in 2024 by the type of discharge.

JUVENILE HOME DETENTION

Community Corrections supervises juveniles placed on home detention (electronic monitoring). The juvenile's whereabouts are restricted by the supervising probation officer or by a court's order. The chart below shows the number of individual juveniles placed on home detention supervision for the past five (5) years.

INDIVIDUALS RECEIVED

Juveniles may have been placed on home detention multiple times or in multiple cases. The chart below shows the total number of supervisions each year for the past five (5) years.

SUPERVISIONS RECEIVED

SUPERVISIONS RECEIVED BY SEX, AGE, AND CASE TYPE

The chart below indicates the number of juvenile supervisions received in 2024, both status and delinquency, broken down by sex and age. This represents the characteristics of the individual at the time supervision began, which may be reported more than once if the individual was placed on supervision multiple times or in multiple cases.

SUPERVISIONS BY AGE, SEX, AND CASE TYPE

OFFENSE TYPES FOR JUVENILE HOME DETENTION

Some juveniles placed on home detention are charged with more than one offense. The chart below illustrates the types of offenses for which the juvenile was placed on supervision for the past five (5) years. A full list of the offenses for 2024 can be found in the appendix.

OFFENSE TYPES FOR SUPERVISIONS RECEIVED

JUVENILE HOME DETENTION SUPERVISIONS CLOSED

The following represents the number of juvenile home detention supervisions closed in the past five (5) years by the type of discharge. Juveniles could have been discharged from multiple supervisions in multiple cases and each case could have a different type of discharge depending on the final disposition given by a court.

The chart below represents the number of juvenile home detention supervisions closed in 2024 by the type of discharge.

SUPERVISIONS CLOSED BY TYPE IN 2024

PRETRIAL SERVICES PROGRAM

In 2014, the Indiana Supreme Court authorized the development of a pretrial pilot project. Eleven (11) Indiana counties, including Monroe County, were part of the pretrial pilot project. The Monroe County Pretrial Pilot Project officially started October 1, 2016.

Indiana Criminal Rule 26 was the foundation for the 11 Indiana counties participating in the Pretrial Pilot Project. Criminal Rule 26 was codified in Indiana law (IC 35-31.5-2-121.5 et. seq.) and became effective for all Indiana courts January 1, 2020. Criminal Rule (CR) 26 is intended to improve pretrial practices in Indiana by encouraging trial judges to engage in evidence-based decision making at the pretrial stage. The Rule encourages trial courts to use risk assessment results and other relevant information about arrestees to determine if the individual presents a substantial risk of flight or danger to self or others in the community; thereby, informing release decisions and release conditions. With the statewide implementation of Criminal Rule 26 on January 1, 2020, Monroe County changed the name of the program to reflect that it is no longer a “pilot program.” The program is now entitled the “Monroe County Pretrial Services Program.” Monroe County’s Pretrial Services Program is integrated into the Community Corrections division of the Probation Department.

The mission of the Pretrial Services Program is to assist the court in making pretrial release decisions that are prompt and equitable for all defendants regardless of ability to pay bail and provide information to the court that will maximize the court’s ability to determine effective release conditions that promote community safety.

Prior to the commencement of the Monroe County Pretrial Services Program, individuals who were arrested and booked into the county jail were only released subject to an established bail bond schedule set by the local courts. This meant that those who could afford to pay monetary bail were released immediately and those that could not afford to pay remained in jail until they appeared before a judge for an Initial Hearing. Prior to the program, the courts had limited information when making release decisions. These practices resulted in a jail that was primarily housing pretrial defendants, and these same defendants were at risk of losing, or had already lost, jobs, family and peer relationships, pro-social connections, and financial support.

With the establishment of the Pretrial Services Program (hereafter “Program”), Monroe County has not only implemented pretrial best practices but has defined the pretrial target population as broadly as possible. One unique aspect of the Program is that even those defendants released from jail on a bond prior to appearing before the judge for the Initial Hearing are still subject to a pretrial assessment so that all defendants are treated the same regardless of ability to pay. The target population for the Program includes all defendants that are booked into the Monroe County Jail with a new criminal offense and are not currently under any type of community supervision in Monroe County.

The Program utilizes many evidence-based practices to provide defendants with appropriate and effective interventions. The Program has adopted the Essential Elements of an Effective Pretrial Release Agency as defined by the National Institute of Corrections which are research-based principles that have been incorporated into local pretrial services policy. One of the essential elements of the Program is the use of risk-based conditions and differential pretrial supervision. Monroe County uses the Indiana Risk Assessment System-Pretrial Assessment Tool (IRAS-PAT) which has been validated by researchers to our local target population and demonstrates an overall good to excellent predictive rate for pretrial misconduct. Monroe County judges use the IRAS-PAT result as well as the pretrial probation officers’ assessment summary to make release decisions that are evidence driven.

Monroe County monitors pretrial defendants based on assessed risk level and provides a range of monitoring options including non-reporting status, face-to-face appointments with a pretrial probation officer, and electronic monitoring.

The morning of the defendant's Initial Hearing (IH) before the court, Pretrial Services probation officers meet with the defendants to gather information for the Pretrial Services Report (PSR). The PSR is filed with the court Monday through Friday by 12:00 noon so that the report is available to the judge, as well as Prosecuting Attorney and Public Defender (who are both present for the IH) prior to the 2:00 PM daily IHs so that a meaningful first appearance for the defendants can be conducted.

At the IH, the court may order a pretrial defendant to be monitored on a level of community corrections programming while awaiting the disposition of the defendant's criminal case. All defendants who are assessed by the pretrial probation officers receive telephonic and text court reminders. Defendants receive a phone call reminder two days prior to every court hearing and a text message one day prior to every hearing. All defendants receive telephonic and text court reminders until disposition of their case.

Pretrial probation officers are responsible for monitoring any defendants the court orders to pretrial release through a variety of services such as case management, daily reporting, and/or electronic monitoring. Defendants' supervision level determines the length of time they are subject to additional conditions beyond just court reminder calls and texts. The supervision level is determined by the IRAS-PAT risk and the type of offense. Defendants who have a low supervision level are subject to additional conditions for 30 days; moderate supervision level lasts 60 days; and high supervision level lasts 90 days. At any time, the court could order early termination of case management, modification of case management conditions, or extend a defendant's case management conditions.

Defendants who are ordered to active monitoring receive a variety of services including voluntary referrals to social services agencies such as substance abuse treatment facilities, education and employment assistance, and physical/mental health treatment. Pretrial probation officers are also trained in the use of evidence-based practice cognitive interventions which are utilized during monitoring appointments. Interventions include Carey Guides and Bits, Change Companies interactive journaling, thinking reports, Effective Practices in Community Supervision (EPICS), and sanctions and incentives.

At the end of 2024, the Pretrial Services Program was comprised of a director and four (4) line probation officers.

In 2024, 1,416 individuals in 1,761 cases began receiving some type of pretrial service. All were receiving telephone calls/texts to remind them of their next court appearance and other appointments. Pretrial monitoring was ordered in 862 instances for 979 individuals. Only 24 individuals were ordered to pretrial home detention in 2024.

Performance measures from October 1, 2016 (start of Monroe County Pretrial Services Program) to December 31, 2024 (most recent data analysis):

- Pretrial Services Program has assessed **13,031** defendants.
- Defendants have an overall appearance rate of 80.6% to all court hearings in each case.
- The overall safety rate (based on the percentage of monitored defendants who have completed their pretrial period and were not charged with a new offense during their entire pretrial period) is **94.8%**.
- The overall success rate (based on the percentage of monitored defendants who have completed their pretrial period and did not have a court filed technical violation, did not fail to appear for court, and were not arrested for a new offense during their pretrial period) is **74.4%**.

Since the Pretrial Services Program's inception, there has been a local stakeholder committee that meets regularly with representation from a variety of disciplines including judges, probation officers, community corrections staff, prosecutors, public defenders, jail leadership, local law enforcement, and members of the county council.

In August 2024, the Monroe Circuit Court Pretrial Services Program was granted recertification through the Indiana Office of Court Services (IOCS) to deliver services as a certified pretrial program. This recertification is valid for three (3) years.

The Monroe County Pretrial Services Program has been involved in multiple research projects over the last several years. In 2024, Monroe County began a partnership with George Mason University researchers to study the impact of structured pretrial appointments on pretrial outcomes. During these structured appointments, the pretrial officer will conduct a *Voluntary Needs Assessment* and make appropriate referrals, as well as complete structured goal planning activities with clients. This will be a two-year study, with findings to be released in 2027.

The information in the following sections represents the suggested measures from *A Framework for Pretrial Justice: Essential Elements of an Effective Pretrial System and Agency* published by the National Institute of Corrections in February 2017.

PRETRIAL ASSESSMENTS COMPLETED

The chart below shows the number of individuals assessed for pretrial risk in the target population. Risk level is measured by the Indiana Risk Assessment System – Pretrial Assessment Tool (IRAS-PAT). The target population consists of any individual booked into the Monroe County Jail who is not currently under community supervision (probation/community corrections) at the time of book-in. The target population includes persons charged with committing felony or misdemeanor offenses. The target population also includes defendants who bond out of jail before meeting with a Pretrial Probation Officer for assessment. Prior to bonding out of jail, such defendants sign a promise to appear in the Probation Department office the next business day to complete a pretrial assessment which is the same assessment used for defendants who were not able to bond out of jail.

ASSESSMENTS COMPLETED

RECOMMENDATION RATE

The table below indicates the recommendation rate, which is based on a Pretrial Probation Officer's information gathering after initial arrest of a defendant. An interview of the defendant is conducted to obtain information to score a pretrial risk assessment. The result of the risk assessment is applied to the locally approved release protocol that creates a recommendation based on the defendant's pretrial risk and the instant offense. The recommendation rate indicates the percentage of instances the Pretrial Probation Officer's recommendation aligns with the established release protocol. Typically, no recommendation is given when a defendant fails to attend the interview, is unable to provide necessary information during the interview, or refuses to participate in an interview.

CONCURRENCE RATE

The following table shows the concurrence rate that is calculated by comparing if the initial pretrial monitoring level ordered by a court upon release corresponds with the Pretrial Probation Officer's recommendation (the recommendation is based on the local approved protocol according to assessed risk and level of instant offense).

APPEARANCE RATE BY RISK LEVEL

The following indicates the appearance rate for defendants by risk level. The appearance rate is calculated based on the year in which the hearing occurred for those who have completed their pretrial period. The percentage is based on the number of court appearances attended by pretrial defendants.

OVERALL APPEARANCE RATE

APPEARANCE RATE BY RISK LEVEL

SAFETY RATE BY RISK LEVEL

The chart below shows the safety rate for defendants by risk level. The safety rate is based on the percentage of monitored defendants who have completed their pretrial period in the year listed below and were not charged with a new offense over the entire pretrial period.

OVERALL SAFETY RATE

SAFETY RATE BY RISK LEVEL

SUCCESS RATE BY RISK LEVEL

The chart below shows the success rate for defendants by risk level. The success rate is based on the percentage of monitored defendants who have completed their pretrial period in the year listed below and who: (1) do not have court-filed technical violations of the conditions of their release, (2) appear for all scheduled court appearances; and (3) are not arrested for a new offense during the pretrial period.

OVERALL SUCCESS RATE

SUCCESS RATE BY RISK LEVEL

AVERAGE LENGTH OF STAY IN JAIL BY RISK LEVEL

The following shows the average length of stay in jail for defendants by risk level. The length of stay is based on the initial jail stay after arrest and only includes released defendants.

Length of stay is calculated by date booked in and date booked out of jail. For example, a defendant may have been booked in at 11:00 PM on a Tuesday and bonded out of jail at 2:00 AM the next day Wednesday, but the jail stay will be calculated as two (2) days even though the time spent in jail custody was three (3) actual hours.

AVERAGE LENGTH IN JAIL

AVERAGE LENGTH IN JAIL BY RISK

RELEASE RATE

The table below indicates the release rate by risk level. The release rate is based on the percentage of defendants who are released prior to disposition of their case. The rate is reported in the year in which their case is disposed, and the pretrial period has ended.

OVERALL RELEASE RATE

RELEASE RATE BY RISK LEVEL

ADULT COMMUNITY TRANSITION PROGRAM OFFENDERS RECEIVED

The Community Transition Program (CTP), as defined in Indiana law (IC 11- 8-1-5.) is the assignment by the court of a court-committed individual from the Indiana Department of Correction (IDOC) to a Community Corrections program. The purpose of the CTP is to facilitate the successful reintegration of individuals returning to the community after serving a sentence in a state prison. The individual may be placed on CTP for 60 to 180 days, depending on the individual's highest level (most serious) convicted offense, to complete the individual's prison sentence in the person's county of residence. This early transition from prison provides structure, supervision, and support for the individual to encourage successful reentry to the community.

In Monroe County, individuals assigned to CTP are generally placed on community corrections supervision, typically Community Alternative Supervision Program (CASP) Levels 2-5 (Home Detention). Some are also accepted into the Reentry Court Program.

Only felony offenders may be sent to the IDOC, thus the highest level of offense for each offender participating in CTP will be a felony. To be eligible for CTP, the offender must first be willing to participate in the program and agree to abide by all program rules. For IDOC inmates who are eligible for CTP and are willing to participate in the program, the IDOC sends a request to the sentencing court to ask that a soon-to-be-released inmate be released early on CTP. The sentencing court makes the final determination regarding acceptance or rejection for CTP. Most often, the sentencing court requests that a probation officer screen the application for CTP and make a report to the court.

OFFENSE TYPES FOR COMMUNITY TRANSITION PROGRAM

Some individuals placed on Community Transition Program (CTP) supervision are convicted of or charged with more than one offense. The table and chart below illustrate the types of offenses for which an individual was placed on CTP supervision. A full list of the offenses can be found in the appendix.

OFFENSE TYPES FOR SUPERVISIONS RECEIVED

ADULT COMMUNITY TRANSITION PROGRAM SUPERVISIONS CLOSED

Individuals completing the CTP could have been discharged from multiple supervisions in multiple cases and each case could have a different type of discharge depending on the final disposition given by a court. There were six (6) felony supervisions closed in 2024 and all six (6) were closed successfully.

COMMUNITY SERVICE PROGRAM

The Community Service Program is comprised of the Public Restitution Program. The Road Crew Program was formerly a part of the Community Services Program, however the Road Crew Program officially ended August 11, 2018, due to budget constraints.

Public Restitution Program participants are assigned to a local non-profit or government agency to complete the community service hours required by a court and/or required as a condition of community supervision.

The chart below shows the number of individuals referred for community service in 2024. Individuals may have been referred multiple times or in multiple cases.

INDIVIDUALS RECEIVED

The chart below shows the total number of referrals received for community service in 2024.

REFERRALS RECEIVED

REFERRALS RECEIVED BY SEX, AGE, OFFENSE LEVEL

REFERRALS BY AGE AND SEX

COMMUNITY SERVICE REFERRALS CLOSED

Individuals may have been discharged from multiple community service referrals in multiple cases.

COMMUNITY SERVICE HOURS ASSESSED AND COMPLETED

DRUG TESTING PROGRAM

The Community Corrections Program operates the Department's Drug Testing Program. Currently, the Department employs three (3) methods of testing for substances in the body: urine, saliva, and breath.

The most frequent method of testing is through Portable Breath Tests (PBT) which test only for the presence of alcohol. To test for the presence of substances in addition to alcohol, the Department utilizes various methods to test urine and saliva. Because testing urine provides an extended window of time for detecting substances in a person's body, it is used more frequently than saliva. The Department utilizes 'instant' tests along with lab testing for the most frequently abused substances. Probation officers also have the discretion to request enhanced testing for substances not routinely tested for in the regular panels provided.

The chart below shows the types and number of tests conducted in 2024 for all referral types.

The chart below shows the types and number of tests conducted in 2024 for juvenile referrals only.

The chart below represents the percentage of positive tests by testing method.

The charts below represent the percentage of drugs detected in the positive drug tests for all referrals. Positive test samples may have been positive for more than one substance.

PERCENTAGE OF ALL DRUGS DETECED AND CONFIRMED - ALL REFERRALS

The charts below represent the percentage of drugs detected in the positive drug tests for all juvenile referrals.

PERCENTAGE OF ALL DRUGS DETECED AND CONFIRMED - JUVENILE

PROBLEM SOLVING COURT PROGRAM

Problem solving courts in the United States began in the 1990s to accommodate individuals with specific needs and problems that were not or could not be adequately addressed in traditional courts. Problem solving courts seek to promote outcomes that will benefit not only the offender, but the victim and society as well.

Among the ways problem solving courts differ from regular courts are focus, collaboration, and judicial involvement. For example, a problem solving court typically has a team of individuals including a judge, prosecutor, public defender, probation, law enforcement, and treatment providers who routinely collaborate on each case throughout the duration the offender is involved as a participant. The team discusses many issues regarding each case and works to reduce barriers to an offender's success.

The Monroe Circuit Court developed a drug court in 1999 as the county's first problem solving court. The local Drug Treatment Court has been certified by the Indiana Office of Court Services (IOCS) as a problem solving court. In 2024, the Drug Treatment Court celebrated its 25-year anniversary.

The Drug Treatment Court is organized around the 10 Key Components of Drug Courts¹ which research has shown provide the basic elements that define drug courts. The program is a minimum of two years and involves the following components:

- A plea of guilty to a felony offense with no agreement to sentencing should the participant fail to successfully complete drug court. Should the participant complete drug court successfully, the charge(s) are dismissed or reduced.
- Program participants must attend weekly court/status hearings as directed by the Problem Solving Court Team.
- Participants are required to obtain and maintain appropriate employment for the duration of the program.
- Participants will be required to complete high school/GED/TASC or vocational training if they have no apparent marketable job skills.
- Participants are required to submit to frequent random drug/alcohol tests.
- Participants must complete substance abuse treatment and any additional counseling/programming that is deemed necessary by the treatment provider.
- Participants must pay all program fees, drug test costs, and treatment costs associated with completion of this program.
- Program participants must have one year of documented sobriety to be eligible for successful program completion.

The local Problem Solving Court (PSC) Program added three (3) program components:

- **2014 - Reentry Court Program (RECP).** The majority of RECP participants served time with the Indiana Department of Correction immediately prior to beginning the program. RECP applies many of the key components of drug courts to promote positive behavior change and aid in reintegration to the community.
- **2015 - Mental Health Court (MHC).** MHC addresses the unique needs of people diagnosed with a serious mental illness who are involved in the criminal justice system.
- **2016 - Veterans Treatment Court (VTC).** A grant was obtained from the Indiana Supreme Court to begin the program. The VTC is a district court that can accept participants from Monroe, Owen, and Lawrence Counties.

¹ U.S. Department of Justice Office of Justice Programs Bureau of Justice Assistance

In 2018, IOCS conducted a site audit of the PSC Program and re-certified the Drug Treatment Court Program and granted initial certification to all three of the new PSC components - Reentry, Veterans, and Mental Health courts - effective March 2018 for three years. In August 2024, all four (4) PSC components were recertified by IOCS and will once again go through recertification in 2027.

Indiana certified problem solving court programs must undergo program evaluations on a regular basis. In 2019, Dr. John R. Gallagher, Indiana University School of Social Work, completed the updated evaluation of the Drug Court Program. Another evaluation of all four (4) PSC components was completed in 2024 by Dr. Tri Keah Henry and Michelle Ying, MA, Indiana University Department of Criminology and Criminal Justice.

Highlights from the 2024 evaluation Executive Summary:

- Problem Solving Court participants felt supported by staff and were satisfied with their experience in the program. Participants felt that the presiding judge was fair and procedurally just.
- Turnover intention was fairly low among program staff and administration.
- Enrollment rates across the program have declined from previous years.
- Upon program completion, participants showed improvements in their risk-level and financial stability and employment.
- Recidivism rates varied across program and post-graduation periods. One-year recidivism rates ranged from 8% (Reentry Court) to 35% (Mental Health Court). Three-year follow-up recidivism rates ranged from 7% (Veterans Court) to 36% (Mental Health Court)

MONROE COUNTY PROBLEM SOLVING COURT PROGRAM INFORMATION

- The local Drug Treatment Court Program started in November 1999.
- During the 10-year Anniversary celebration in December 2009, the program became 1 of only 10 of the over 2,300 Drug Courts in the nation to receive the Community Transformation award from the National Association of Drug Court Professionals for “tireless efforts to foster community transformation through reducing drug addiction and crime, restoring hope and reuniting families.”
- As of December 31, 2024, **545** participants have completed the Drug Court Program; **59** have completed Reentry Court; **27** have completed Veterans Treatment Court; and **28** have completed Mental Health Court.
- As of December 31, 2024, **71** participants currently enrolled in all the four (4) Problem Solving Court Program components.
- Seventy-eight (**79**) drug free babies born to Problem Solving Court Program participants (all four program components combined, from November 1999 through year-end 2024).

RECIDIVISM DATA FOR MONROE COUNTY DRUG TREATMENT COURT

- In 2006, the Drug Treatment Court Program participated in a state-wide outcome evaluation and cost benefit analysis research project conducted by Northwest Professional Consortium (NPC) of Portland Oregon.
- This outcome study found that the Monroe County Drug Treatment Court (DTC) Program **reduces recidivism by 67%** and saves taxpayer money.
- NPC research showed that recidivism rate for DTC participants (including dropouts) was **17%** while the rate for the comparison group was **33%**.
- DTC participants (regardless of graduation status) were found to be **half as likely to have had any arrests** in the 2-year follow-up period relative to the comparison group.
- DTC graduates had an even lower recidivism rate of **11%**.

DRUG TREATMENT COURT

The chart below shows the number of individuals placed on drug treatment court supervision in 2024. Individuals may be placed on drug treatment court supervision more than once or in more than one case.

The chart below shows the number of supervisions received for drug treatment court supervision in 2024.

The chart below shows the number of supervisions received for drug treatment court supervision in 2024 by age, sex, and offense level.

Some individuals placed on drug treatment court supervision are convicted of or charged with more than one offense. The chart below illustrates the types of offenses for which an individual was placed on drug treatment court supervision.

A full list of the offenses can be found in the appendix.

The following charts represent the number of drug treatment court supervisions closed in 2024. Participants could have been discharged from multiple supervisions in multiple cases and each case could have a different type of discharge depending on the final disposition given by a court.

REENTRY COURT

The chart below shows the number of individuals placed on reentry court supervision in 2024. If an individual was placed on reentry court more than once or in more than one case, the individual is categorized by the highest level of convicted offense.

The chart below shows the number of supervisions received for reentry court supervision in 2024.

The chart below indicates the number of reentry court supervisions received in 2024 by age, sex, and offense level.

The chart below illustrates the types of offenses for which a participant was placed on reentry court supervision in 2024. Some participants placed on reentry court supervision are convicted of or charged with more than one offense.

A full list of the offenses can be found in the appendix.

The following chart represent the number of reentry court supervisions closed in 2024. Participants could have been discharged from multiple supervisions in multiple cases and each case could have a different type of discharge depending on the final disposition given by a court. There were eleven (11) reentry court supervisions closed in 2024. Seven (7) were closed successfully and four (4) were unsuccessful.

MENTAL HEALTH COURT

The chart below shows the number of individuals placed on mental health court supervision in 2024. If an individual was placed on mental health court more than once or in more than one case, the individual is categorized by the highest level of convicted offense.

The chart below shows the number of supervisions received for mental health court supervision in 2024.

The chart below indicates the number of mental health supervisions received in 2024 by age, sex, and offense level.

The chart below illustrates the types of offenses for which a participant was placed on reentry court supervision in 2024. Some participants placed on mental health court supervision are convicted of or charged with more than one offense.

A full list of the offenses can be found in the appendix.

The following chart represent the number of mental health court supervisions closed in 2024. Participants could have been discharged from multiple supervisions in multiple cases and each case could have a different type of discharge depending on the final disposition given by a court. There were eleven (11) mental health court supervisions closed in 2024. Four (4) were closed successfully and seven (7) were unsuccessful.

VETERANS COURT

The chart below shows the number of individuals placed on veterans court supervision in 2024. If an individual was placed on veterans court more than once or in more than one case, the individual is categorized by the highest level of convicted offense.

The chart below shows the number of supervisions received for veterans court supervision in 2024.

The chart below indicates the number of veterans supervisions received in 2024 by age, sex, and offense level.

The chart below illustrates the types of offenses for which a participant was placed on veterans court supervision in 2024. Some participants placed on veterans court supervision are convicted of or charged with more than one offense.

A full list of the offenses can be found in the appendix.

The following chart represents the number of veterans court supervisions closed in 2024. Participants could have been discharged from multiple supervisions in multiple cases and each case could have a different type of discharge depending on the final disposition given by a court. There were four (4) veterans court supervisions closed in 2024, all four (4) were closed successfully.

INDIANA RISK ASSESSMENT SYSTEM AND ADULT PROGRAM REFERRALS

In 2010, the Judicial Conference of Indiana adopted policies that required all probation departments in the state to use a newly adopted risk assessment system for adult offenders in the criminal justice system. In 2011, all appropriate adult risk tools were fully integrated into departmental practices.

The adult risk assessment instrument is called the Indiana Risk Assessment System (IRAS). The IRAS is the risk assessment system made up of five (5) instruments to be used at specific points in the criminal justice process to identify an adult participant's risk to reoffend and criminogenic needs and assist with developing an individualized case management plan. [NOTE: Criminogenic needs are attributes of offenders that are directly linked to criminal behavior. Effective correctional treatment should target criminogenic needs in the development of a comprehensive case plan. Any treatment not targeting criminogenic needs is counter-productive to efficiency and effectiveness.]

Community Supervision Screening Tool - designed to quickly identify low risk offenders and determine if a full risk assessment should be completed.

Community Supervision Tool - designed to assess an offender's risk to reoffend and identify criminogenic needs to assess in making decisions regarding community supervision.

Pretrial Tool - designed to assess an offender's risk for failure to appear and risk to reoffender while on pretrial supervision.

Prison Intake Tool - designed to assess an offender's risk to reoffend and identify criminogenic needs to assist in making decisions regarding services.

Static Tool - designed to assess an offender's risk to reoffend based solely on static factors.

Supplemental Reentry Tool - designed to reassess an offender's risk to reoffend prior to an offender's release from prison.

The following table represent IRAS assessments completed by the type of tool used by the Department.

The following chart represents the percentage of adults risking at each level on each of the tools.

Adults placed on post-sentence supervision are assessed using the Community Supervision Tool. This tool provides a risk level in each of the seven life domains the tool reports. After the completion of the tool, case plans are formulated to address an offender's risk and needs to reduce the likelihood the adult will reoffend and/or violate the terms of his/her supervision. The following chart represents the number and percentage of assessments scoring in each of the risk levels – high, moderate, and low for the Community Supervision Tool.

COMMUNITY SUPERVISION TOOL RISK LEVELS BY DOMAIN

	1.0 - Criminal History	2.0 - Education, Employment, and Financial Situation	3.0 - Family and Social Support	4.0 - Neighborhood Problems	5.0 - Substance Abuse	6.0 - Peer Associations	7.0 - Criminal Attitudes and Behavioral Problems
■ High	20%	23%	11%	45%	37%	28%	18%
■ Moderate	50%	46%	36%	6%	48%	39%	42%
■ Low	30%	32%	52%	48%	15%	33%	40%

SUPPORT DIVISION

The Support Division provides service that is vital to the efficient functioning of the Department. Support staff members provide receptionist services, bookkeeping, cashiering, e-filing, data entry, and numerous other functions.

Support staff is typically the first contact for clients and the public. In this role, support staff members serve a unique function of setting the tone for how clients and the public will be served by the Department. In recognition of this unique position, support staff members participate in training to enhance positive experiences for clients and the public. Starting in 2016, support staff members are trained in evidence based practices (EBP) and Effective Practices in Community Supervision (EPICS).

Because the Department's offices occupy two separate locations, the Curry Building and the Community Corrections office, support staff functions must be highly coordinated to effectively serve both locations. The primary location of most of the Department's functions is the Curry Building, directly adjacent to the Justice Building. The Community Corrections office is located at 405 West 7th Street in Bloomington.

The Community Corrections office has been in operation at the location above since 1995. The Community Corrections support staff consists of an office manager, receptionist, and part-time probation officer assistants. With such a small support staff, all Community Corrections staff members are cross-trained to substitute for absent support staff when needed.

The Curry Building support staff consists of an office administrator, an office manager, a bookkeeper/cashier, adult probation secretary, juvenile probation secretary, and receptionist.

Support staff experienced no vacancies during 2024.

Most misdemeanor offenders and Level 6 felons are sentenced by the court without presentence investigation reports. These sentenced offenders report to the Department for their first contact immediately after sentencing. These "walk-in" probationers are dealt with first and foremost by support staff members who obtain demographic information, create electronic client files/records, and provide basic information to these "walk ins." In 2024, there were **587** "walk-ins" processed by support staff.

OTHER PROBATION PROGRAMS, TRAINING, & COMMITTEES

INTERN PROGRAM

The Department typically operates an internship program in cooperation with Indiana University (IU) and other colleges and universities from around the state of Indiana. Although these internships are unpaid, the students receive college credit. The Department has supervised student interns from various departments at IU including Criminal Justice, School of Social Work, School of Public and Environmental Affairs, and general studies. In 2024, the Department supervised six (6) interns for a total of 900 hours of work through the year.

STAFF TRAINING

The Judicial Conference of Indiana mandates that certified probation officers complete a minimum of 12 hours of continuing education per year, with six (6) of these hours related to evidence-based practices. Court Alcohol and Drug Program and Problem-Solving Court staff members are also required to complete a minimum of 12 hours of continuing education each year.

Effective January 1, 2019, Indiana probation officers are required by the Judicial Conference of Indiana to complete suicide awareness and prevention training. Every probation officer must attend suicide prevention training on an annual basis.

Starting in 2019, the Probation Department began partnering with the Monroe County Youth Service Bureau for training purposes. The Youth Services Bureau (YSB) is supervised by the Monroe Circuit Court. YSB includes probation staff members in their trainings where space permits. YSB trainings that probation staff may attend include: Red Cross training (CPR, AED, and First Aid).

The Probation Supervisors set the following training priorities for 2024: improving Effective Practices in Community Supervision (EPICS) skills; consistency in administering Indiana Risk Assessment System (IRAS) and Indiana Youth Assessment System (IYAS); Evidence Based Practices (EBP) Overview for all new staff members; Effective Communication and Motivation Skills (ECMS) for all new staff that have not been trained; case planning; suicide prevention; Trust Based Relational Intervention (TBRI) and pepper spray training.

In 2024, Monroe County Sheriff's Deputy Timothy Pittman conducted a training for Probation Search Team members.

National Trainings attended:

- **2024 APPA Conference, Indianapolis, IN.** Funded by unspent and re-appropriated grant monies, a team of 16 probation officers (POs) attended this conference.
- **2024 All Rise (formerly known as the National Association of Drug Court Professionals).** Funded by grant funds, one (1) PO and one (1) field officer attended this conference.

During 2024, staff completed 3,257 hours of training with 1,632 of those hours related to evidence-based correctional practices.

FUN COMMITTEE

The Fun Committee was formed in 2006 to coordinate departmental in-service trainings and other activities for the department throughout each year.

The Fun Committee organized several activities and celebrations in 2024. One of the two highlights of 2024 was ***Probation, Parole & Community Supervision Week*** in July of 2024, which included donuts for staff, the annual corn hole tournament with ice cream from Jiffy Treat, pizza party, service project, and a swearing-in ceremony for newer staff that included cake and punch.

The second 2024 highlight resulted in the committee being able to organize the annual departmental in-service finally and once again on October 25, 2024, at Eagle Pointe with numerous activities, games, food, and guest speakers from the Indiana Office of Court Services (Chad Long and Michelle Henkle).

GREEN COMMITTEE

In 2010, the Green Committee was created in response to employee efforts to promote recycling at both departmental offices. In 2023 the committee gained larger recycling bins due to the volume of materials being recycled. The committee continued to implement recycling procedures for separating plastic, glass, aluminum, paper, and battery refuse.

EVIDENCE BASED PRACTICES ORGANIZATION REPORT

The National Institute of Corrections defines evidence-based practice (EBP) as the objective, balanced, and responsible use of current research and the best available data to guide policy and practice decisions, such that outcomes for consumers are improved. Used originally in the health care and social science fields, evidence-based practice focuses on approaches demonstrated to be effective through empirical research rather than through anecdote or professional experience alone.

The Probation Department began utilizing evidence-based practices (EBP) in 1998. Research has shown that when probation, parole, and community corrections programs are evidence-based organizations, they are more likely to be successful in reducing recidivism. However, using evidence-based programs and practices alone does not make an organization an “evidence-based organization.” The Indiana Department of Correction (IDOC) audits all programs that receive IDOC grant funding to ensure that they meet criteria/standards as an evidence-based practices organization. Although the IDOC audits only the Community Corrections division of the Department, the Chief Probation Officer decided that all units, divisions, and staff members of the Department will participate in the implementation of EBP organization practices.

2024 SUMMARY OF EBP ORGANIZATION ACCOMPLISHMENTS

- **EBP Coordinator** - The Department added a second EBP Coordinator position with a focus on juvenile services. Both EBP Coordinators report to the Continuous Quality Improvement (CQI) Director and were responsible for facilitating new and ongoing EBP trainings, coaching staff by watching videos or observing appointments, and assisting with the facilitation of Learning Teams.
- **EPICS Training for New Staff** – The CQI Director and EBP Coordinators facilitated an EPICS skills training for new departmental staff which included learning the steps to all the EPICS skills.
- **Evidence-Based Practices Coaching** – All POs participated in coaching with the EBP Coordinators throughout the year. The EBP Coordinators observed appointments in-person and immediately provided feedback to the PO. Most POs participated in coaching sessions once per quarter while newer POs participated in coaching more often as they worked through each EPICS skill to become proficient. This real-time coaching model allowed the EBP Coordinators and POs to have discussions immediately before an appointment to ensure appropriate skills were going to be used and immediate coaching after the appointment to debrief the appointment.
- **EBP Training for New Staff** – The EBP Coordinator and another PO facilitated training with new staff to review the purpose of Evidence-Based Practice and how it is applied in the Department.
- **Learning Teams** - The Department continued with Learning Teams that were implemented in 2023. Each departmental division was an independent Learning Team. Learning Teams were facilitated by supervisors and the teams focused on EBP-related topics to expand their knowledge and practice their skills. The CQI team which consists of the probation officer supervisors and EBP Coordinators also met as a Learning Team to discuss how to support and coach POs.
- **Indiana Risk Assessment System (IRAS/IYAS) Boosters** – All POs attended an IRAS/IYAS refresher session which reviewed the scoring rules and offered some examples/scenarios in the more subjective areas of the IRAS/IYAS. POs also watched an IRAS/IYAS reassessment video and independently scored the IRAS/IYAS. Any POs identified by the IRAS/IYAS trainers as needing additional support worked individually with a trainer.

RESEARCH PROJECTS

Reducing Revocations Challenge

From 2019 through 2023, the Department was involved in the **Reducing Revocations Challenge (RRC)** funded by Arnold Ventures and guided by the City University of New York Institute for State and Local Governance.

The RRC Phase I findings, which were released in 2021, were used to propose evidence-based solutions for policy and practice for Phase II of the initiative. A full report from the Monroe County Phase I findings can be found on the Probation Department website here:

https://www.co.monroe.in.us/egov/documents/1624997136_04056.pdf.

Of the ten jurisdictions participating in Phase I, only five (5) jurisdictions were selected to continue Phase II of the Challenge, including Monroe County. For **RRC Phase II**, the research partners and Department received grant funding to implement the following strategies:

- (1) **Strategy 1: Increase fidelity to Motivational Interviewing (MI), Effective Practices in Community Supervision (EPICS), and Effective Case Planning.** In 2022, national trainer Melanie Lowenkamp from Core Correctional Solutions provided EPICS training to POs. In 2023, Ms. Lowenkamp returned to present Advanced EPICS training to all POs in the Department. In 2024, the Department's Continuous Quality Improvement (CQI) staff continued to work with POs individually and in work groups to help them deliver EPICS with fidelity.
- (2) **Strategy 2: Revise Standard Conditions of Probation.** In August 2023, revised conditions of probation were implemented by the Monroe County Criminal Division judges. No additional changes to the conditions of probation occurred in 2024.
- (3) **Strategy 3: Increase the use of incentives and earned early termination from probation supervision.** This area is a work in progress which continued in 2024.

To implement other strategies from Phase II, the Department formed numerous committees and workgroups to focus on case planning, probation officer incentives/reinforcements, client incentives/reinforcements, earned early termination of probation, and a probation officer dashboard of performance metrics.

Though the RRC project formally ended at the end of September 2023, work in each of these areas continued through 2024.

Monroe County's RRC Phase II project officially ended September 30, 2023. **Our final report** covers what we learned in Phase II, including both the "how to" of driving policy change through action-research, and some interesting preliminary data.

- (2) Link to a short summary of the lessons learned: [Indiana Probation Policy Brief Takeaways](#)

Pretrial Services Program Research

In 2024, Monroe County began a partnership with researchers to study the impact of structured pretrial appointments on pretrial outcomes. Our partners for this project are all researchers we have worked with before (Dr. Evan Lowder, Dr. Eric Grommon, and Dr. Tri Keah Henry) so they are familiar with the Department and the Pretrial Services Program policies and procedures.

Monroe County is one of several Indiana pretrial agencies involved in this research project. Other Indiana counties involved in this project include: Bartholomew; Boone; Clark; Gibson; Grant; Hendricks; Jefferson; Noble; and Putnam.

The project includes the following areas of study:

- 1) Structured supervised meetings with clients. If pretrial officers are provided specific methods to conduct a pretrial appointment, will that affect the outcome of a client's supervision/success?;
- 2) Identifying a client's needs and making referrals. How can pretrial officers help clients identify individualized needs? Will clients voluntarily follow through with any treatment referrals their officer makes if the office receives specific training?; and
- 3) Gathering feedback from people with lived experience. The researchers will be conducting focus groups to learn from people who have gone through pretrial supervision.

During these structured appointments, the pretrial officer will conduct a *Voluntary Needs Assessment* and make appropriate referrals, as well as complete structured goal planning activities with clients. This will be a two-year study, with findings to be released in 2027.

Juvenile Services Research

Since 2020, the Department has been involved in the Alliances to Disseminate Addiction Prevention and Treatment (ADAPT) study funded by the National Institutes of Health and led by Principal Investigator Matthew Aalsma, PhD, associated with Indiana University Purdue University Indianapolis (IUPUI).

The ADAPT project takes a two-pronged approach. First, the project employed a Learning Health System (LHS) to develop collaborative alliances between juvenile justice agencies and community mental health centers, organizations that traditionally operate independently. Second, the project aims to present local data within the LHS alliances. By offering agency representatives an opportunity to view and discuss, for example, the local rate at which youth in the juvenile justice system at risk of substance use disorders are initiating services, the project team will facilitate development of tailored, local solutions to improve services for each county.

In this project, Departmental staff attend training, completed various surveys, and tracked a variety of data elements during the implementation. The project is expected to wrap-up in 2025.

Juvenile Client Surveys

For several years, the Department has provided youth with a general "exit survey" as they exit our system. Through our JDAI initiative and work with consultant Laura Furr, the Juvenile Division has been working toward the development of four (4) surveys that would be given to youth and families after: appointments; intake; exit; and court hearings. The Department began a partnership with Indiana University (IU) in 2024 as an independent and impartial third party to collect the survey data and provide regular reports on the results.

COURT ALCOHOL AND DRUG PROGRAM DATA REPORT

Note – The report represents data submitted to the State of Indiana and differs slightly in the data reported elsewhere in the annual report due to collection methods and dates in time when the data was calculated. Items with zeros are not reported.

1. **Reporting Period:** January 1, 2024 to December 31, 2024

2. **Race**

- A. 6 – American Indian or Alaskan Native
- B. 9 – Asian
- C. 66 – Black or African-American
- D. 50 – Multiracial
- E. 1 – Native Hawaiian or Other Pacific Islander
- F. 7 – Unknown
- G. 531 – White

3. **Gender**

- A. 194 – Female
- B. 474 – Male
- C. 2 – Not Specified

4. **Age**

- A. 72 – 18-21
- B. 99 – 22-25
- C. 86 – 26-30
- D. 117 – 31-35
- E. 81 – 36-40
- F. 72 – 41-45
- G. 61 – 46-50
- H. 28 – 51-55
- I. 34 – 56-60
- J. 9 – 61-65
- K. 11 – 66 and above

5. **Income (Status at Intake)**

- A. 105 – Unknown/Unavailable
- B. 428 – Less than \$10,000
- C. 7 – \$10,000 - \$14,999
- D. 16 – \$15,000 - \$24,999
- E. 37 – \$25,000 - \$34,999
- F. 32 – \$35,000 - \$49,999
- G. 23 – \$50,000 - \$74,999
- H. 22 – \$75,000 or more

6. **Education (Status at Intake)**

- A. 117 – Less than High School
- B. 234 – High School Diploma / GED
- C. 36 – Trade / Technical School
- D. 159 – Some College
- E. 99 – College Graduate
- F. 25 – Unknown/Unavailable

COURT ALCOHOL AND DRUG PROGRAM DATA REPORT

(continued)

7. Employment (Status at Intake)

- A. 292 – Full-time Employment
- B. 56 – Part-time Employment
- C. 242 – Unemployed
- D. 30 – Disabled
- E. 11 – Retired
- F. 19 – Student
- G. 20 – Unknown/Unavailable

8. Referral

- A. 83 – Basic Substance Abuse Education
- B. 30 – Self-help
- C. 439 – Substance Abuse Treatment Evaluation

9. Compliance / Disposition

- A. 16 – Absconded / FTA
- B. 8 – Deceased
- C. 462 – Successfully Completed
- D. 121 – Terminated Unsuccessful / Revoked

10. Risk Assessment

- A. 230 – Low
- B. 180 – Moderate
- C. 132 – High
- D. 44 – Very High

11. Charge

- A. Level 2 Felony
 - 6 – Offenses relating to controlled substances under 35-48
- B. Level 3 Felony
 - 1 – Offenses involving a motor vehicle under IC 9
 - 4 – Offenses relating to controlled substances under IC 35-48
- C. Level 4 Felony
 - 1 – Offenses against property under IC 35-43
 - 2 – Offenses involving a motor vehicle under IC 9
 - 11 – Offenses relating to controlled substances under IC 35-48
 - 1 – Offense relating to regulations of weapons and instruments of violence under IC 35-47
- D. Level 5 Felony
 - 1 – Miscellaneous offenses under 35-46
 - 2 – Offenses against property under IC 35-43
 - 1 – Offenses against public health, order and decency under IC 35-45
 - 1 – Offenses against the person under IC 35-42
 - 4 – Offenses involving a motor vehicle under IC 9
 - 22 – Offenses relating to controlled substances under IC 35-48
 - 5 – Offense relating to regulations of weapons and instruments of violence under IC 35-47

COURT ALCOHOL AND DRUG PROGRAM DATA REPORT

(continued)

E. Level 6 Felony

- 6 – Offenses against general public administration under IC 35-44.1
- 4 – Offenses against property under IC 35-43
- 1 – Offenses against public health, order and decency under IC 35-45
- 8 – Offenses against the person under IC 35-42
- 93 – Offenses involving a motor vehicle under IC 9
- 136 – Offenses relating to controlled substances under IC 35-48
- 1 – Offenses relating to the regulation of weapons and instruments of violence under IC 35-47

F. Class A Misdemeanor

- 1 – Offenses against general public administration under IC 35-44.1
- 2 – Offenses against property under IC 35-43
- 212 – Offenses involving a motor vehicle under IC 9
- 6 – Offenses relating to controlled substances under IC 35-48
- 1 – Offenses relating to the regulation of weapons and instruments of violence under IC 35-47

G. Class B Misdemeanor

- 3 – Offenses against public health, order and decency under IC 35-45
- 4 – Offenses involving a motor vehicle under IC 9
- 5 – Offenses involving alcohol under IC 7.1
- 4 – Offenses relating to controlled substances under IC 35-48

H. Class C Misdemeanor

- 101 – Offenses involving a motor vehicle under IC 9
- 4 – Offenses involving alcohol under IC 7.1
- 1 – Offenses relating to controlled substances under IC 35-48

PROBLEM SOLVING COURTS PERFORMANCE MEASURES

Note – The report represents data submitted to the State of Indiana and differs slightly in the data reported elsewhere in the annual report due to collection methods and dates in time when the data was calculated.

	Drug Treatment Court	Reentry Court	Mental Health Court	Veterans Court
Demographics				
A. Sex – number of participants in each category during the reporting period.				
1. Female	17	10	4	0
2. Male	36	25	17	16
B. Race – number of participants in each category during the reporting period.				
1. White	46	29	14	15
2. Black or African American	2	5	3	1
3. American Indian or Alaska Native	3	0	0	0
4. Asian	0	0	1	0
5. Other	1	0	0	0
6. Two or more races	1	1	3	0
C. Ethnicity – number of participants in each category during the reporting period.				
1. Of Hispanic, Latino or Spanish origin	1	1	1	0
2. Not of Hispanic, Latino or Spanish origin	52	34	20	16
D. Age – number of participants in each age range at intake during the reporting period.				
1. 18-21	1	0	1	0
2. 22-25	3	1	3	0
3. 26-30	4	9	2	1
4. 31-35	9	6	5	2
5. 36-40	16	5	1	3
6. 41-45	8	5	4	1
7. 46-50	2	6	0	3
8. 51-55	3	2	4	1
9. 56-60	4	1	1	1
10. 61-65	2	0	1	4
11. 66 and Above	1	0	0	0
E. Military status – number of participants reporting current or past military service at intake during the reporting period.	3	1	0	16

	Drug Treatment Court	Reentry Court	Mental Health Court	Veterans Court
F. Education – number of participants with each of the following education levels at intake during the reporting period.				
1. Less than a high school education	6	11	2	3
2. High school equivalency	3	5	1	0
3. High school	22	13	8	8
4. College	22	6	10	5
G. Employment – count only those participants who are legally employed and work either 30 hours or more per week (full-time), are verifiably disabled and unable to work, are retired and existing on a pension, or are attending school full-time on the last day of the reporting period.				
1. Number of participants who were employed full-time	41	29	8	11
2. Number of participants who were full-time students	0	0	1	0
3. Number of disabled participants	1	0	2	0
4. Number of participants who were retired	0	0	0	0
5. Other	11	6	9	3
H. Current offense – number of participants admitted during the reporting period with the most serious offense for which each individual is participating in the problem-solving court, prioritized by offense level and type of offense as listed below. Count each participant only once.				
1. Level 3 Felony	1	4	1	0
2. Level 4 Felony	3	11	2	1
3. Class C Felony	0	1	0	0
4. Level 5 Felony	9	13	4	1
5. Class D Felony	1	0	0	0
6. Level 6 Felony	35	6	10	8
7. Class A Misdemeanor	0	0	0	4
8. Other Uncategorized	2	0	0	1
I. Treatment history – number of participants admitted during the reporting period with past or current treatment at intake in the following categories. Data in this section shall be supported by documentation in the court's possession and collected at the time of admission. Each participant should only fall within one category.				
1. Mental health disorder	8	1	20	1
2. Substance disorder	19	11	11	1
3. Co-occurring disorders	2	1	13	0
J. Treatment Services – number of participants who received the following services during the reporting period. A participant may be counted in both categories but should not be counted more than once in a service category.				
1. Substance abuse treatment	13	14	10	3
2. Mental health treatment	8	12	7	1

	Drug Treatment Court	Reentry Court	Mental Health Court	Veterans Court
K. Risk Assessment				
1. Number of participants scored at intake using the IRAS/IYAS at each of the following risk levels during the reporting period.				
a. Low	1	0	0	1
b. Moderate	3	1	0	1
c. High	2	6	6	1
d. Very High	3	1	3	0
2. Number of graduated participants scored at discharge using the IRAS/IYAS in each of the following risk levels during the reporting period.				
a. Decrease from intake	0	0	0	0
L. Drug(s) of choice – number of participants admitted during the reporting period who report their drug of choice as one or more of the following:				
1. Alcohol	21	3	3	3
2. Amphetamines	0	1	0	0
3. Benzodiazepines	0	1	1	0
4. Crack/Cocaine	1	0	3	0
5. Heroin	3	5	1	0
6. Marijuana	7	4	8	2
7. Methamphetamines	10	8	10	0
8. Prescription opioids (e.g. Buprenorphine/Suboxone, Methadone)	2	2	2	0
9. Synthetic substances (e.g. Ecstasy, Spice/K2, bath salts)	0	0	2	0
M. Program participant status				
1. Admitted	9	8	8	4
2. Graduated	15	7	4	4
3. Terminated (removal for noncompliance with program requirements)	5	4	7	0
4. Withdrawn (removal for something other than noncompliance with program requirements)	0	0	1	1
5. Active (the total number of participants)	33	24	9	11
N. Legal status of participants – number of participants in each of the following categories as determined at the time of intake during the reporting period. A participant may be counted in more than one category only if the individual enters the court under more than one case number with different legal statuses.				
1. Judgment of conviction withheld pending successful completion of the problem solving court	53	35	21	16

	Drug Treatment Court	Reentry Court	Mental Health Court	Veterans Court
Abstinence and Use				
A. Number of chemical tests administered during the reporting period	9298	7982	2029	2931
B. Number of chemical tests administered during the reporting period with a positive test result	569	505	156	270
C. Number of chemical tests administered during the reporting period with dilute results	0	1	1	1
D. Number of chemical tests administered in each of the following categories during the reporting period				
1. Breath	5930	5140	1344	1822
2. Saliva	525	467	110	184
3. Urine	2843	2375	575	925
E. Participant substance use during the reporting period				
1. Number of participants who tested positive during the reporting period	33	24	11	10
2. Number of participants with dilute test results during the reporting period	0	8	1	1
3. Number of times participants tested positive for each of the following substances during the reporting period				
a. Alcohol	17	5	1	3
b. Amphetamines	5	2	1	5
c. Benzodiazepines	2	0	1	0
d. Crack / Cocaine	9	1	0	0
e. Marijuana	8	5	9	0
f. Methamphetamines	2	3	2	1
g. Prescription opioids (used without prescription or contrary to prescription directives) (e.g. Buprenorphine/Suboxone, Methadone)	51	52	16	41
Adult Participant Data				
A. Number of adult participants who received a jail sanction	20	13	17	2
B. Number of jail days served by adult participants for sanctions	524	194	815	32
C. Number of jail days served by adult participants awaiting treatment placement (to include detoxification, sober living, inpatient, etc.)	0	0	370	0
D. Number of jail days served by adult participants awaiting termination	601	691	494	0
Graduation Rate – The percentage of participants who graduated from the problem-solving court, derived by dividing the total number of problem-solving court graduates since initial problem-solving court certification by the total number of graduates since initial problem-solving court certification plus the total number of participants terminated since initial problem-solving court certification, calculated on the final day of the reporting period.	60%	55%	55%	60%

	Drug Treatment Court	Reentry Court	Mental Health Court	Veterans Court
Recidivism				
A. During problem-solving court participation, the number of adult participants charged with a new felony or misdemeanor, and the number of juvenile participants charged with a new act that would be a felony or misdemeanor if committed by an adult or waived to criminal court in each of the following offense levels during the reporting period. Report only the most serious offense charged to the participant under the appropriate offense level.				
• Level 1 Felony	1	0	0	0
• Level 5 Felony	0	0	0	0
• Level 6 Felony	0	0	2	0
• Level A Misdemeanor	1	0	0	0
B. Number of former adult participants charged with a new local (defined as within the same county as the problem-solving court) felony or misdemeanor and former juvenile participants charged with a new local (defined as within the same county as the problem-solving court) act that would be a felony or misdemeanor if committed by an adult or waived to criminal court in each of the following offense levels within 36 months of problem-solving court discharge during the reporting period. Count only the most serious offense charged to the former participant under the appropriate offense level.	Drug Treatment Court	Reentry Court	Mental Health Court	Veterans Court
1. Graduated participants				
• Level 6 Felony	0	0	0	0
• Level A Misdemeanor	0	1	0	0
2. Terminated participants				
• Level 5 Felony	0	0	1	0
• Level 6 Felony	0	0	1	0
Retention Rate – The percentage of participants who have either graduated or are still active in the problem-solving court out of the total number of participants admitted since initial problem-solving court certification (active + graduated / total number admitted), calculated on the final day of the reporting period.	62%	57%	56%	61%

Introduction

Mission Statement

The mission of Youth Services Bureau is to support youth and families through advocacy, education, collaboration, and fostering community connections.

Vision Statement

Youth Services Bureau of Monroe County envisions a thriving community, rooted in compassion, rich in opportunity, where youth and families are empowered and resilient.

Agency Values

Integrity, Advocacy & Awareness, Service, Importance of Human Relationships, Honoring Dignity of Person, Investment

History

Since 1972, Youth Services Bureau of Monroe County has provided services to strengthen families, divert youth from the juvenile justice system, and to foster positive youth development. Family support and structure are necessary for the development of our community's youth. YSB offers services that foster positive family functioning and help lay the groundwork to build healthy, productive individuals.

Accreditation & Memberships

YSB is an accredited Indiana Youth Services Association (IYSA) member.

We fulfill the 4 core roles of delinquency prevention, advocacy, community education and information & referral with our programs. ¹

YSB is a member of Indiana Association of Resources and Child Advocacy (IARCA). It is an association of concerned agencies who not only care for children and families but also care about them. ²

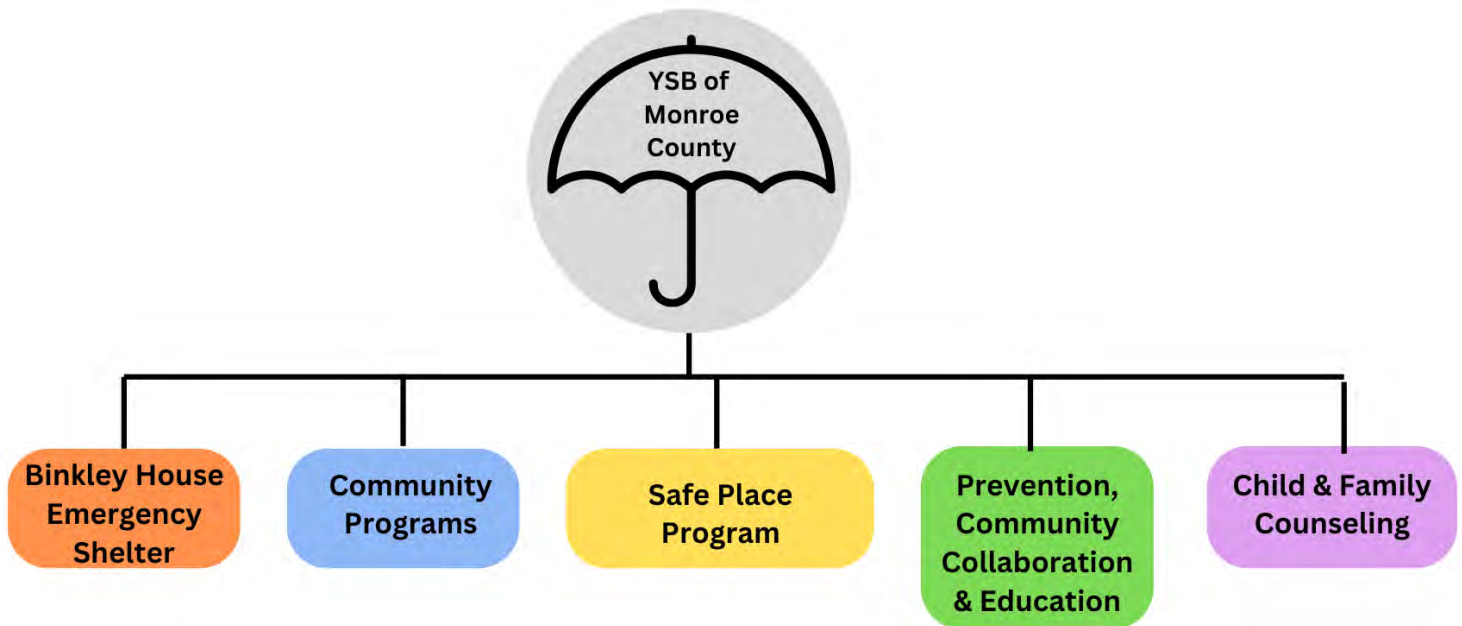

YSB is a member of National Safe Place Network (NSPN). This organization provides quality training and technical support for youth and family service organizations across the country. ³

YSB Agency Reports

2024 Youth Services Bureau of Monroe County Annual Report

Executive/Deputy Director's Report

The Youth Services Bureau (YSB) of Monroe County remains committed to its mission to support youth and families through advocacy, education, collaboration, and fostering community connections. In 2024, we navigated challenges and embraced opportunities to expand our impact, ensuring the well-being of vulnerable youth in our community. YSB maintained fiscal responsibility and secured vital funding sources. Notably, we successfully applied for and received the Runaway and Homeless Youth Grant for three years, strengthening our ability to support youth in crisis. Our commitment to personnel development led to the creation a Development and Training Manager position, addressing the growing need for staff training. While turnover increased slightly, mainly among part-time staff, strategic hiring efforts helped maintain service quality.

Binkley House remains the cornerstone of our emergency shelter services. In 2024, we provided 120 placements for 112 unique youth, serving a broad demographic across multiple counties. The average stay was 17.5 days, with Department of Child Services (DCS) placements accounting for most shelter stays. Our trauma-informed approach, centered around the "Five Finger Agreement," continued to foster a safe and supportive environment for youth in crisis. YSB also achieved a significant milestone with the successful re-licensure from the Department of Child Services for four years, demonstrating our continued commitment to service. Furthermore, YSB completed routine inspections, including those conducted by the Indiana State Fire Marshal, local and state health departments, and drop-in inspections by the Department of Child Services, ensuring compliance with all safety and operational standards.

Safe Place expanded its reach across Monroe, Owen, Greene, and Brown Counties, providing immediate crisis intervention. Over 35,000 youth and 11,000 adults engaged with our outreach efforts through events, educational presentations, and advertising campaigns. Our partnerships with local organizations and media ensured that more young people were aware of available support services. In recognition of our efforts, YSB was honored with the 2024 Indiana Safe Place Program of the Year Award.

Our Clinical Team delivered short-term counseling to Binkley House residents and expanded community-based services. The Truancy Termination Partnership Program (TTPP) saw significant growth, supporting over 100 youth and families. Additionally, we introduced the Empowered Parenting Workshop to strengthen family relationships. Prevention efforts continued through collaborative initiatives, such as the Monroe County Youth Council and Building a Thriving Compassionate Community, fostering resilience and support for youth. YSB played a pivotal role in community collaboration, hosting the Monroe County Childhood Conditions Summit (MC3) and offering over 20 professional development trainings. Our partnerships with schools, social service agencies, and local government enhanced our ability to provide holistic support for youth and families. As we move forward, our focus remains on strengthening services, expanding outreach, and advocating for systemic improvements that benefit youth.

On November 13th, 2024, our agency held a successful staff retreat that brought together all team members, including clinical, administrative, outreach and prevention, and direct-care staff. The retreat provided an invaluable opportunity for all employees to align around our shared mission of serving youth in need. The day was focused on reinforcing our collective purpose and enhancing cross-departmental communication, ensuring that all staff members are equipped to continue making a positive impact on the youth and communities we serve.

YSB's achievements in 2024 underscore our commitment to empowering youth and families. Our dedicated staff, strong community partnerships, and evidence-based programs position us for continued success in 2025 and beyond. We remain deeply grateful for the support of our stakeholders and look forward to another year of impactful service.

Victoria Thevenow, Executive Director & Vanessa Schmidt, Deputy Director

Finance & Personnel Coordinator

The Youth Services Bureau (YSB) is pleased to share an overview of the agency's financial performance and personnel development for 2024. Despite economic challenges, YSB has successfully delivered vital services to the youth in our community while continuing to invest in the growth and development of our team. This was accomplished by strategically leveraging available resources, pursuing external funding opportunities, making informed decisions to ensure efficient use of funds, and actively participating in conferences to enhance our knowledge and impact.

YSB maintained a positive partnership with the Department of Child Services and secured a per diem rate of 718.23 per child per day for 2024. This is an increase of \$87.77 from the 2023 rate of \$630.46. The per diem revenue is directed into the Monroe County General Fund. The agency continues to receive the Runaway & Homeless Youth Basic Center Grant (RHY). The current grant budget period began in the fall of 2024 and will run for three years. There was a \$12,847 annual increase in the RHY grant compared to the 2023 grant cycle. The agency also received state funding from the Indiana Youth Services Association (IYSA) to support outreach for the Safe Place program, partially cover the salary of a case manager, and assist with direct-care staff costs, as well as training and travel expenses.

In 2024, YSB faced the challenge of operating without a Financial and Personnel Coordinator for nearly six months. As always, the YSB team stepped up to the plate, rolled up their sleeves, and got to work. They identified essential tasks, divided responsibilities, and continued operations as usual while actively recruiting a new Financial and Personnel Coordinator. This period of transition also brought other personnel changes. Recognizing the growing training needs and requirements within the organization, YSB created the Development and Training Manager position, which was successfully filled by an internal employee. Additionally, a Data Specialist, Residential Coordinator, and Counselor were welcomed aboard, along with several new direct care workers. Despite these personnel adjustments, YSB managed to stay within budget, meeting its staffing needs without requesting additional funds from the county.

Overall, the employee turnover rate saw a modest increase, rising from 32.3% in 2023 to 38.8% in 2024. A significant portion of this increase can be attributed to the turnover in part-time employees, who typically are college students. The agency continues to use hiring platforms to attract qualified candidates who are seeking a rewarding fulfilling work environment.

2024 YSB Funding Sources

Funding Name	Source	Amount	% of total
Local Income Tax (LIT)- Special Purpose	Monroe County	\$2,403,342.00	90.40%

1504 Safe Place FSSA		\$5,495.04	

Prevention Funds	Former Asset Building Coalition Funds	\$5,075.00	0.19%
Truancy Termination Partnership Program	Probation	3,500.00	0.13%
YSB Donation Fund	Private Donations	\$1,559.00	0.06%
TOTAL: \$2,658,469.69			

In-Kind Contributions		
Donated Items/Amazon Wishlist	Toiletries, shelter supplies, clothing	\$1,271.33
MSW Intern (valued at \$18.00/hour)	840 hours	\$15,120.00
TOTAL: \$16,391.33		

Generated Revenue		
2024 Per Diems		TOTAL: \$1,042,151.93

Local Income Tax Special Purpose (LIT)

- LIT Special Purpose is YSB's main funding source, funding the majority of operating and personnel costs for the organization.

Runaway and Homeless Youth (RHY) Grant

- The Runaway and Homeless Youth Grant is through the Federal Department of Health and Human Services and fully funds the YSB Shelter Outreach and Safe Place Coordinator and one of the four counselors, along with a small stipend for training and programmatic expenses.

1503 Youth Services Bureau Grant

- The 1503 YSB Grant is administered through the Indiana Youth Services Association, and funds approximately half of the fulltime Case Manager and a supplement to hourly shelter staff, with a small stipend for training and travel.

1504 Safe Place Grant

- The 1504 Safe Place grant is administered through the Indiana Youth Services Association, and funds operational and outreach costs for the Safe Place Program.

Prevention Funds

- This funding is associated with the absorption of the four subcommittees formerly associated with the Asset Building Coalition: the Monroe County Youth Council, Building a Thriving Compassionate Community, the Bloomington Afterschool Network, and the Prevention General Fund.

Truancy Termination Partnership Program

- This is a court diversion program that is designed to provide case management and/or counseling services to reduce instances of truancy for youth/families in our community.

YSB Donation Fund

- This donation fund is where all private donations made to YSB are deposited.

DCS Per Diems

- DCS per diems are a state reimbursement for all court ordered and DCS placed children. In 2024, YSB generated \$718.23 per child per day. This source funds Local Income Tax (LIT) and is deposited directly into the general-purpose account for the county.

Catherine Strother, Financial & Personnel Coordinator

Binkley House Emergency Youth Shelter Overview

Program Description

Binkley House Emergency Youth Shelter is the largest division of YSB. It provides short-term emergency residential care and crisis intervention for youth ages 10-17. The shelter offers emergency shelter for runaways, homeless youth, and youth in crisis or abusive situations at home. Binkley House is a licensed Emergency Shelter Care Facility and follows the guidelines set forth by the Indiana Department of Child Services. Binkley House Emergency Youth Shelter remains the only shelter program for youth in the region of Monroe and surrounding counties.

Binkley House is accessible for youth in need 24 hours a day. The exterior outer doors are locked to ensure the safety of staff and residents. However, our internal doors are never locked. We do not utilize locked rooms, or

seclusions and restraints on our shelter residents. The shelter program, known for its “Five Finger Agreement” (Safety, Responsibility, Respect, Following Directions, and Effort) relies on an incentive-based, trauma informed approach to support and encourage positive behavior choices while ensuring safety for all. Our staff can enforce the behavior modification program by recognizing and rewarding positive behavior and helping residents find ways to work on areas of behavior that may need to improvement without the fear of punitive restrictions.

Binkley House provides services such as counseling, educational support time, supervised recreation, transportation to and from school and appointments, as well as referrals to a variety of agencies for related services. YSB also assists youth in transitional services during their stay at the Binkley House Youth Shelter. These include daily living skills, transition to long-term residential care, transition from long-term residential care back home, and short-term aftercare counseling. The youth shelter program also offers services to youth in the foster-care system to reduce multiple foster-care placements. Referrals to the youth shelter program can occur in several ways including from social service agencies, parents, or directly from the youth themselves. The Youth Services Bureau of Monroe County never charges a fee for the services provided for youth accessing Safe Place or parental (voluntary by youth agreement) admissions.

Binkley House Emergency Youth Shelter Referrals

In 2024, we received a total of 544 inquiries (referrals) for service, an average of 45 calls per month. The calls we receive are usually during a time of crisis for which the callers (youth, family member, and legal guardian) are seeking immediate emergency shelter services.

Inquiries for Service by Referral Type	Total
Safe Place	24
Parental	138
Probation	31
DCS	351
Police	0
Total Referrals	544

In 2024, YSB of Monroe County experienced a 12% increase in DCS referrals from the previous year. Probation referrals slightly increased by 1%. Safe Place and Parental referrals declined in 2024. Police referrals remained at 0%.

Services Provided

In 2024, we were able to provide safe shelter accommodations a total of 120 times to 112 individual youth. Binkley House served 80 youth who had never had contact or placement with Binkley House Youth Shelter. When counting the total number of service days given to all youth in 2024, we provided 2,093 real-time⁵ days of service.

December	222
Total	2,093

During 2024, the average length of stay for a youth in the shelter was approximately 17.50 days, an increase from 2023 when the average length of stay was 17.25 days. In 2012, a legislative change occurred limiting the length of stay for a youth at a licensed emergency youth shelter in the state of Indiana to a maximum of 20 days⁶ (without a waiver), regardless of placement type.

⁵ “Real-time” means that day in and day out are counted.

⁶ Per Dept. of Child Svc. rules, day out does not count.

The Binkley House Emergency Youth Shelter program serves youth from various counties across the state. Since we are in Monroe County, it is of no surprise that the majority of the youth we serve reside in Monroe County. It is important to note that many of the families we serve are transient, having lived in Monroe County either in the past or currently. Monroe County is known for its many resources and families often gravitate to this exceptional community.

Youth County of Residence

Monroe County	Lawrence County	Morgan County	Owen County	Greene County	Brown County	Other Indiana County	Out of State	Total
54	7	3	2	2	3	49	0	120

Our Counselors and Case Managers provide clinical and supportive services daily for each Binkley House resident. In some circumstances, the contact with youth is much more extensive, based on individual needs and support for success.

Youth Services Bureau staff identified and reported 28 suspected cases of physical abuse, sexual abuse, and/or neglect to the Indiana Department of Child Services-Child Protective Services unit. This is approximately 25% of individual youth served in 2024. The suspected reports of abuse and/or neglect are a result of youth self-report, questionable marks/bruises, as well as any observed abuse by a guardian or others towards the youth while in our care.

We know it is best practice and vital for youth and families to engage in counseling while experiencing family crises. The (clinical) behavioral health service component (clinical counseling/case management) is not funded through the Indiana Department of Child Services contract for Emergency Shelter Care. While we seek grants to aid this critical link in services to facilitate improved family functioning, we would be remiss if we did not thank Monroe County for continuing to support our services.

Shelter Placement Types

Placement Types – Binkley House codes placements by “types,” reflecting who is responsible for placing the youth in the shelter program. In some instances, the youth’s placement type may change during their stay, which indicates a shift in the party responsible for the youth’s stay in the program. In 2024, **9** youth changed placement type during a single stay.

1. **Safe Place** – Youth initiate the desire to come for services at Binkley House Emergency Youth Shelter. There is no cost to the family for this service type. Length of this placement cannot exceed 72 hours but may become another placement type if continued services are requested.

13 youth; 11% of the total shelter population (29 service days).

2. **Parental** – A parent or legal guardian contacts Binkley House Emergency Youth Shelter requesting youth services. In this instance, the youth must voluntarily agree to come to Binkley House Emergency

Youth Shelter for short term placement. Federal and state funding cover parental placement costs regardless of the youths' county of origin. There is no cost to the family for this service type.

45 youth; 37% of the total shelter population (493 service days).

3. **Probation** – Through a court order, a youth is placed at Binkley House Emergency Youth Shelter to prevent delinquent behavior and promote pro-social behavior. Youth are accepted as court ordered placements only if they pose no safety risk or harm to self or others. Results of court involvement typically come from truancy (not attending school consistently), return to the community from another environment, or preventative (assist youth in remaining free from negative influences until the youth can make better choices). YSB submits per diem claims to Indiana Department of Child Services (per assigned rate). This is not billed to the family by YSB.

10 youth; 8% of the total shelter population (120 service days).

4. **Department of Child Services** – When a youth is a ward of DCS or is in an emergency situation in which the DCS Case Worker determines that removal from a home is needed, a youth can be placed at Binkley House Emergency Youth Shelter. Typically, we host youth who are waiting for their homes to return to a safe level (after DCS interventions have been put in place), are awaiting foster care placement, or are in transition between homes. YSB submits per diem claims to Indiana Department of Child Services (per the assigned rate). This is not billed to the family by YSB.

53 youth; 44% of the shelter population (1,451 service days).

5. **Police Hold** - To assist local law enforcement in returning to serve the public, there are occasions where Binkley House Emergency Youth Shelter will house a youth until a parent can be located to take custody of their child. These instances typically occur when law enforcement has come into contact with a youth and a parent/guardian cannot immediately respond to law enforcement to retrieve their child. These placements are typically less than 24 hours in duration. If a parent cannot be located within 24 hours, Binkley House contacts the Department of Child Services to assist in family locating.

0 youth; 0% of the total Shelter Population (0 service days).

Youth in Placement

Parental and Safe Place (at-risk or actively RHY youth) totaled 48% of youth serviced in Binkley House in 2024. Safe Place youth had an average length of stay of 2.6 days. Parentally placed youth had an average length of stay of 11 days. Youth placed in Binkley House by the Department of Child Services (DCS) totaled to 44% of youth served in 2024. DCS placed youth totaled 1,451 service days, an average length of stay of 27 days, indicating longer stays for this placement type. Court-Ordered youth placed in 2024 totaled to 8% of the population served, for a total of 120 service days, and an average length of stay of 12 days.

Gender of Youth in Program

Binkley house is a co-ed shelter with separate male and female sleeping wings attached to the common areas. Regardless of biological sex, youth may choose how they identify at YSB. We served a total of 50 male and 60 female identifying youth, and 2 youth identifying as transgender.

Age of Youth Receiving Services

Binkley House serves youth from 10 to 17 years of age. In 2024, much of our youth were age 14-17, consistent with previous years.

Program Coordinator Report

In 2024, the Youth Services Bureau of Monroe County remained committed to supporting youth and families through best practices and high-quality services. Our largest program, the Binkley House Emergency Youth Shelter, operated 24/7, providing critical support year-round. Additionally, we oversaw the local Safe Place program, serving multiple counties by offering youth a safe alternative to running away and immediate crisis support. Over the past year, these programs assisted more than 130 youth and their families, ensuring safety, stability, and compassionate care.

Binkley House Emergency Youth Shelter continued to provide uninterrupted, trauma-informed care guided by the ARC Framework (Attachment, Regulation, and Competency). Daily routines included service learning, physical recreation, creative exploration, education, and skill-building. Programming emphasized social development and individual strengths to foster personal growth and stability. Residents participated in daily physical activities at local parks and the YSB gymnasium, with expanded community outings, including visits to the Banneker Center. Weekly programming incorporated career exploration, discussions on current events, educational films, and creative projects.

In 2024, residents engaged in enriching experiences, including visits to the Monroe County History Center, WonderLab Science Museum, IU Eskenazi Museum of Art, and The Wylie House Museum. They also developed soft skills through equine-assisted learning at PALS (People and Animal Learning Services) and contributed to the community by volunteering at Mother Hubbard's Cupboard food pantry. Residents explored local resources at the Monroe County Public Library and participated in the YSB gardening program, reinforcing teamwork and responsibility. Binkley House Emergency Youth Shelter also supported school attendance for enrolled residents and provided structured daily educational programming for those unable to attend traditional classes. The YSB Education Case Manager led tailored academic support, career exploration, and goal-setting activities. Residents who completed high school or obtained their Indiana High School Equivalency (HSE) received guidance on employment and secondary education. In 2024, career development support expanded to include career strength assessments and personalized goal-tracking tools. During school breaks, educational programming incorporated hands-on learning and field trips, including visits to a honeybee farm, the Feline Rescue Center, the IU Geological and Water Learning Lab, and local nature centers.

The YSB Clinical team continued to foster youth development through *Focus*, an after-school psychoeducational program covering topics such as nutrition, self-esteem, healthy relationships, anger management, conflict resolution, and substance use prevention (ATOD: alcohol, tobacco, and other drugs). Engaging activities like vision board projects, cooking exercises, and team-building challenges reinforced these lessons. The YSB Clinical Case Manager also led a daily life education hour, connecting residents to local resources and community partners such as Work One, local fire stations, and social service agencies. This provided valuable exposure to job support and life skills essential for independence.

YSB remained dedicated to staff training and professional development in 2024, offering ongoing educational opportunities to strengthen expertise and maintain program consistency. Group refresher trainings on de-escalation techniques and managing large groups ensured staff confidence. Binkley House continued to uphold the high standards set by the Department of Child Services, the Indiana Youth Services Association, and the Family and Youth Services Bureau (FYSB) and is seen as a model facility.

YSB has operated a local Safe Place program since 1987, providing crisis intervention, shelter access, and youth crisis education. In 2024, safe Place continued outreach in Monroe, Owen, Greene, and Brown Counties. Safe Place staff engaged over 400,000 individuals through in person events, school partnerships, and service provider collaborations such as TV and radio PSA's. The program continues to exceed the standards set by the Indiana Youth Services Association (IYSA), the National Safe Place Network, and the federal Runaway and Homeless Youth program.

YSB remained an active participant in the Juvenile Detention Alternatives Initiative (JDAI), working to reduce youth detention placements. In 2024, the Program Coordinator contributed to the Alternatives to Detention workgroup, while other YSB staff participated in the Data and Steering Committees, reinforcing the agency's commitment to community-based alternatives.

As we move into 2025, YSB remains dedicated to supporting youth and families, removing barriers to stability, and expanding services. We will continue to advocate for the young people we serve, implement best practices, and explore new programming to better meet community needs. Our commitment ensures that all families have access to the resources and support necessary for long-term success.

Sara Jamieson, Program Coordinator

Binkley House Manager Report

In 2024, the Binkley House Manager focused on several key objectives to enhance the quality of services provided to youth residing in the emergency shelter. These efforts centered on optimizing daily shelter operations, strengthening communication channels, and improving employee training. By fostering collaboration across teams, we ensured consistency in daytime programming, education, and psycho-educational components, enriching the overall experience for residents.

Program Enhancements & Activities

Throughout the year, Binkley House staff worked alongside Prevention and Clinical teams to develop engaging on-site projects for residents. These included:

- Expanding the summer garden project
- Cooking and menu planning activities

- Intensive art projects
- Resident-inspired focus groups
- Daily physical activities

These initiatives provided residents with meaningful experiences, fostering personal growth, creativity, and well-being.

Employee Training & Development

To ensure consistency and competency in staff training, the agency streamlined its hiring and training processes. Key improvements included:

- Designating training mentors among experienced full-time staff
- In-person training, supplemented with competency quizzes
- Emphasizing the ARC framework (Attachment, Regulation, and Competency) as our evidence-based practice
- Integrating Non-Violent Crisis Prevention Intervention (CPI) techniques for daily milieu management
- Conducting monthly Residential Coordinator meetings with the Binkley House Manager and Program Coordinator
- Organizing structured monthly meetings for direct care staff to discuss shift processes, crisis intervention, and programming
- Development of on-boarding and training cohorts for PT RC's and RS group training focusing on teamwork and cohesiveness

These strategies have strengthened team cohesion, ensuring staff are well-equipped to support residents effectively.

Behavior Modification & Incentives

In 2024, we continued utilizing our reward-based behavior modification system, alongside an updated daily point sheet, to encourage positive outcomes for residents. Each day, residents worked toward achieving Level 4 status, earning daily tokens redeemable at the shelter store or for special outings. These outings included trips to the movie theater, haircuts, and dining experiences at local restaurants.

The shelter store underwent a major revamp in 2023, and it continues to be a major incentive, providing a wider selection of items residents could purchase using their tokens. Popular choices included wallets, watches, cologne, craft kits, fidget toys, journals, hair accessories, and jewelry. Many residents also chose to shop for gifts for loved ones they could not visit during their stay, fostering a sense of connection and generosity.

Community Engagement & Recreational Activities

Beyond structured programming and psycho-educational activities, residents participated in off-site recreational outings, including:

- Bowling and billiards at Indiana Memorial Union
- Indiana University sporting events (Men's & Women's Basketball)
- Visits to the YMCA, IU Cook Hall, Monroe County Public Library, and The Warehouse
- Excursions to WonderLab, local parks, and fishing trips

These outings provided residents with enriching experiences that promoted socialization, physical activity, and a sense of normalcy.

Resident Support & Holiday Initiatives

In 2024, the agency ensured that residents had access to essential items, including clothing, shoes, toiletry kits, duffle bags, blankets, holiday gifts, book bags, and school supplies. Staff worked diligently to create a warm and festive environment during the holidays by organizing special meals, decorations, and personalized gifts, helping residents feel at home during challenging times.

Looking Ahead to 2025

As we move into 2025, Binkley House remains committed to refining our practices and enhancing the support we provide to the youth we serve. Our focus will be on further improving programming, strengthening staff development, and ensuring the best possible outcomes for our residents.

Through continuous collaboration, innovation, and dedication, we look forward to another impactful year of service at Binkley House.

Jennifer Vaught, Binkley House Manager

YSB/Safe Place Outreach Manager Report

Safe Place is a nationwide youth outreach and prevention initiative dedicated to providing immediate assistance and safety for young individuals in need. As a community-based program, Safe Place designates various businesses and organizations as official Safe Place locations, ensuring accessible help for youth in communities across the United States. Locally, the Youth Services Bureau of Monroe County (YSB) oversees the program, serving youth in Monroe, Owen, Greene, and, most recently, Brown Counties.

In 2024, 25 youth accessed Safe Place services through a designated site. Depending on their situation, these individuals received referrals, counseling, shelter placement, and/or follow-up care. Of these, 13 youth-initiated shelter services, resulting in seven overnight placements. Additionally, eight youth inquired about Safe Place services by phone but did not require shelter, while four youth resolved their crisis at a Safe Place site without further intervention.

As the Safe Place/YSB Outreach Manager, annual educational initiatives are conducted to engage both youth and adults through presentations, school and community events, and training sessions. Bi-weekly educational hours are held at the youth shelter, complemented by pro-social activity sponsorships and strategic community and online advertising. In 2024, outreach efforts reached 35,064 youth through in-person and online presentations, while 11,250 adults were engaged through community events. These initiatives educate youth on the Safe Place program, its purpose, access points, and available services. Additionally, Safe Place continues its collaboration with Middle Way House, integrating the Building Healthy Relationships curriculum in local schools. Community members and guardians are also informed about the program, reinforcing their role in supporting youth in crisis. To further expand awareness, 32,923 Safe Place Outreach cards were distributed across Monroe, Owen, Greene, and Brown Counties.

YSB continues to expand its outreach through strategic advertising campaigns. In collaboration with Effectv (formerly Comcast), a National Safe Place commercial featuring local service information was aired on networks targeting youth and families during summer months, achieving 97% of the promised 53,590 impressions. Safe Place also partnered with National CineMedia (NCM), LLC to extend its reach through Bloomington AMC movie theaters and online streaming services. A Safe Place commercial featuring local YSB information was shown before every PG-rated or higher movie and displayed in the theater lobby every 12 minutes. In 2024, YSB launched two separate campaigns—one during the holiday season and a digital campaign from January through June—achieving an impressive 98% view-through rate of 96,980 impressions.

To further enhance visibility, Safe Place introduced a two-year bench advertisement at the local fairground, a highly frequented location, ensuring continuous access to service information through July 2026. Additionally, billboard advertising through Lamar Outdoor Advertising was secured, with a Greene County billboard running throughout 2024, generating 26,000 weekly projected impressions. In Monroe County, Safe Place sponsored two seasonal banners displayed at public pools during summer months, reinforcing awareness among local youth and families.

Looking ahead to 2025, the Safe Place program will focus on expanding community education about YSB shelter services, alongside continued outreach about Safe Place. Priorities include strengthening outreach in Brown County, building local partnerships, and securing sponsorships to support program initiatives. Additionally, efforts will be directed toward enhancing the program's presence in local schools and improving social media engagement to better connect with youth and families.

Jessica Brown, YSB Outreach/Safe Place Manager

* List of Safe Place Sites and locations pg. 38

Clinical Coordinator Report

YSB Clinical team members delivered short-term counseling and case management to the 112 individual youth placed in Binkley House Emergency Shelter in 2024. In addition to providing aftercare sessions to 25 youth, all residents received follow-up phone calls at regular intervals from the Educational Case Manager. We received 32 inquiries in 2024 for community-based counseling services. The team was also able to provide counseling to a total of 63 community-based clients, still a significant increase from the previous year. The number of inquiries for community-based counseling in 2024 was significantly lower than the previous year, whereas the number of clients seen for counseling was significantly higher. This is likely due to the fact that many clients continued engaging in counseling from 2023 into 2024, as services carried over. Clinical team members were also utilized in the Safe Place program to meet with youth, offer support and make appropriate referrals. Within Binkley House shelter, Clinical staff facilitated periods of daytime programming, focused on mindfulness, life skills, nutrition and wellness, and college and career opportunities. After-school psycho-educational programming is also facilitated by Clinical staff three days a week, which covers topics such as conflict resolution, self-esteem, and healthy relationships. The entire YSB Clinical team continued to increase their ability to serve community-based clients, worked to streamline referral processes, and focused on macro-level work for the agency to produce quality data.

Our ability to provide care for youth and families is enhanced when we have strong relationships with community partners. The team continued partnerships with the Department of Child Services and Monroe County Juvenile Probation in 2024. YSB counselors accompanied residents to court and team meetings as needed. Members of the team also interfaced with local and regional school systems and staff about individual residents and larger community trends. It should be noted that the Clinical team also interacted with numerous DCS offices across the state to assist youths from many different counties in Indiana. The agency, typically Clinical staff, continued to also utilize Bloomington Meadows Hospital for services when mental health needs were beyond the scope of YSB services. Community partnerships were also instrumental in helping the Clinical team conduct educational and engaging programming for residents. Some of these community partners include Mother Hubbard's Cupboard, the IU Biology Department, City of Bloomington Fire Department, WFHB, Ivy Tech Community College, the Banneker Community Center and the Monroe County Public Library.

YSB continued to utilize graduate interns during 2024 as well. This year, YSB hosted three graduate-level interns. Two of these interns were from the IU School of Social Work, and one was a Ph.D. student from the IU

Department of Psychological and Brain Sciences. Graduate interns not only gain a solid understanding of how YSB functions and provide services to youth and families, but they also participate in observation, shadowing, and processing YSB counseling services. Graduate interns also spend time in Binkley House, assisting in programming, milieu management and administrative work. These Clinical interns work with individual residents, conduct family sessions, and run groups for programming as well. Additionally, one of these graduate interns also started working more with the Clinical Programming team this year by shadowing and conducting intake processes and assisting with the tutoring program after school. All graduate intern responsibilities are reviewed by the Clinical Coordinator.

Three of the four YSB Counselors maintained their Licensed Social Worker (LSW) certifications in 2024, and one passed the Licensed Clinical Social Worker (LCSW) exam this year as well. The Clinical team welcomed a new counselor in July. In addition to being a Licensed Mental Health Counselor Associate (LMHC-A), she is also a Registered Art Therapy-Provisional (ATR-P) and having this kind of specialization will bring many great benefits to the Clinical team. All YSB counselors continue to obtain the necessary amount of continuing education units (CEUs) to maintain licenses. Additionally, the Clinical team participated in and facilitated a variety of professional development opportunities. In 2024, the team participated in several conferences and trainings, both virtually and in-person, to help further their learning and engagement with the surrounding community. The Clinical Team participated, presented, and/or facilitated at the following conferences and events: the 2024 Runaway and Homeless Youth (RHY) National Grantee Training in Atlanta, GA, the 2024 Monroe County Childhood Conditions Summit (MC3), the Indiana Youth Institute Kids Count Conference in Indianapolis, IN, the National Association of Case Management Annual Conference in Denver CO, the Attendance and Trauma Informed Care Conference in Indianapolis, IN, Dialectical Behavioral Therapy (DBT) Skills Training through Psychwire, Management and Leadership Skills for First-Time Managers training, Indiana University Field and Task Instructor Orientation, Positive Action Curriculum for the Truancy program, Motivational Interviewing training for Case Managers, and numerous virtual and in-person CEU trainings.

Programming Facilitated by Clinical Staff

The Seeking Safety program is a skills and support group for teenagers who have experienced trauma or substance use in any form. YSB continues to adjust the program after running two years of group to increase enrollment and recruitment into the Seeking Safety group. Facilitation of this program has continued to be flexible based on the needs of the community. At times, individual interventions have been utilized to treat kids and families most effectively through this program, in addition to the group aspect. The Clinical Coordinator, in conjunction with the Youth Prevention Specialist, continued to facilitate the Youth Advisory Board in 2024, under the guidance of YSB Executive Director. This board, populated by youth who have previously stayed in the Binkley House Shelter, met for ten of the twelve calendar months, taking breaks in July and December. Youth who participated received an incentive in the form of a gift card for their time in helping to provide valuable feedback on how YSB can improve its shelter services and programming. The Clinical Coordinator and Youth Prevention Specialist worked with this board to put together a PowerPoint presentation of their feedback which was presented to the YSB leadership and admin team.

In the third year of the Truancy Termination Partnership Program (TTPP), structural changes were made to operate through a more client-centered approach with an increased focus on effective utilization of interventions. This new format has allowed for a significant increase in the number of children and families who were referred to and could participate in the program. In the calendar year of 2024, TTPP received 107 referrals for services. For this year's program, TTPP offered an array of services such as tutoring, parent skills training, case management, individual and family therapy, as well as IEP and 504 advocacies. This program was offered and utilized in both the Richland Bean Blossom School Corporation (RBBSC) and Monroe County Community School Corporation (MCCSC).

Two Clinical Programming Counselors also created and facilitated the Empowered Parenting Workshop (EPW) in 2024, successfully completing three, eight-week cycles. This program is tailored to support parents and caregivers of teenagers in navigating the challenges of teen years while persevering strong connections. The workshop equips participants with practical skills to cultivate trust, foster healthy relationships and facilitate open communication within the family unit. EPW uses a strengths-based approach to recognize and increase positive aspects of relationships between parent and teen. It is the view of EPW that the teenage years can be a connecting time for parents and teens, instead of a disruptive one.

In 2025, the Clinical team will continue to provide crisis intervention services, and counseling services and seek to minimize harm and prevent re-traumatization. Looking forward, we hope to continue our efforts to expand the services available to community youth and families. Clinical staff will continue to be an integral part of seeing the further development of YSB programming, including addressing youth substance abuse through the Seeking Safety program, truancy, family engagement and the Empowered Parenting Workshop. It continues to be a mission for the Clinical staff to advocate for changes within and across organizations, communities, and systems that affect the children and families we serve.

Monica Fleetwood Black, Clinical Coordinator

Prevention Coordinator Report

Overview

2024 marked the 8th year of Youth Services Bureau offering Prevention programming for Monroe and surrounding counties. YSB's Prevention Program balances two core goals

- 1) preventing negative childhood conditions, and
- 2) building safe, stable, nurturing relationships & environments for Monroe County youth & families.

These two goals connect all of YSB's Prevention Subcommittees: Building a Thriving Compassionate Community (BTCC), Monroe County Youth Council (MCYC), the Bloomington AfterSchool Network (BASN), Indiana Youth Institute (IYI) Monroe County Youth Worker Cafes, the Monroe County Childhood Conditions Summit (MC3), and the YSB Youth Advisory Board.

Community Collaborations

YSB's Prevention Subcommittees are all deeply rooted in community collaboration, bringing together partners from a variety of sectors and organizations made up of individuals with a broad spectrum of backgrounds and identities. Individual experiences of subcommittee partners widely, but they are connected through shared values. These values include the belief that through collaboration, and addressing shared risk and protective factors, our community can better meet the needs of youth and families. Through teamwork, many hands make possible what could not be done alone.

Prevention partnerships focus on building trust and taking action together with youth, youth workers, and cross-sector partners who share YSB's values. We are invested in promoting opportunities for young people to build leadership skills and to play a meaningful role in the development of programming that serves them. We strive to work across the spectrum of influence, from the individual to the community level to positively impact the Monroe County community. By cultivating diverse and sometimes unexpected partnerships we have a broader pool of skills, resources and capacities to work with. In this way, we can maximize the agility and adaptability of our impact, moving further and further upstream through collaboration.

Youth-led Collaboration

In 2024, YSB's youth-led partnerships included the YSB Youth Advisory Board (YAB), the Monroe County Youth Council (MCYC), in-shelter Prevention Programming with residents, and community partnerships with Boys and Girls Club, Middle Way House, and Kaleidoscope.

MCYC, a cohort of Monroe County youth from both Monroe County and Richland Bean Blossom School corporations, welcomed 10 new members in 2024. MCYC was incredibly active in the Monroe County community, taking leadership and providing feedback from a youth perspective on an all-youth panel at the Monroe County Childhood Conditions Summit, actively participating in the first all-teen respondent focus group for the Monroe County Community Health Needs Assessment, and taking a leadership role in planning over 20% of the 2024 MCYC meetings. The youth were highly engaged in advocacy work, hosting a 'Youth Power Workshop' to better understand how to offer perspectives on legislation, attended the inaugural Indiana Youth in the Statehouse Day, and drafting public commentary on the state of educational policy at a High School World Forum in concert with a fellow teen-led organization, Global Learners. Mental health and preventing social isolation in the community and among youth was a major theme with MCYC in 2024, as they wrote encouraging cards and letters to individuals who were incarcerated, to isolated seniors, and local unhoused residents (as a part of hygiene/care kits). All of this outreach was in addition to hosting events to champion youth mental health supports throughout the year.

Youth Advisory Board is a collaboration between YSB's Prevention and Clinical teams and is aimed at providing residents who have utilized the Youth Shelter services with opportunities to provide feedback on programming such that future residents may benefit from past insight and experiences.

In 2024, YAB participants provided feedback on a variety of programming in the shelter such as: ways staff can support teens during times of emotional escalation, increasing enjoyment and engagement with planned outings, menu planning, updating the physical space of different rooms in the shelter, celebration of holidays etc. with an opportunity to engage in dialogue with YSB administrative staff. YAB is looking forward to 2025 where participants will explore gaps and barriers to getting their needs met in the Monroe County community at large, including identifying opportunities to advocate for changes with the appropriate bodies.

Youth Worker Collaboration

YSB's Prevention Program worked with Bloomington AfterSchool Network (BASN) and Indiana Youth Institute in 2024 to continue ongoing professional development support for youth workers in Monroe County.

Cross Sector Collaboration

YSB continues to serve in a foundational role as the primary facilitator for the work of Building a Thriving Compassionate Community (BTCC) sub-committee, a network of organizations and individuals working to build safe, stable, nurturing relationships and environments to support those who live, grow, and play in Monroe County. Smaller cohorts (or Communities of Practice) of BTCC partners met throughout 2024 to share subject matter expertise base and sustain targeted trainings focusing on building knowledge within the broader community. These trainings help develop skills and understanding on topics such as Implicit Bias, Power Analysis and Primary Prevention.

BTCC continued serving on the State Leadership Team for the second year of the Indiana Coalition Against Domestic Violence (ICADV)'s 5-year CDC funded DELTA Ahead grant in 2024. This grant has a broad prevention focus aimed at the outer layers of the Social Ecological Model (SEM) in hopes of addressing community norms and policy level interventions. BTCC contributes to the DELTA Ahead core priority of working to improve financial stability for families by addressing issues like paid leave for families and access to insurance. This is done by influencing community norms and building capacity through the BTCC Community

of Practice training series, organizing the Monroe County Childhood Conditions Summit, and building in advocacy opportunities across the network to influence policy and practice change that address the financial needs of families.

In 2024, BTCC partnered with South Central Community Action Program (SCCAP) to pilot a Parent Advocacy Cohort (PAC) supported financially by the DELTA Ahead grant. Planned as an 8-month pilot spanning 2024-2025, the (PAC) aims to build self-efficacy in peer, community and systems advocacy in a cohort of parents who utilize SCCAP's Head Start Program.

Community Education

Building on the concept of building new public narratives and increasing collective impact, Prevention works to provide training opportunities within the organization as well as to the broader Monroe County Community.

BTCC trainers from across the 'Communities of Practice' provided over 20 trainings in 2024 to community partners including IU Counseling students, Child and Family Services of Northwestern Michigan, Thriving Connections, SCCAP, Peer Health and Wellness Educators at IU, First United Methodist Church, Wonderlab, Mother Hubbard's Cupboard, Maple Playschool, Area 10 Agency on Aging, People and Animal Learning Services, to name a few. Prevention staff actively participated in the Monroe County Community Health Improvement Plan group (led by Monroe County Health Department) focused on Inequity Discrimination and Bias, which had a specific outcome of expanding community members who had engaged with the BTCC Implicit Bias curriculum, in hopes of expanding in the future.

Prevention staff collaborated with other YSB clinic and training staff to lead monthly Values Day meetings, during which time facilitators promote conversation and reflection on the YSB Core Values with direct care, clinical and administrative staff. Prevention also worked to ensure that BTCC trainings available to the broader community were also available to the YSB staff in 2024.

YSB and BTCC hosted the 9th annual Monroe County Childhood Conditions Summit which centered around the theme of 'Power and Possibility'. 196 of community members attended MC3 which offered 15 breakout sessions in addition to 3 'Affinity Groups' that provided a safe place for individuals linked by a shared identity, experience or goal to connect freely within the broader environment of MC3.

Prevention's Role in Monroe County

Monroe County youth continue to experience challenges across the Social Ecological Model. We know that what surrounds us shapes us, and so much of what we often see surrounding youth are policies and practices that do not support access to basic needs like a living wage, healthcare, transportation or safe and affordable housing which are a necessary foundation for positive youth and community outcomes. Communities are in crisis, the social safety net is in crisis, and the trickle-down effect of this collective stress is pressing down on our young people who are just starting to develop their own self-actualization. Though it is sometimes difficult to measure what we prevent or to see sustained impact in the short term, we cannot afford to forego primary prevention strategies as a community.

Youth Services Bureau is unique as it spans the gamut of prevention services from awareness to risk reduction, primary prevention, and providing direct support to young people in crisis while working in the prevention space to address shared risk and protective factors. With this broad-spectrum approach, Prevention is key to making Monroe County the best place to be a child in the State of Indiana.

Melanie Vehslage, Prevention Coordinator *Beginning in 2025

Youth Services Bureau Program Outcome Reports

SEEKING SAFETY

1/1/2024 TO 12/31/2024

The mission of Seeking Safety is: "to provide resources to improve the quality of care for people with substance abuse, trauma, and related problems" (Seeking Safety, 2016).

Referral Sources

Assessment Statistics

Seeking Safety participants self-reported the following at cycle launch:

Participant Demographics

Seeking Safety providers were able to:

- Set personalized goals with youth
- Collaborate with participants on treatment topics
- Facilitate roleplay/scenario activities
- Demonstrate importance of asking for help
- Lead lessons on boundary-setting & healthy relationships
- Provide education about trauma & substance use behaviors
- Encourage the discovery of coping skills

YOUTH ADVISORY BOARD (YAB)

1/31/2024 TO 11/20/2024 TERM DATA

This particular group of youth will be advising the county on the conditions of, within, and surrounding the Youth Services Bureau of Monroe County in order to:

- align the priorities of YSB with the priorities of the young people it serves
- provide professional development opportunities for participating youth such as training and resume building.
- ensure youth inform and influence YSB programs, services, and communication strategies
- promote civic engagement and local connection for young people that may lack access to these opportunities

Participant Demographics

When asked to explain their interest in joining the advisory board, members gave some of the following reasons:

"I want to have a say in what the Youth Shelter is doing for the kids who are there."

"I want to meet new people, have a fun time, learn, and talk about my story."

"I love YSBI I enjoyed my time last term."

MEMBERS EARNED \$25 GIFT CARD STIPENDS FOR SERVING AT BOARD MEETINGS-ALLOWING \$1175 TOTAL TO BE FUNNELED BACK TO COMMUNITY YOUTH.

EMPOWERED PARENTING WORKSHOP

PILOT CYCLE PROGRAM 4/2024 TO 11/2024

The Empowered Parenting Workshop at the Youth Services Bureau of Monroe County is a no-cost series tailored to support parents and caregivers of teenagers in navigating the challenges of the teen years while preserving strong connections. Led by experienced therapists, this workshop equips participants with practical skills to cultivate trust, foster healthy relationships, and facilitate open communication within the family unit.

Referral Sources

Program Outcomes

After completing the second round of EPW, there was improved participant efficacy, satisfaction, and overall competence while reducing stress.

- Efficacy: +20.53%
- Satisfaction: +14.25%
- Total Competence: +17.12%
- Stress Levels: -9.62%

Participant Demographics

Age

Gender

Race

When asked "what was the most meaningful piece of the EPW" participants gave some of the following reasons:

I felt so safe to express my troubles and an immense amount of support and encouragement to use the tools I was learning.

I appreciated the wisdom, knowledge and expertise of the facilitators/presenters

For me it was being with other parents that are struggling as much as I am and knowing that I'm not alone.

The community engagement, making closer relationships with staff and peers.

Youth Voices

Snapshot of Resident Exit Survey's:

"I loved the staff both times that I've been here. They're really kind and they all have positive energy."

"It has helped me develop skills I did not know I had."

"I LOVE all of the staff even if I didn't like their reasoning sometimes."

"I was very well taken care of at YSB, there was always enough food to eat and a staff to talk to. this place is good at keeping people safe and cared for."

"It was very enjoyable & I suggest that if people are having problems, it's a good place to stay if you have nowhere else to go. All the staff were respectful and responsible."

Youth Recommendations:

"Fidget spinners."

"Later bedtime during school days."

"Get a new volleyball net."

"Just make it where we can have MP3 players for certain times."

"Only allow people who know how to play or are learning to play guitar use it."

Family Voices

Guardian/Placing Agency Survey Comments:

"I am thankful for all the positivity and encouragement."

"I'm glad this resource exists both for children and their parents."

"Thank you for the services you provide and being here when parents need help."

"What's been offered has helped, and I appreciate that you're willing to continue helping us with after care."

"Counselor met with my youth regularly and provided a safe space for the youth to express their feelings and wishes. Binkley house went above and beyond to attempt to help accommodate my youth and their unique situation."

"I feel Youth Services is an amazing program. Honestly, working with you all has been very positive. Thank you so much for taking care of my child."
