

NOTICE TO BIDDERS

Notice is hereby given by the Noble County Board of Commissioners that they will receive sealed bids for Annual Major Supplies and Services for the County Highway Department for the 2025 Calendar Year.

These major supplies and services include the following: Lead Free Gasoline, Diesel Fuel, Bituminous Mix, Calcium Chloride, Liquid Bituminous Materials, Aggregate Gravel, Aggregate Limestone, AE-150 with Pug Mill Equipment, Culverts, and Hourly Rates - Equipment Rentals and Professional Services.

Sealed bids are to be received in the Auditor's Office by 2:30 pm on December 6, 2024. Mail or deliver to the Noble County Auditor at 109 N. York Street, Albion, IN 46701. Bids will be opened during the Commissioner's meeting in the Commissioner's Room at the Noble County Annex, 109 N. York St., Albion, Indiana 46701 on Monday, December 9, 2024 at 9:00 am EST.

Specifications for these bid items are available at the Noble County Auditor's Office, the Noble County Highway Department or online at <https://www.in.gov/counties/noble/offices/highway-department/>.

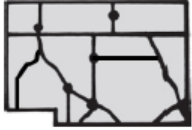

Each "Bid Item" must be submitted with a separate bid Form #95, submitted in duplicate, and enclosed in separate envelopes marked with the "Bid Item" number and the return address of the bidder on the outside.

If any separate Bid Item is estimated to exceed two hundred thousand dollars (\$200,000), it shall be accompanied by a bid bond or certified check (if applicable) in the amount of ten (10) percent of the total bid payable to the Noble County Treasurer.

The Noble County Board of Commissioners reserves the right to reject any and all bids.

TO: All Bidders

RE: Annual Supply Bids

2025 ANNUAL BIDS

**ALL BIDS MUST BE RECEIVED IN THE AUDITOR'S OFFICE BY
2:30 PM, DECEMBER 6, 2024.**

Each year, all bids submitted are reviewed for the applicable items listed below. Please review the checklist before submitting your bid. **If the bids are submitted incorrectly or incomplete, they may not be considered for acceptance.** The following are required:

1. Each Bid Item must be submitted in a separate envelope and clearly labeled on the envelope.
2. A separate "Form 95" (Page 1 and Page 2) must be submitted for each Bid Item.
3. Bidder signature is required on Form 95.
4. Please make sure the County is shown correctly on your Form 95.
5. Notary: Notary Signature
Printed name (place under written name)
Expiration Date
Notary Seal
6. A **duplicate** (complete copy) of each bid item must be submitted.
7. Any bid estimated to exceed two hundred thousand dollars (\$200,000) shall require a bond or certified check for 10% of the bid.
8. Itemized Proposal must be signed and filled out completely.
9. Address of each plant location must be filled out on Itemized Proposal
10. Fuel bids must include product name, brand name, and analysis (see fuel specification sheets.)
11. Aggregate and Bituminous Forms (Pages 4 & 5) must be submitted with the respective Bid Items.

In summary, a separate sealed bid is required for each bid item. The sealed bid is to have two complete copies of the Bid Form, Form 95 (non-collusion affidavit) and any additional forms (for Fuel, Aggregate and Bituminous) required specific to that bid item.

Please read the enclosed "Instructions to Bidder" for further bidding information.

INSTRUCTIONS TO BIDDERS

SUBMISSION OF BIDS:

Bids must be received at the **Noble County's Auditor's Office by 2:30 pm on Friday, December 6, 2024.** The Auditor's office is located at:

Noble County Commissioners
Noble County Annex
109 N. York Street
Albion, IN 46701

Each Bid Item must be submitted in separate envelope in exact duplicate containing a Bid Form and a Form 95 Non-Collusion Affidavit which must be signed and notarized. Fuel bids must include product name, brand name, and analysis (see fuel specification sheets.) Aggregate and Bituminous Forms (Pages 4 & 5) must be submitted with their respective Bid Items.

Mark at the bottom of the envelope:

"Bid for Annual Supplies – Bid Item No. _____"

FUEL PRODUCTS:

Each bidder of fuel products must submit documentation from the bidder's supplier which states the bidder's cost for the Item or Items bid. The base date for this documentation shall be December 5, 2024.

Fuel products shall be bid at bidder's cost plus a fixed per gallon transport charge. The transport charge shall not be based on mileage and shall therefore not be variable.

Fuel products shall be bid delivered and unloaded into the proper facilities at the Noble County Highway Department, 1118 E. Main St., Albion, Indiana 46701.

The successful bidder shall comply with the instructions set forth in the Escalation Clause.

The prices to be quoted **less tax – less exemption,** certificates to be furnished by the Highway Dept.

PAYMENT

Bidders shall familiarize themselves with the Noble County method of payment and payment dates. Bids are not based on early payment discounts. For questions on invoices or claims, contact Noble County Highway Department at 260-636-2124.

NON-COLLUSION AFFIDAVIT

A separate "Form 95 - Non-Collusion Affidavit" (Page 1 and Page 2) must be submitted with each Bid Item as required by IC 36-1-12-4(b)(12).

BID BOND

As pursuant to IC 36-1-12-4.5, each bid estimated to exceed two hundred thousand dollars (\$200,000) shall require a bond or certified check for 10% of the bid shall include as a part of each proposal, a certified check, a cashier's check, or a satisfactory bid bond in an amount of ten (10) percent of the bid amount. Certified checks will be returned to bidders whose proposals are rejected. The check or bond submitted by the successful bidder shall be retained by Noble County until said bidder has entered into the contract and posted a satisfactory performance bond. If the successful bidder does refuse or neglect to enter into contract with Noble County within ten (10) days from the time he has been notified of the acceptance of his bid, said check or bond shall be forfeited to the county as ascertained and liquidated damages for failure to do so.

ESCALATION CLAUSE - GASOLINE AND DIESEL FUEL ONLY

Bidders shall increase or decrease the contract unit price in an amount equal to the bidder's increase or decrease in cost of materials and supplies occurring subsequent to the date on which such bid is submitted (hereinafter referred to as "base date") to the Noble County Board of Commissioners (hereinafter referred to as "the Board") having authority to award contracts. Any increase or decrease in the bidder's cost of materials and supplies after the base date shall be determined when requested by the Board and shall be verified by proper documents furnished to the Board which shall include proof of the price to the bidder from the bidder's source of supply.

Bidder may reserve the right to allocate its product to its customers in a fair and equitable manner, if necessary due to the reduction of the allocation from the source of supply to the bidder in accordance with any directives from mandatory allocation issued by an appropriate agency of the Federal Government.

ESCALATION CLAUSE - HMA INSTALLED BY CONTRACTOR

This clause is specific to hot mix asphalt (HMA) that is *installed by a contractor*. All projects will be located within Noble County. Hauling distance between HMA plant and a project site can be assumed to be 10 miles. Bidders may request an increase or decrease in the contract unit price in an amount equal to the bidder's increase or decrease in cost for a hauling distance that is significantly less or more than 10 miles (one way.) Any request for a change in price must include documented justification for that change.

INSTRUCTIONS TO BIDDERS

AGGREGATES

All unit prices quoted for aggregates are for material furnished and loaded into County Highway trucks at the vendor's plant or storage yard or delivered to a specified site. The exact location of the plant or storage yard is to be indicated in the appropriate space on the Itemized Proposal or indicated when order is placed.

All materials furnished shall comply with applicable provisions of the current Indiana Department of Transportation Standard Specifications and current supplemental specifications, see Appendix D - INDOT Coarse Aggregate Size Specifications.

All mixing plants, scales, and stockpiling procedures shall be in accordance with the stated Standard Specifications and approved by the Indiana Department Transportation, Division of Materials and Tests.

All materials not meeting the current Indiana Standard Specifications will not be paid for. Those materials may be picked up and removed by the supplier at their expense or left at location. In addition, all materials not meeting the current Indiana Standard Specifications and placed may have additional charges added for labor and equipment used during placement and/or removal.

All materials bids shall be available on a day-to-day basis, after receipt of the Purchase Order, in quantities up to 1,200 tons per day or as ordered by the County Engineer, Roadway Superintendent or his/her authorized representative. If it is foreseen that any material bid will not be available, written notification must be given to the County at least 30 days prior to the date of unavailability. Failure to provide such notification may result in forfeiture of performance bond.

All loads shall be weighed on certified scales at the point of pick-up. Weight Ticket, Form I.C. 599, shall be completed and signed by the weigh person and the person receiving the material.

Prices quoted on this proposal shall prevail for the period beginning January 1, 2025 to December 31, 2025.

The vendor may not be required to furnish materials for open and purchase orders after December 31, 2025.

Indicated below is address where purchase orders, payments, and correspondence should be directed.

The location for delivery of material is at the Noble County Highway Department at 1118 E. Main St., Albion, IN 46701.

Escalation clauses will not be accepted on these bids.

INSTRUCTIONS TO BIDDERS

BITUMINOUS MIXTURES

Bituminous mixtures on this proposal are for the use of Noble County Highway Department.

All unit prices quoted for bituminous mixtures are for material furnished and loaded into County Highway trucks at the vendor's plant or storage yard or delivered to a specified site. The exact location of the plant, storage yard, or specified site is to be indicated in the appropriate space on the Itemized Proposal or indicated when the order is placed. Also, the opening and closing dates of each plant or storage yard are to be indicated on the Itemized Proposal.

All materials furnished shall comply with applicable provisions of the current Indiana Department of Transportation Standard Specifications and current supplemental specifications.

All materials not meeting the current Indiana Standard Specifications will not be paid for. Those materials may be picked up and removed by the supplier at his expense or left at location. In addition, all materials not meeting the current Indiana Standard Specifications and placed may have additional charges added for labor and equipment used during placement and/or removal.

All mixing plants, scales, and stockpiling procedures shall be in accordance with the stated Standard Specifications and approved by the Indiana Department Transportation, Division of Materials and Tests.

All materials bids shall be available on a day-to-day basis, after receipt of the Purchase Order, in quantities up to 1,200 tons per day or as ordered by the County Engineer, Roadway Superintendent or his/her authorized representative. If it is foreseen that any material bid will not be available, written notification must be given to the County at least 30 days prior to the date of unavailability. Failure to provide such notification may result in forfeiture of performance bond.

All loads shall be weighed on certified scales at the point of pick-up. Weight Ticket, Form I.C. 599, shall be completed and signed by the weigh person and the person receiving the material.

Prices quoted on this proposal shall prevail for the period beginning January 1, 2025 to December 31, 2025. The vendor may not be required to furnish materials for open and purchase orders after December 31, 2025.

Indicated below is address where purchase orders, payments, and correspondence should be directed.

All delivery prices to: Noble County Highway Department at 1118 E. Main St., Albion, IN 46701.

Escalation clauses will not be accepted on these bids.

INSTRUCTIONS TO BIDDERS

LIQUID BITUMINOUS

Liquid bituminous mixtures on this proposal are for the use of Noble County Highway Department.

All unit prices quoted for liquid bituminous mixtures are for material furnished and delivered to County Highway department or delivered to a specified project site.

All materials furnished (i.e. cutbacks, emulsions, sealing asphalt, etc.) shall comply with applicable provisions of the current Indiana Department of Transportation Standard Specifications and/or industry standards.

All materials not meeting the current Indiana Standard Specifications and/or industry standards will not be paid for. Those materials may be picked up and removed by the supplier at his expense or left at location. In addition, all materials not meeting applicable specifications that are placed may have additional charges added for labor and equipment used during placement and/or removal.

All materials bids shall be available on a day-to-day basis in quantities up to 15,000 gallons (three tanker loads) per day or as ordered by the County Engineer, Roadway Superintendent or his/her authorized representative. If it is foreseen that any material bid will not be available, written notification must be given to the County at least 30 days prior to the date of unavailability. Failure to provide such notification may result in forfeiture of performance bond.

Prices quoted on this proposal shall prevail for the period beginning January 1, 2025 to December 31, 2025. The vendor may not be required to furnish materials for open and purchase orders after December 31, 2025.

Indicated below is address where purchase orders, payments, and correspondence should be directed.

All delivery prices to: Noble County Highway Department at 1118 E. Main St., Albion, IN 46701.

Escalation clauses will not be accepted on these bids.

NOBLE COUNTY SPECIFICATIONS FOR

UNLEADED FUEL AND DIESEL FUEL (WINTER & SUMMER)

UNLEADED AND DIESEL REQUIREMENTS

Fuel specification sheet, including product and name brand, must also include any ethanol content in the fuel, must be submitted with bid forms. Any deviation of product or name brand being bid will be cause for rejection. Failure to submit analysis with bid will be cause for rejection. A copy of the terminal manifest showing fuel specifications is required at the time of each delivery. Fuel purchased from Bidder/Seller must meet Noble County specifications. Upon fuel quality concerns, fuel samples shall be submitted for sample analysis. All testing costs will be paid by the Bidder/Seller.

Noble County Highway Department will also request fuel samples be tested by multiple analysis laboratories to confirm results of analysis. The test laboratories used to determine the quality of the fuels being tested shall be at the sole discretion of Noble County Highway Department.

In the event that the delivered fuel (unleaded or diesel) fails to meet specifications, the Bidder/Seller will: not be entitled to payment for the delivery, be required to pay the cost of testing the delivery and at the discretion of the Noble County Commissioners must pay or arrange for the removal of the delivered product. Any maintenance and/or repair to vehicles and/or equipment caused by failed material will be paid by the Bidder/Seller.

DIESEL FUEL SPECIFICATIONS

Pursuant to notices given, the undersigned offers bid(s) to **NOBLE COUNTY HIGHWAY DEPARTMENT** in accordance with the following attachment(s) which specify the class or item number or description, quantity, unit price and total amount.

The contract will be awarded by classes or items, in accordance with specifications. Any changes or alterations in the items specified will render such bid void as to that class or item. Bidder promises that he has not offered nor received a less price than the price stated in his bid for the materials included in said bid. Bidder further agrees that he will not withdraw his bid from the office in which it is filed. A certified check or bond shall be filed with each bid if required, and liability for breach shall be enforceable upon the contract, the bond or certified check or both as the case may be.

BID ITEM #25-01 – LEAD FREE GASOLINE

AMOUNT: 40,000 GALLONS MORE OR LESS

LEAD FREE GASOLINE with a minimum octane rating of 87.0 (R+M)/2 or greater. Fuels to be seasonally blended to meet EPA vapor pressure regulations and the needs of vehicles and equipment in the Northern Indiana region.

Fuel specification sheet including product and name brand must be submitted with bid forms. Any deviation of product or name brand being bid will be cause for rejection. Failure to submit analysis with the bid will be cause for rejection. A copy of the terminal manifest showing fuel specifications is required at the time of each delivery. Fuel must meet Noble County specifications. Upon fuel quality concerns, fuel samples shall be submitted for sample analysis. All testing costs will be paid by the Bidder/Seller. Fuel samples will be tested by multiple analysis laboratories to confirm results of analysis. The test laboratories will be at the sole discretion of the Noble County Highway Department.

In the event that delivered fuel fails to meet specifications, the Bidder/Seller will: not be entitled to payment for the delivery, be required to pay the cost of testing the delivery and at the discretion of the County Commissioners must pay or arrange for the removal of the delivered product. Any maintenance and/or repair to vehicles and/or equipment caused by failed material will also be paid by the Bidder/Seller.
