Minutes for Monday, May 19, 2025

Gary Friend starts, all right we're going to officially open up the drainage board meeting. All's we have on our agenda is the Drainage minutes to approve and to table EDP's request for stormwater approval. Tom Kerns makes motion to accept the minutes for May 5, 2025, Missy Williams seconds. All those in favor signify by saying aye, aye. Opposed same sign. Motion passes 3-0.

Gary states that Riverstart V stormwater plan is not ready at this time. Brad from EDP said it was specifically for the Substation. Ed was requesting some additional information. Like plans for the laydown area, we didn't have those at the time, so we opted to move this to the next drainage board meeting. Gary ask if that would be in June. Brad replies, Yes. Tom makes a motion to table the Riverstart 5 stormwater plan for the substation to the June 2, 2025 meeting. Missy Williams seconds, all those in favor signify by saying aye, aye. Opposed same sign. Motion passes 3-0.

Missy Williams makes a motion adjourn, Tom Kerns seconds the motion, second. All in favor signify by saying aye. Aye, opposed. Same sign. Motion passes 3-0.

Signed this 2nd day of June, 2025 in the Randolph County Commissioners Room, Winchester Indiana.
