

Motion to approve minutes from 5/24/21 Kevin Nigh, 2nd Don Parker, vote 2/0.

Glessner Ditch: Taylor Sumerford, county surveyor, reports that Brandon Everhart is going to get started on this ditch.

Snyder Tile/ Blue River Trails: Taylor has provided the drainage board with a map of the drain and only a spur runs through a small portion of this addition. It is not part of the main drain; the property owners pay into it because they are in the watershed.

Zobel Rosenfeld Ditch/ Tributary (250 S/ Michigan Rd.): Kem Anderson, highway Superintendent and Commissioners Parker and Nigh have looked at this area and are working with the property owner to resolve the issue. They plan to put some rip rap along Michigan Rd and some property owners will need to plant some waterway grasses. Kevin suggested they contact Shelby County Soil and Water for possible assistance.

Country Club Heights: Taylor reports this area is still on the contractors “to do” list.

Adjourn.
