

Motion to approve minutes from 12/28/21 Chris Ross, 2<sup>nd</sup> Kevin Nigh, vote 3/0.

**Meiks Addition:** Taylor Sumerford, county surveyor, reports he checked on the inlet south of Meiks Rd and it has been installed.

**Clendenning Ditch:** Taylor Sumerford went to Bartholomew County to look at an inlet they have done in a similar situation. He received some photos, and it looks like a good solution. Don Parker states on the Clendenning Ditch the water drops from a field to the ditch. The original tile would drain to the proposed outlet, and they are considering it draining into an open ditch nearby.

Adjourn.
