

**DRAINAGE BOARD MINUTES**

**APRIL 11, 2022**

**ALL MEMBERS PRESENT**

Motion to approve minutes from 3/14/22, Chris Ross, 2<sup>nd</sup> Kevin Nigh, vote 3/0.

**Carmony Tile:** Taylor Sumerford, county surveyor, reports this tile is finished except for installing an animal guard on an outlet. There is discussion about how many connections were made, approximately 15-16 total.

**Clendenning Ditch:** Taylor states the last update he received was that the pipe has been ordered but they couldn't find a driver to deliver it.

**Meiks Addition:** Don Parker states he had driven through Meiks Addition and feels the area is looking pretty good. Kevin Nigh states there is some finish grading to do but the intersection to the east always used to have standing water but has not since the drainage work has been completed. Chris Ross, states Norman Collings, a property owner on Knightstown Rd., had contacted him with concerns of standing water near his and other homes down the east side of the road. Chris feels this area could be considered as a next phase of drainage in the area and will look into it.

**Drainage Classification- Chase Yanzer:** Don Parker has spoken to Chase Yanzer who had attended a Drainage Board meeting but is still not satisfied with the information received. Don will be following up with Mr. Yanzer.

Adjourn.
